Spanish in *New York* Oxford University Press

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*Trübner's Bibliographical Guide to American Literature; being a classified list of books, in all departments of Literature and Science, published in the United States of America during the last forty years. With an introduction, notes, three appendices and an index* Lippincott Williams & Wilkins

Acclaimed by many as one of the most gifted essayists and stylists in American letters these last few decades, Richard Rodriguez has left an indelible imprint on the tradition of autobiographical writing of the nation. Rodeño's study of the four installments of Rodriguez's self-writing offers an insightful and perspicacious analysis of the evolution and the most controversial elements in this Chicano writer's production so far. Delving deeply into issues of racial and ethnic identity, sexual orientation, religious background, various types of hybridity, and different forms of socio-cultural adaptation, this book presents all kinds of incisive observations about the contested space(s) that "minority" self-writers are often pushed to occupy in the American tradition of the genre.

**Sheila Levine Esta Muerta y Vive En Nueva York** Universitat de València

Meet Sheila Levine, she's smart and funny, and her mother tells her she's beautiful. . . . But her skirt's always a bit wrinkled, she's trying to lose 15 --make that 25-- pounds, she just turned 30 . . . and she's still single. She tries to date, she really does, but disappointment turns to desperation and after a flash of insight, Sheila calmly decides to kill herself. So she starts to get her affairs in order and writes a suicide note to her loving parents to explain it all.

*Tobacco* Simon and Schuster

Edna St. Vincent Millay, Dorothy Parker, Anita Loos, Lois Long, Jessie Fauset, Dawn Powell, Mary McCarthy, and others imagined New York as a place where they could claim professional status, define urban independence, and shrug off confining feminine roles. Their fiction raised questions about what it meant to be a woman in the public eye, how gender roles would change because men and women were working together, and how the growth of the magazine industry would affect women's relationships to their bodies and minds. *Playing Smart* celebrates their causes and careers and pays homage to their literary genius.

*Playing Smart* University of Michigan Press

Spanish in New York is a groundbreaking sociolinguistic analysis of immigrant bilingualism in a U.S. setting. Drawing on one of the largest corpora of spoken Spanish ever assembled for a single city, Otheguy and Zentella demonstrate the extent to which the language of Latinos in New York City represents a continuation of structural variation as it is found in Latin America, as well as the extent to which Spanish has evolved in New York City. Their study, which focuses on language contact, dialectal leveling, and structural continuity, carefully distinguishes between the influence of English and the mutual influences of forms of Spanish with roots in different parts of Latin America. Taking variationist sociolinguistics as its guiding paradigm, the book compares the

Spanish of New Yorkers born in Latin America with that of those born in New York City. Findings are grounded in a comparative analysis of 140 sociolinguistic interviews of speakers with origins in Colombia, Cuba, Dominican Republic, Ecuador, Mexico and Puerto Rico. Quantitative analysis (correlations, anovas, variable hierarchies, constraint hierarchies) reveals the effect on the use of subject personal pronouns of the speaker's gender, immigrant generation, years spent in New York, and amount of exposure to English and to varieties of Spanish. In addition to these speaker factors, structural and communicative variables, including the person and tense of the verb and its referential status, have a significant impact on pronominal usage in New York City.

**106 Maneras Como Los Padres Pueden Ayudar a Los Alumnos** R&L Education

Chronicles the New York City neighborhood's role as a bohemian enclave that became the home of and transformed the lives of individuals who came to the neighborhood to pursue their individual artistic, personal, and political dreams.

**Subject-matter Index of Patents for Inventions Issued by the United States Patent Office from 1790 to 1873** Rutgers University Press

