Designed as the comprehensive guide to cover letter preparation, the 272-page book shows examples of exciting and door-opening cover letters. The main section of the book shows cover letters by field and industry. For example, job hunters in the accounting field will find examples of cover letters used to blow doors open in the accounting, banking, and financial community. From aviation, to computer operations, to management, to sales, to transportation, cover letters tailored to specific fields are illustrated which can be used as "models" or "templates" for those involved in a job hunt. But what if a job hunter is changing careers or doesn't need a cover letter targeting a specific field or functional area? There's a section showing examples of all-purpose cover letters, career-change cover letters, cover letters for entrepreneurs, and cover letters for those seeking their first job. For those seeking advice on how to respond to ads, how to handle questions about salary requirements, how to request consideration for multiple job openings in the organization, and how to write letters for special situations, there's a section entitled "Sixteen Commonly Asked Questions About Cover Letters (and Job Hunting)."
