An introduction to Urdu grammar, covering the rules of pronunciation, categories of word, and Urdu script, this book is ideal for all students of Urdu and especially those who have no background in languages or linguistics. It is written in a non-academic style and does not use complex terminology or irrelevant grammatical categories. As a work of linguistics, it also describes the grammar of a lesser-taught language in an innovative and student-focused manner. No more "articles", "infinitives", "irregular verbs", "prepositions", or "tenses"! Learn grammar

the easiest, most efficient, and least time-consuming way possible with Urdu Grammar.
