A  
Memoir—Deliv

ering Health

Care in

Cambodian

Refugee

Camps,

1979-1980

Harper Collins

This is an insightful and often irreverent account of life in Cambodia, as it emerged

from the horrors of the Khmer Rouge regime, during the United Nations' preparation for democratic elections in 1993.

First They Killed My Father

iUniverse

Although reproduction including infertility, abortion, childbearing and motherhood is a significant human experience, its social meaning is shaped by the culture in which birthing women live. Reproduction

and its management, therefore, occur within the social and cultural context of the event. As such, reproductive beliefs and practices differ across social and cultural settings. This book focuses on reproduction, childbearing and motherhood. In this volume, the authors show that despite the modernisation of the society and advanced medical technology and

knowledge in reproduction, traditions continue to exert influence on how the women and their families manage their reproduction, childbearing and motherhood in their societies.

**The United States and Cambodia, 1969-2000**

Psychology Press

This book examines postwar waves of political violence that affected six Southeast Asian countries – Indonesia,

Burma/Myanmar, Cambodia, Thailand, the Philippines, and Vietnam – from the wars of independence in the mid-twentieth century to the recent Rohingya genocide. Featuring cases not previously explored, and offering fresh insights into more familiar cases, the chapters cover a range of topics including the technologies of violence, the politics of fear, inclusion and exclusion, justice and

ethics, repetitions of mass violence events, impunity, law, ethnic and racial killings, crimes against humanity, and genocide. The book delves into the violence that has reverberated across the region spurred by local and global politics and ideologies, through the examination of such themes as identity ascription and formation, existential and ontological questions, collective

memories of violence, and social and political transformation. In our current era of global social and political transition, the volume's case studies provide an opportunity to consider potential repercussions and outcomes of various political and ideological positionings and policies. Enhancing our understanding of the technologies, techniques, motives, causes, consequences, and

connections between violent episodes in the Southeast Asian cases, the book raises key questions for the study of mass violence worldwide.

**Perspectives in Cross-cultural Psychiatry**

University of Hawaii Press  
The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The

Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873) [Mon-Khmer Studies](#) AudioInk Luminous at dawn and dusk, the Mekong is a river road, a vibrant artery that defines a

vast and fascinating region. Here, along the world's tenth largest river, which rises in Tibet and joins the sea in Vietnam, traditions mingle and exquisite food prevails. Award-winning authors Jeffrey Alford and Naomi Duguid followed the river south, as it flows through the mountain gorges of southern China, to Burma and into Laos and Thailand. For a while the right bank of the river is in

Thailand, but then it becomes solely Lao on its way to Cambodia. Only after three thousand miles does it finally enter Vietnam and then the South China Sea. It was during their travels that Alford and Duguid—who ate traditional foods in villages and small towns and learned techniques and ingredients from cooks and market vendors—came to realize that the local

cuisines, like those of the Mediterranean, share a distinctive culinary approach: Each cuisine balances, with grace and style, the regional flavor quartet of hot, sour, salty, and sweet. This book, aptly titled, is the result of their journeys. Like Alford and Duguid's two previous works, *Flatbreads and Flavors* ("a certifiable publishing event"—*Vogue*) and *Seductions of Rice* ("simply stunning"—Th

e New York Times), this book is a glorious combination of travel and taste, presenting enticing recipes in "an odyssey rich in travel anecdote" (*National Geographic Traveler*). The book's more than 175 recipes for spicy salsas, welcoming soups, grilled meat salads, and exotic desserts are accompanied by evocative stories about places and people. The recipes and stories are

gorgeously illustrated throughout with more than 150 full-color food and travel photographs. In each chapter, from Salsas to Street Foods, Noodles to Desserts, dishes from different cuisines within the region appear side by side: A hearty Lao chicken soup is next to a Vietnamese ginger-chicken soup; a Thai vegetable stir-fry comes after spicy stir-fried potatoes from southwest China. The

book invites a flexible approach to cooking and eating, for dishes from different places can be happily served and eaten together: Thai Grilled Chicken with Hot and Sweet Dipping Sauce pairs beautifully with Vietnamese Green Papaya Salad and Lao sticky rice. North Americans have come to love Southeast Asian food for its bright, fresh flavors. But beyond the dishes