En una época en la que la producción se traslada cada vez más a "países baratos", el futuro del primer mundo está en la innovación y en la creación de tendencias. Por eso los grandes creadores de todos los campos escapan a la crisis. Una coolhunter en Nueva York se dirige a todas aquellas personas interesadas en cazar tendencias antes que nadie en los campos de la moda, la arquitectura, el interiorismo, el diseño y los negocios, las marcas y las empresas, o -¿por qué no? - la vida cotidiana. Escrito con un lenguaje fresco y ameno, a través de las experiencias de su autora en Nueva York aprenderás a descubrir lo que se mueve en la calle y en el terreno de lo social, más importante aún, tu propio manantial de creatividad para poderlo aplicar. Para conseguirlo, en estas páginas encontrarás? La teoría de los 6 grados de separación. De la calle a las Redes Sociales. Secretos de la Gran Manzana. Claves y destinos de moda "cool" para todos los bolsillos. Tendencias determinantes como: Personalízate!! del "Vintage" a la "Customización" pasando por el "Do-it-yourself". "Señales" y "Hotpoints" imprescindibles. Y las tendencias como la clave para pronosticar una nueva realidad. Gema Requena es especialista en Marketing y Comunicación, además de consultora sobre tendencias y estrategias de mercado e innovación para empresas. Además de investigar las redes sociales como "nethunter", es una reputada "coolhunter", una cazatendencias con experiencia en las calles de Nueva York.

*Essential Emergency Trauma* is a concise, reader-friendly, and portable reference on the care of trauma patients in the emergency department. Geared to practicing emergency physicians, residents, and medical students, the book focuses sharply on the key details needed to stabilize and treat trauma patients with a wide variety of injuries. Major sections cover trauma of each anatomic region. Each section opens with a chapter "The First 15 Minutes, Algorithm, and Decision Making". Subsequent chapters focus on specific injury patterns, emphasizing pathophysiology, diagnosis, evaluation, and management. The information is presented in bullet points with numerous tables and images. Each chapter ends with an up-to-date review of the "Best Evidence". *Essential Emergency Trauma* Manchester University Press

Repleto de mapas y dibujos, este libro hace un viaje por todo el mundo que le descubrirá la historia de las ciudades de nuestros orígenes urbanos más antiguos a las del mundo contemporáneo: de Babilonia a Pekín, de Londres a París y de los rascacielos de Nueva York a las calles de su propia ciudad natal.

**Official Register of the United States**

A critical analysis of Latin American writers from the 1960s to the present reveals interesting insights into the ambiguity of the fiction's break from traditional social realism to a representation of realism which is incomprehensible and paradoxical. Swanson (Hispanic studies, State U. of New York, Albany) examines the "new novel's" inconsistencies, political statements, and postmodern intertextuality through the work of Puig, Vargas Llosa, Cabrera, Infante, Fuentes, Donoso, Sainz, Lispector, and Isabel Allende. Distributed by St. Martin's Press. Annotation copyright by Book News, Inc., Portland, OR

*Dreams for Dead Bodies*

What do most experts agree is the single most important activity parents can share with children to help them achieve? How can parents get more involved with their children's school? The facts tell us that children of parents who help them at home and stay in touch with the school typically score higher than children of similar aptitude and family background whose parents are not involved. 106 Ways Parents Can Help Student Achieve, Spanish Version provides a wide array of easy-to-do, parent-tested activities that support student achievement for students at all grade levels. Set of 10 - ISBN 0-8108- 4221-1 \$20.00

*The New York State Reporter*

Manhattan es el escenario donde se representa el último acto de la civilización occidental. Con la explosión demográfica y la invasión de las nuevas tecnologías, Manhattan se ha convertido, desde mediados del siglo XIX, en el laboratorio de una nueva cultura, la de la congestión; una isla mítica donde se hace realidad el inconsciente colectivo de un nuevo modo de vida metropolitano, una fábrica de lo artificial donde lo natural y lo real han dejado de existir. Delirio de Nueva York es un 'manifiesto retroactivo', una interpretación de la teoría no formulada que subyace en el desarrollo de Manhattan; es el relato de las intrigas de un urbanismo que, desde sus inicios en Coney Island hasta los teóricos del rascacielos, ha hecho explotar su retícula de origen. Este libro, polémico y premonitorio (publicado originariamente en 1978), ilustra las relaciones entre un universo metropolitano mutante y la singular arquitectura que puede producir; y afirma también que, con frecuencia, la arquitectura genera la cultura.

*Annual Report of the American Institute of the City of New York*

Includes decisions of the Supreme Court and various intermediate and lower courts of record; May/Aug. 1888-Sept./Dec. 1895, Superior Court of New York City; Mar./Apr. 1926-Dec. 1937/Jan. 1938, Court of Appeals.
