Does fear and
insecurity keep you
from looking at your
bank account? Is your
financial anxiety
holding you captive?
You don't have to
stress about money

anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem.

Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your

level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love’s paradigm-shifting system will teach you

how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life. Moms Mean Business Baker Books In Time to Parent, the bestselling organizational guru takes on the ultimate time-management challenge—parenting, from toddlers to teens—with concrete ways to structure and spend true quality time with your kids. Would you ever take a job without a job description, let alone one that requires a lifetime contract? Parents do this every day, and yet there is no instruction manual that offers achievable methods for containing

and organizing the seemingly endless job of parenting. Finding a healthy balance between raising a human and being a human often feels impossible, but Julie Morgenstern shows you how to harness your own strengths and weaknesses to make the job your own. This revolutionary roadmap includes: A unique framework with eight quadrants that separates parenting responsibilities into actionable, manageable tasks—for the whole bumpy ride from cradle to college. Simple strategies to stay truly present and focused, whether you're playing with your kids, enjoying a meal with your significant other, or getting ahead on that big proposal for work.

Clever tips to make the most of in-between time—just 5-15 minutes of your undivided attention has a huge impact on kids. Permission to take personal time without feeling guilty, and the science and case studies that show how important self-care is and how to make time for it. Opening Up Harvard Business Press
A compelling and emotional novel, for fans of Jojo Moyes and Jenny Colgan. 'With a style similar to David Nicholls, Gayle's writing is incisive, lyrical and very beautiful...It's impossible not to fall in love with the Hope family' Irish Independent
Tom Hope is broken. Ever since his wife Laura died he hasn't been the same

man, and definitely not the same father. Luckily for Tom his mother-in-law Linda is around to pick up the pieces and look after his two struggling daughters, Evie and Lola. But Tom getting arrested on the first anniversary of his wife's death is the last straw for Linda. In a last bid attempt to make Tom reconnect with his daughters she takes drastic action and leaves for Australia. With two fast-maturing daughters Tom has to learn how to accept his responsibilities and navigate the newly discovered world of single fatherhood - starting immediately. With only himself to rely on, will Tom fall back into grief or finally step up and be the father his girls

need? Mike's new novel, *The Man I Think I Know*, is out now!

Zondervan
"Mama Natural's Week to Week Guide to Pregnancy is the modern (and yet ancient) approach to pregnancy and childbirth. "Natural" recognizes that pregnancy and birth are normal, and that having a baby is a wondrous biological process and rite of passage--not a medical condition. This book draws upon the latest research showing how beneficial and life-changing natural birth is for both babies and moms. Full of weekly advice and tips for a healthy pregnancy, Grace details vital nutrition to take, natural remedies for

common and troublesome symptoms, as well as the appropriate (and inappropriate) use of interventions.

Pregnancy, childbirth, health, health and wellness, parenting, family"--

Infinite Jest Chronicle Books

Dump the allowance- and use a new "Family Economy" to raise responsible children in an age of instant gratification. Number-one New York Times bestselling authors Richard and Linda Eyre, have spent the last twenty-five years helping parents nurture strong, healthy families. Now they've synthesized their vast experience in an essential blueprint to instilling children with a sense of ownership, responsibility, and self-

sufficiency. At the heart of their plan is the "Family Economy" complete with a family bank, checkbooks for kids, and a system of initiative-building responsibilities that teaches kids to earn money for the things they want. The motivation carries over to ownership of their own decisions, values, and goals. Anecdotal, time-tested, and gently humorous, *The Entitlement Trap* challenges some of the sacred cows of parenting and replaces them with values that will save kids (and their parents) from a lifetime of dependence and disabling debt. *Deliberate Motherhood* Workman Publishing Company Those perfect recipes that work for every occasion throughout

the year: all collected here for any family.

Fitness, Technology and Society

Harvard Business Review Press
A Powerful Approach to Bringing God's Grace to Kids Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With

warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid.

The Family Firm
Rowman & Littlefield

Including a foreword by Henry Louis Gates Jr., *Opening Up* is a chronicle of the struggles and triumphs of families suffering the internalized stresses from poverty, domestic abuse, racism, and neighborhood violence, among other challenges. Through *Parenting Journey* these families resolve harmful habits and identify their strengths to raise their children in a healthier environment. Anne Peretz tells the story of this bold organization and flagship therapeutic group program that takes a different approach to helping families in need. Told through the perspectives of the families who have participated over the decades, *Opening Up* challenges readers to

think differently about family. These stories view symptoms of stress, fear, and hopelessness that extend throughout generations as remediable and how even the severely traumatized can regain stability. This book is a testament that with mutual respect, compassion, and openness, together we can address the personal and systemic injustices that are at the roots of many of these patterns and together we can rebuild these communities.