themselves, one of the most attractive aspects of Southeast Asian food is the life that surrounds it. In Southeast Asia, people eat for joy. The palate is wildly eclectic, proudly unrestrained. In *Hot, Sour, Salty, Sweet*, at last this great culinary region is celebrated with all the passion, color, and life that it deserves. *Afterparties* Ballantine Books Repackaged in a new tie-in edition to

coincide with the Netflix film produced and directed by Angelina Jolie, a moving story of war crimes and desperate actions, the unnerving strength of a small girl and her triumphant spirit as she survived the Cambodian genocide under Pol Pot's brutal regime. Until the age of five, Loung Ung lived in Phnom Penh, one of seven children of a high-ranking government official. She was a

precocious child who loved the open city markets, fried crickets, chicken fights, and sassing her parents. While her beautiful mother worried that Loung was a troublemaker—that she stomped around like a thirsty cow—her beloved father knew Loung was a clever girl. When Pol Pot's Khmer Rouge army stormed into Phnom Penh in April 1975, Ung's family fled their home and

moved from village to village to hide their identity, their education, their former life of privilege. Eventually, the family dispersed in order to survive. Loung trained as a child soldier in a work camp for orphans, while other siblings were sent to labor camps. As the Vietnamese penetrated Cambodia, destroying the Khmer Rouge, Loung and her surviving siblings were slowly reunited.

Bolstered by the shocking bravery of one brother, the courage and sacrifices of the rest of her family—and sustained by her sister’s gentle kindness amid brutality—Loung forged on to create for herself a courageous new life. Harrowing yet hopeful, insightful and compelling, this story is truly unforgettable. Political Violence in Southeast Asia since 1945 Artisan With only half a canteen of

water and one baby bottle, a family of eight fought for their lives in the killing fields and land mines of Cambodia. Heroes emerge in the most unlikely places, under the most dangerous conditions. They are often the most ordinary of people facing extraordinary times. Surrounded by unimaginable adverse forces, one woman would ultimately lead her entire family to survive. Beautiful Hero

is an autobiographical narrative told from a daughter's perspective. The story centers around Meiyeng, the eponymous Beautiful Hero, and her innate ability to sustain everyone in her family. Meiyeng's acumen in solving problems under extreme circumstances is thought-provoking and awe-inspiring. She shepherded her entire family through starvation,

diseases, slavery and massacres in war-torn Cambodia to forge a new life in America. Over two million people--a third of the country's population--fell victim to a devastating genocide in Cambodia. The rise of the Khmer Rouge posed not merely a single challenge to survival, but rather a series of nightmarish obstacles that required constant circumvention, outmaneuveri

ng, and exceptional fortitude from those few who would survive the regime intact. Beautiful Hero suspensefully unravels the layers of atrocity and evil unleashed upon the people, providing a clear view of this horrific and violent time of the Cambodian revolution. The story highlights the most basic impulses of man: good vs. evil, individual vs. group, democracy vs. tyranny, and life vs. death.

It is the ultimate story of love, sacrifice, survival, and redemption--and lives pushed to the limits. It reaffirms the good in humanity by showing how one family lived and survived with grace and dignity.

**Extraordinary Justice**

Routledge  
"A nuanced mediation on love, identity, and belonging. This story of

survival radiates with resilience and hope."  
—Publishers Weekly, starred review  
"This openhearted memoir . . . opens the door to include queer descendants of war survivors into the growing American library of love." —Sarah Schulman, author of *Let the Record Show When Putsata Reang* was eleven months old, her family fled war-torn Cambodia, spending twenty-three

days on an overcrowded navy vessel before finding sanctuary at an American naval base in the Philippines. Holding what appeared to be a lifeless baby in her arms, Ma resisted the captain's orders to throw her bundle overboard. Instead, on landing, Ma rushed her baby into the arms of American military nurses and doctors, who saved the child's life. "I had hope, just

a little, you were still alive," Ma would tell Put in an oft-repeated story that became family legend. Over the years, Put lived to please Ma and make her proud, hustling to repay her life debt by becoming the consummate good Cambodian daughter, working steadfastly by Ma's side in the berry fields each summer and eventually building a successful career as an award-winning

journalist. But Put's adoration and efforts are no match for Ma's expectations. When she comes out to Ma in her twenties, it's just a phase. When she fails to bring home a Khmer boyfriend, it's because she's not trying hard enough. When, at the age of forty, Put tells Ma she is finally getting married—to a woman—it breaks their bond in two. In her startling memoir, Reang explores the long legacy of

inherited trauma and the crushing weight of cultural and filial duty. With rare clarity and lyric wisdom, *Ma and Me* is a stunning, deeply moving memoir about love, debt, and duty. [East-West Encounters](#) Human Rights Watch Entries address topics related to genocide, crimes against humanity and peace, and human rights violations; profile perpetrators including Joseph Stalin,

Pol Pot, and Idi Amin; and discuss institutions set up to prosecute these crimes in countries around the world.

