There's no way out this time... An
unputdownable medieval adventure

from a master of the genre Haunted by guilt and his sins, archer Martin Kemp is in Scotland to collect on a debt when war breaks out afresh. The border erupts in bloody violence. Stalked through heather and forest by French men-at-arms sent to stir up the Scots against the English, Kemp and his friend Ieuan find themselves roped into escorting a motley band of civilians to safety. Matters are complicated by a Scottish knight who is not what he seems, but not nearly as much as by the presence of one of Kemp's old flames. Pursued to Berwick, Kemp and his companions find themselves besieged in the castle with no hope of relief or escape. When the Scots launch an all-out attack, Kemp may have to sacrifice everything in a brutal showdown that will determine the

destiny of the Scottish crown... A rollicking adventure in the bestselling series, this brilliant novel from Jonathan Lunn will leave you battered and exhilarated. Perfect for readers of Angus Donald, Bernard Cornwell and Matthew Harffy.

He's all business all the time. Now he's suddenly a dad. Fiddle player Eliza Bancroft had to improvise after an unplanned pregnancy four years ago. Instead of pursuing her dream of performing live music, she changed keys and has focused on being a good mom and a sought-after studio musician in Nashville. Her rhythm is set until she spots her son's father in a local magazine and realizes the man she was

unable to track down lives right under her nose in Music City. As head of the family and CEO of North Brothers Sports, Mason North doesn't have time for play. His life mission is to build the family business—his father's legacy—so it can thrive for years to come. When the company's future becomes endangered, he mounts a full-scale assault to protect what matters the most. Then an unforgettable woman from his past lays a four-year-old truth bomb on him that blows up his priorities. Though they come from different worlds, the attraction from before still hums between Eliza and Mason. But Mason has spent a lifetime entrenched solely in business, and Eliza has two hearts to protect. Can he embrace a more harmonious approach and give them a

second chance at love? True Harmony is the fourth stand-alone book in the North Brothers series and includes a steamy second-chance romance for a workaholic CEO and a single-mom fiddle player, an overzealous dog named Blitz, and a three-year-old in need of a dad. Submerge yourself into the North Brothers' world now! If you enjoy books by Jill Shalvis, Zoe York, BJ Harvey, Piper Rayne, Molly McAdams, Lori Wilde, Melissa Foster, Bella Andre, Claudia Burgoa, Alexa Rivers, JH Croix, Christine DePetrillo, Melissa Chambers, or Amanda Torrey, chances are, you'll love Amy Knupp's Island Fire series. ***** second chance romance, CEO, secret baby, accidental pregnancy, one-night stand, wealthy hero, opposites attract, single mom, kid in need of a father

On my thirteenth birthday, my life changed for ever. That's when I learned the shocking truth: I'm a half-vampire. Think that sounds cool? Think again! I've been attacked by an evil vampire bat, had huge cravings for my best friend's blood, and nearly died from eating a pizza (half-vampires aren't great with garlic). Writing my secret blog is the only thing that's kept me from going completely crazy. As if life couldn't get any more complicated, there have been some vicious attacks in the local woods. Vampire-mad Tallulah (definitely not my girlfriend) thinks a super-vampire is behind them - and she's desperate to prove it, with a mysterious chain that's supposed to glow red-hot when a vampire is close by. And I have a horrible

feeling that the chain's going to turn red-hot any day now . . . A new novel from award-winning author Pete Johnson that taps into the very current interest in vampires - done with Pete's humorous, accessible touch.

MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They

swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? 18+ for language and sexual content! Alex 'Hawk' James has a sordid and violent past, one that, in part, leaves him the single father of a little girl. His only solace is the world he's made within the Dogs of Fire Motorcycle Club. Payton Williams has everything under control. Her neat little world is as she has made

it and she's happy with the life she's leading. But when a chance encounter with a gorgeous biker upends her tidy plans, she finds herself confronting things she'd been happy to gloss over... until now. Will Hawk and Payton's different worlds collide in chaos, or will they come together and heal the wounds of the past? Will a threat from someone out of Hawk's past destroy the trust he and Payton are building?