"God, I need you to do something in my children!" Have those words found their way into your desperate prayers? Do you feel helpless to know how to equip your children for this world and all it throws at them? If so, you're not alone. When Brooke McGlothlin realized her best efforts were falling woefully short of her goal to produce godly children, she discovered the joy and power of praying Scripture over her family. Her life and her children's lives were

transformed. Yours can be too. Complete with prayers for specific situations, this encouraging book is perfect for times when you · feel too busy to pray, · don't know what or how to pray, · don't know if your prayers really matter. Nothing is more powerful and faith-building than praying God's Word for those you love.

Become a mom full of hope in the God who can, even if you can't.

"Praying Mom is the prayer mentor you've always wanted from a mom who absolutely lives this message on her knees."--STACEY THACKER, author of Threadbare Prayer

God Gave Us Families Seven

Stories Press

New York Times best seller Ever since Gabrielle Stanley Blair

became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. She provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

The Simplified Planner
Radius Book Group

A new voice in comics is incisive, funny, and fiercely feminist. "The mental load. It's incessant, gnawing, exhausting, and disproportionately falls to women. You know the scene--you're making dinner, calling the plumber/doctor/mechanic, checking

homework and answering work emails--at the same time. All the while, you are being peppered with questions by your nearest and dearest 'where are my shoes?', 'do we have any cheese?...'" --Australian Broadcasting Corp on Emma's comic In her first book of comic strips, Emma reflects on social and feminist issues by means of simple line drawings, dissecting the mental load, ie all that invisible and unpaid organizing, list-making and planning women do to manage their lives, and the lives of their family members. Most of us carry some form of mental load--about our work, household responsibilities, financial obligations and personal life; but

what makes up that burden and how it's distributed within households and understood in offices is not always equal or fair. In her strips Emma deals with themes ranging from maternity leave (it is not a vacation!), domestic violence, the clitoris, the violence of the medical world on women during childbirth, and other feminist issues, and she does so in a straightforward way that is both hilarious and deadly serious.. If you're not laughing, you're probably crying in recognition. Emma's comics also address the everyday outrages and absurdities of immigrant rights, income equality, and police violence. Emma has over 300,000 followers on Facebook,

her comics have been shared 215,000 times, and have elicited comments from 21,000 internet users. An article about her in the French magazine L'Express drew 1.8 million views--a record since the site was created. And her comic has just been picked up by The Guardian. Many women will recognize themselves in THE MENTAL LOAD, which is sure to stir a wide ranging, important debate on what it really means to be a woman today.

The Giving Manger

Routledge

There are 9 million women-owned businesses in the United States; they account for \$1.3 trillion in revenue. American women are starting businesses at a rate twice that of men. Most

of these women are also moms. What does it take to be successful as both a mom and as an entrepreneur? Moms Mean Business gives existing and potential mom business owners the encouragement, advice, and healthy dose of “how-to” they need. In this helpful guide, you will create a customized strategy that includes: A personal definition of success in both life and business—and the way to achieve it The tools needed to manage time and productivity when your priorities as a mom and business owner conflict A mom-friendly business plan to get you focused An approach to self-care that allows you to handle all that’s thrown your way Tips, checklists, and

guidance to quickly solve the problems mom entrepreneurs encounter Behind-the-scenes stories and advice from well-known mom entrepreneurs make Moms Mean Business fun to read and full of that all-important “me, too!” factor. It is inspiring, motivating, and, above all, practical.

Darth Vader and Family Coloring Book
Harper Collins

Manage the competing demands of working motherhood. As a working mother, you often draw the short straw. You carry most of the burden of caregiving and household chores, and your career can suffer because of it. Bosses and coworkers assume that since you're focused on your family,

you don't prioritize work. But when you choose your job over quality time with your kids, it feels like you're letting down the people you love most. The HBR Working Moms Collection can help you alleviate this tension. Drawing on the wisdom of world-class experts and parents alike, it will help you strike the right balance between family and work so you can prioritize what matters most and feel fulfilled in all areas of your life. The six books in this set—*Advice for Working Moms*, *Getting It All Done*, *Managing Your Career*, *Taking Care of Yourself*, *Communicate Better with Everyone*, and *Two-Career Families*—will teach you how to transition back to work

effectively, eliminate working-mom guilt, balance being a caregiver with being an employee, prioritize time to address your personal needs, communicate successfully with your employer and with your family, and navigate being part of a two-career family. There's no one simple answer or foolproof tip to make working motherhood easy, but the strategies in this collection can help set you on a path toward finding success, both in your career and as a mom. The HBR Working Parents Series with Daisy Dowling, Series Editor, supports readers as you anticipate challenges, learn how to advocate for yourself more effectively, juggle your impossible schedule,

and find fulfillment at home and at work. Whether you're up with a newborn or planning the future with your teen, you'll find the practical tips, strategies, and research you need to make working parenthood work for you.

Time to Parent

Harvest House
Publishers

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives;

about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." -- Sven Birkerts, *The Atlantic*
[The Blue Book of Grammar and](#)

Punctuation Peter Pauper Press