The study of Cambodian religion has long been hampered by a lack of easily accessible scholarship. This impressive new work by Ian Harris thus fills a major gap and offers English-language scholars a booklength, up-to-date

treatment of the religious aspects of Cambodian culture. Beginning with a coherent history of the presence of religion in the country from its inception to the present day, the book goes on to furnish insights into the distinctive nature of Cambodia's important yet overlooked manifestation of Theravada Buddhist tradition and to show how it reestablished itself following almost total annihilation

during the Pol Pot period. Historical sections cover the dominant role of tantric Mahayana concepts and rituals under the last great king of Angkor, Jayavarman VII (1181–c. 1220); the rise of Theravada traditions after the collapse of the Angkorian civilization; the impact of foreign influences on the development of the nineteenth-century monastic order; and politicized

Buddhism and the Buddhist contribution to an emerging sense of Khmer nationhood. The Buddhism practiced in Cambodia has much in common with parallel traditions in Thailand and Sri Lanka, yet there are also significant differences. The book concentrates on these and illustrates how a distinctly Cambodian Theravada developed by accommodating itself to premodern Khmer modes of thought.

Following the overthrow of Prince Sihanouk in 1970, Cambodia slid rapidly into disorder and violence. Later chapters chart the elimination of institutional Buddhism under the Khmer Rouge and its gradual reemergence after Pol Pot, the restoration of the monastic order's prerevolutionary institutional forms, and the emergence of contemporary Buddhist groupings. *Three Flames*

Routledge  
After three years as a killing field slave, seventeen-year-old Bun Yom escaped from the Khmer Rouge and became a "Freedom Fighter." Using his wisdom, courage, and unprecedented compassion, Bun rescued thousands of Cambodian people and soon became the Cambodian Freedom Army's greatest soldier. This is his story. *Buddhism in a Dark Age*  
Berghahn

<p>Books Army lieutenant colonel Sam Briscoe volunteers for a job in exotic, wartime Cambodia to escape the routines of Pentagon duty and an acrid divorce. His new job gains an unexpected dimension when the Army Chief of Staff assigns Briscoe a secret task while in Cambodia which only the Chief of Staff and an Assistant Secretary of State know about. Once in</p>	<p>Phnom Penh, Briscoes immediate boss, Brigadier General Cleveland, orders him to eliminate phantom soldiers from Cambodian army payrolls. Cleveland also admonishes Briscoe against advising the Cambodians and talking to reporters, particularly American ones. Briscoe quickly discovers that the pay for the non- existent or phantom soldiers goes into the</p>	<p>pockets of their commanders. This introduces him to the fraud and graft rampant in the Cambodian armed forces as well as the government. Briscoes no win job is further complicated by an instantaneous --but forbidden romance-- with American freelance reporter Beth Keller. Once the American ambassador, to whom General Cleveland reports, hears</p>
--	--	---

about the romance, he tries to blackmail Briscoe into coercing Beth to soften her scathing investigative reporting about diplomatic bumbling at the American Embassy. While inspecting Cambodian infantry battalions, Briscoe unwittingly crosses the grey line between advising and assisting about which Cleveland warned. Beth Kellers widely publicized

article in U.S. media highlights Briscoes disobeying the U.S. Congressional edict, as well as his own generals admonition against advising. How Beth and Briscoe solve their personal problems, while balancing their jobs and precarious positions with the ambassador and general, add to the drama of the helicopter evacuation of Americans from Communist-

besieged Phnom Penh. The struggle between the army officer, his general, the ambassador plus an embassy political officer stalking Beth ends with the evacuation. One of the four will be the last American escaping Phnom Penh. Another wont make it. Reproduction, Childbearing and Motherhood Nova Publishers A group of eccentric and war-weary American and

South Vietnamese soldiers during the 1960's band together in zany attempts to sabotage the war effort