The Vet from Snowy River Julia Sykes
Here is the ultimate explanation of the brain for everyone who thinks: a guide to how the brain works, how our brains

came to operate the way they do, and, most important, how to use your precious gray matter to its full capacity. The brain, according to current research, is not some kind of automatic machine that works independently of its user. In fact, the circuitry of the brain actually changes according to how one uses it. Our brains are continuously developing new capacities and refinements—or losing them, depending upon how we use them. Gerald Hüther takes us on a fascinating tour of the brain's development—from one-celled organisms to worms, moles, apes, and on to us humans—showing how we truly are what we think: our behavior directly affects our brain capacity. And the behavior that promotes the fullest development of the brain is behavior

that balances emotion and intellect, dependence and autonomy, openness and focus, and ultimately expresses itself in such virtues as truthfulness, considerateness, sincerity, humility, and love. Hüther's user's-manual approach is humorous and engaging, with a minimum of technical language, yet the book's message is profound: the fundamental nature of our brains and nervous systems naturally leads to our continued growth in intelligence and humanity.

The #1 New York Times bestselling author of *Beautiful Tempest* and *Make Me Love You* brings her “mastery of historical romance” (Entertainment Weekly) to 1880s Montana where passions and gold fever run high as an American heiress turns to a rugged mountain man to help her locate her father’s fortune. After a social whirlwind in London, Violet Mitchell is summoned

back to Philadelphia only to discover her family living on the edge of financial ruin while their father seeks new wealth in Montana's gold fields. With the family's home and social standing at risk, Violet makes a drastic decision. Meanwhile, Montana rancher Morgan Callahan rode away from his family's cattle farm to make his own fortune. Now as he finishes exploiting a mother lode of silver, a young woman claiming to be his late partner's daughter turns up wanting to be taken to her father's mine. Suspecting that the pretty schemer works for the mining outfit that is trying to steal his land, he has no qualms about snatching her and holding her at his camp where she can do no harm. But he underestimated the new thorn in his side. Determined to claim what rightfully

belongs to her family, Violet summons up the courage and grit to cope with the hazards and discomforts of an untamed land and the disturbingly masculine stranger who holds her fate in his hands. But an error of judgment brings down a hailstorm of danger that upends her plans and deepens her bond to a man who may turn out to be all she desires. With her signature "strong characters, humor, interesting plots—and, of course—romance" (The Cincinnati Enquirer), Johanna Lindsey crafts another irresistible and adventurous love story.

How to Make Friends With the Dark For fans of Nina LaCour and Jennifer Niven, a richly layered novel that's both uplifting and heartbreaking, about piecing yourself together after loss and the dark truths we choose to keep from each other and ourselves. San Francisco. New Year's Eve. A tragic accident after the party of the year. Cara survives. Her best friend, G, doesn't. Nine months later, Cara is still struggling, consumed by grief and a dark secret she'd rather forget. In the hopes of offering a fresh start, her mother sends her to boarding school in Switzerland, a place where no one knows what happened--and where they never will, if Cara can help it. But her new classmates Ren and Hector won't let her close herself off. They are determined to break down the walls she

has so carefully built up. And maybe Cara wants them to . . . especially Hector, who seems to understand her like no one else does. The problem is that the closer Cara gets to Hector, the more G slips away. If moving on means letting go of the past--and admitting what she did that night--Cara's not sure how. But a second chance awaits, if she can only find the strength within herself. "A poignant exploration of grief, guilt, and forgiveness." --Sophie Kinsella, New York Times bestselling author of Finding Audrey and the Shopaholic series "Transportive and redemptive, this is a gentle story about the universality of grief, the beauty of self-forgiveness, and how new friendship can help heal old wounds."--Ashley Woodfolk, author of The Beauty That Remains and When You

Intuitive archery depends extremely on the art to not stand in your own way. It is not the one and only technique to hit a target, nor is it the perfect arrow or bow. It's more the archers ability to keep repeating his shooting performance again and again in the same way. And at the same time he must train his intuition, which tells him how far the target is away and in which angle he has to hold his bow. Therefore archery is a very difficult matter - small causes have big impacts. This book addresses the advances archer, who already knows

how to hold a bow, tense a string and shoot and who has a basic idea about the equipment. It provides him means to train his intuition and helps to understand why he hits or not. The author discovered his love for intuitive archery in 2006. He combines different techniques from meditation and autogenous training with archery. He is sharing his experience and expertise in individual coachings and on his youtube-channel with likeminded people.

DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The

application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or

position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.
