"I want you to introduce  
me to Dominic." When  
Arianne's husband  
dumped her for their rich  
neighbor's girlfriend, her  
confidence as a woman  
went out the door as well.  
At least her neighbor,  
Jason, was in the same  
boat, pouring wine to  
console her while his aloof  
self-assurance remained  
firmly intact. She has  
been fascinated by him  
from the first, but his  
looks and wealth put him  
out of her league. Now  
she's heard rumors he  
has a kinky side. If she  
doesn't shake her  
inhibitions, she has no  
chance with him at all.  
Jason has lusted after  
Arianne since the day he  
met her. Having his live-in

lover seduce her husband  
out of the way was  
convenient, but a year  
later, Arianne is still  
hurting. If she knew the  
part he played in her  
betrayal, she would never  
forgive him. Now she  
wants him to don that  
part, his alter-ego  
Dominic, and introduce  
her? No. He hates that  
side of himself now.  
Dominic is a sexually  
dominant instructor in the  
ways of pleasure. Arianne  
needs help. If Jason wants  
to restore her faith in her  
ability to attract a man,  
here is his chance, but he  
runs the risk of losing her  
completely. Arianne is an  
eager pupil, however, and  
soon begins her lessons of  
sexuality, lust, and being  
thoroughly and deliciously  
ravished. But what will  
happen when the mask  
comes off and the truth  
comes out?

The Millennial and GenZ generations understand social media. They have grown up in an age of hyperconnectivity, but many don't do a great job at understanding or blending their social presence effectively as a

tool to show who they are, their why, their value, and the impact they can create as job candidates or as business owners. I call this our Social Soul. It's how we show our true authentic selves online with intentionality. It shows an individual's love and passion for what they do, and the value they offer to their various networks of friends, current and potential colleagues, prospective partners, managers, direct reports, or investors. For entrepreneurs, the most effective way to use social selling isn't obvious, even if they have come of age in a hyperconnected world. This book will educate and inspire readers to take action on the most powerful and useful social networks to date. You will learn through thoughtful examples applicable to future platforms that can be used to better connect in pursuit of entertainment, clients, networking, and business success in a way that translates across cultural borders. "Rob's Social Soul reads like a good friend peering over your shoulder, gently guiding you as you try to precariously navigate your social media. These

days, it isn't enough to just 'be online' - you have to establish a presence, and an authentic one at that, for it to be of any value personally or professionally. The Social Soul provides you the tools and tips that will allow you to shine in the virtual world." Phil Delvecchio, Founder, Hapday Group "Rob promotes the idea of ENGAGEMENT. Well, he's spot on. You can't bore people into buying your product. We don't recommend anything; services, businesses, movies, restaurants, cities or people that lull us into a catatonic state. Proactive, smart, authentic engagement is the singular ingredient to ensure success today. Rob has meticulously crafted the philosophy and linear guide everyone should follow to achieve engagement mastery." Brian Burkhart Founder & Chief Word Guy SquarePlanet Presentations "Very inspiring and informative. A must-read for any founder and brand enthusiast, interested to learn about how to build up and foster a value-added network while authentically engaging ones own social media audience." Luisa El

Bouyahyani Co-Founder and CEO LuBu Lunchbuddies "In this honest, straight to the point and very insightful book, Rob Napoli takes his readers through the social media rollercoaster. Not only does he give everyone on board an educational and entertaining perspective into the realm of social media and how to use its various channels and features. This book also draws a very clear and personal picture about the author himself and shows that life, and all its ups, downs, and major turns, determines who you are and where you stand - also in the online world." Acrobatic Sex Positions brings exciting twists and turns to 69 sex positions so wild you almost won't believe them. Not for the timid, these positions challenge flexibility and stamina and will get readers head over heels--as well as sideways and upside down--to facilitate deep penetration, hit multiple hot spots, and yield amazing orgasms. - Stairway to Heaven: A sexy intercourse position where she stands one step above him on the staircase. He enters her from behind and lifts and folds her legs back and around his waist giving her amazing G-spot stimulation. - Over the Rainbow: His palms and feet are flat on the floor with his body arched. She is draped over his body, her back following the same bend as his, her feet resting on his chest. From

the side, their bodies form an arc-shaped rainbow.

The rush of blood to the head makes this demanding position even more thrilling and intense.

- The Pretzel: He stands upright, and penetrates her in rear-entry position. He supports her waist while she pushes her arms back and raises her legs until she can grasp her ankles with her hands, as in the bow yoga position. Once she's in place, the grip of her thighs should be enough to support her. He can keep one arm wrapped around her waist for added support; the other is free to stimulate her breasts and clitoris. The ultra-tight penetration means more stimulation for him and an ultimate filled-up feeling for her.

From a master of the artisan bread movement comes a comprehensive guide to making incredible bread at home, featuring more than 70 delicious recipes NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY THE ATLANTA JOURNAL-CONSTITUTION "Here, finally, is the one bread book that every cook needs on their kitchen worktable."—Andrew

Zimmern, host of Bizarre Foods The Vetri Cucina Bread Program began over a decade ago and has been part of the American movement to reclaim high-quality bread as a cornerstone of our food culture. In *Mastering Bread*, Marc Vetri and his former head baker, Claire Kopp McWilliams, show home cooks how to create simple breads with unique flavors in a home oven. Included are more than seventy recipes for their bestselling sourdough and yeast loaves as well as accompaniments to serve with the breads. Their process of bread-making is broken down into three easy-to-digest chapters: Mix, Shape, and Bake. Another chapter includes recipes for enjoying bread in dishes such as Bruschetta, Panzanella, and Ribollita. There's even a bonus chapter revealing the secrets of Vetri's coveted Panettone. This book shares everything that Vetri and McWilliams have learned over the years about the art and science of making incredible bread. They explain how to use fresh milled and whole-grain flours as well as local and regional wheat varieties, with easy instructions for adapting bread recipes for success with whatever

flour is available in your market. Included throughout are bios and interviews with grain farmers, millers, and

bread bakers from around the nation. Mastering Bread is a master class from an award-winning

chef who makes world-class artisan bread easy to bake for both home cooks and professionals alike.