Simple recipes, humorous anecdotes, and cartoon illustrations detail an African immigrant family's nomadic past. When Arthur Gardiner escaped the blood and mayhem of war-torn Africa thirty

years ago and arrived in Canada, he brought with him rich memories of an eccentric family and their recipes. In an eclectic compilation of recipes, anecdotes, remedies, and cartoon illustrations, Gardiner intertwines entertaining stories with interesting information about exotic foods and preparations, humorous folkloric cures, and simple ways to cook delicious dishes the entire family

will enjoy. Gardiner's collection includes recipes for watermelon konfyt, marshmallows, green mango chutney, rabbit stew, chicken pie, biltong, fritters, and even ginger beer. Interspersed throughout the collection are helpful hints, inspirational quotes, and laugh-out-loud rules for the home handyman. From an Immigrants Oven shares simple recipes,

amusing anecdotes, and colorful cartoons that detail an African family's nomadic past.

### **Indochina**

Wallflower Press  
Albert Tang was only five years old, but he can still vividly recall that day in 1970 when he opened the front door to his home in Cambodia. He saw a group of armed soldiers had arrived to guard the perimeter of the school where he and his family lived. This signaled the beginning of

the Cambodian civil war—as well as the atrocities and genocide by dictator Pol Pot's communist regime. In this memoir, Albert provides the perspective of a young boy who witnessed the brutal Khmer Rouge in action and who suffered under the communists. Their actions not only devastated the adults living under the regime but also the children who were robbed of the

opportunity to go to school. Many Cambodians fled their country and became refugees in Thailand. Many of them never returned home. But with determination, perseverance, a positive attitude, hard work, and some luck, some of these refugees found the chance to start a new life. Join Albert as he shares an inspiring story of endurance, courage, and hope in The

Road to Freedom. *Cambodian Refugees' Pathways to Success* McFarland People would rather forget. The years of United States involvement in Southeast Asia, the Viet Nam years, ended for most Americans in 1975. For the Cambodian people, whose history seems an endless succession of wars, occupations, and sufferings, 1975 marked the beginning of an era of terror

unknown in previous times. Khmer Rouge soldiers overthrew the corrupt regime of Lon Noi. Literally overnight, whole populations of Cambodian cities were ordered to move to the countryside, under the ruse that America was going to bomb them. The Khmer Rouge tortured and starved the people. Death from disease, malnutrition, and execution were rampant in what became known as the

killing fields. When the horrors of Pol Pot and his regime were followed by the Vietnamese invasion, thousands of surviving Khmers, rather than live under the rule of their traditional enemies, fled and crossed Thailand's borders. In 1979, Charlotte J. Knaub was a public health nursing consultant with the Montana State Department of Health when she was offered a

three-month contract to work in Thailand's refugee camps. As she became aware that the relief operations reflected the unique opportunity for people around the world to join together in relieving the suffering and meeting the desperate needs of the Cambodian refugees, she determined to remain a part of it. Her three-month assignment was extended to thirteen months. This is a memoir of

those life-changing events.

**Cambodian Interlude**

Balboa Press Completely revised and updated, Let's Go: Southeast Asia puts our forty-five years of travel savvy at your fingertips, with helpful commentary and plenty of listings to get you where you need to be. From cosmopolitan Singapore to the most remote villages of Laos, the new edition delivers expanded cultural

information, and more study and volunteering opportunities—the tools that will help you hit the road like a seasoned traveler, not just a tourist. Whether you'd rather tempt Lady Luck at a five-star casino on the Thai-Cambodian border or watch fireflies flit off into the night in Malaysia, Let's Go's intrepid researchers ensure that you're in tune with this quickly changing region.

## **Escaping the Khmer Rouge**

Catapult

As a child growing up in Cambodia, Ronnie Yimsut played among the ruins of the Angkor Wat temples, surrounded by a close-knit community. As the Khmer Rouge gained power and began its genocidal reign of terror, his life became a nightmare. In this stunning

memoir, Yimsut describes how, in the wake of death and destruction, he decides to live. Escaping the turmoil of Cambodia, he makes a perilous journey through the jungle into Thailand, only to be sent to a notorious Thai prison. Fortunately, he is able to reach a refugee camp and ultimately migrate to the

United States, where he attended the University of Oregon and became an influential leader in the community of Cambodian immigrants. Facing the Khmer Rouge shows Ronnie Yimsut's personal quest to rehabilitate himself, make a new life in America, and then return to Cambodia to help rebuild the land of his birth.
