New Headway iTools makes it easy to use interactive whiteboards and digital technology with Headway. Everything about these resources is user-friendly and supportive - and here's why. First, you don't need any special equipment. Just use what you already have in the school - an interactive whiteboard, a computer, a data projector, an ebeam. New Headway iTools works on all of these, and it doesn't matter which brand of whiteboard you have. Second, you get a full-colour Teacher's Guide in the pack. This shows you when and how to use the activities in the lesson, and includes whiteboard tips so you're never without support. The Guide also appears on the disc, for easy access during the lesson. New Headway iTools saves you time, too. How? Pre-selection ... the activities on the disc are pre-selected from the Student's Book. This means you don't need to go through the book deciding which activities are most suitable for the interactive whiteboard - they've already been researched and chosen for that very reason. Just go ahead and use them in class, with confidence.

**American Headway, Level 5A** Oxford University Press, USA

The New Oxford Dictionary of English was first published in 1998 and quickly established itself as the foremost single-volume authority on the English language. This is a major new edition, now without the New in the title, but with all the features that brought world-wide acclaim to the first publication. The Oxford Dictionary of English is at the forefront of language research, focusing on English as it is used today, informed by the most up-to-date evidence and the latest research from the Oxford English Corpus. The dictionary is unique in that it places the central and most frequent meanings of each word first, followed by secondary and technical senses, slang, idioms, and historical and archaic senses. There are over 500 boxed usage notes, giving guidance on all aspects of the language and backed up by extensive analysis of 100s of millions of words of real English. Featuring 355,000 words, phrases, and definitions, this dictionary offers the most comprehensive coverage of English as it is actually used in the twenty-first century. There is also a brand-new set of appendices, covering topics including countries, heads of state, and chemical elements.

**New Headway Advanced Student's Book** OXFORD University Press

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate.
