across the True Sea, haunted by the lives she took on the Fold, Alina must try to make a life with Mal in an unfamiliar land, all while keeping her identity as the Sun Summoner a secret. But she can't outrun her past or her destiny for long. The Darkling has emerged from the Shadow Fold with a terrifying power and a dangerous plan that will test the very boundaries of the natural world. With the help of a notorious privateer, Alina returns to the country she abandoned, determined

to fight the forces gathering against Ravka. But as her power grows, Alina slips deeper into the Darkling's game of dark magic and control-and farther away from Mal. Now, she will have to choose between her country, her power, and her heart, or risk losing everything to the oncoming storm. Siege and Storm Grisha Trilogy As broad as our exponentially growing cultural fascination with caped crusaders is, it runs just as deep as this long

awaited anthology underscores. Liesa Mignogna the VP, Editorial Director at Simon Pulse and editor of this anthology can expound on the virtues of Batman (her wedding was even Batman-themed) but it's her retelling of incredibly harrowing yet ultimately inspiring encounters with The Dark Knight over the years, as she struggled to coexist with the supervillains in her own family that birthed this collection. Last Night, A Superhero Saved My Life gives readers the chance

to connect to their beloved authors, while those same authors connect to their beloved superheroes, and within that feedback loop of respect and admiration lies a stellar, and phenomenally accessible, anthology full of thrills, chills, and spills. Contributors include New York Times bestsellers Christopher Golden, Leigh Bardugo, Brad Meltzer, Neil Gaiman, Carrie Vaughn, Jodi Picoult, and Jamie Ford, as well as award-winners and mainstays like Joe R.

Lansdale, Karina Cooper, and Ron Currie, Jr among many others. Last Night, A Superhero Saved My Life's authors share their most hilarious and most heart wrenching experiences with their chosen defender to explain why superheroes matter, what they tell us about who we are, and what they mean for our future. *King of Scars* Imprint Enter the world of the Grishaverse and Shadow and Bone, soon to be a Netflix original series!
