 Mothers and daughters share a special bond. . . why not further this bond through reading together? Book clubs have been growing in popularity over the past ten years, started by a variety of people with various interests and goals. Mother-daughter book clubs offer a great way for families to grow and share — with each other and with other mother-daughter pairs. In Book by Book Cindy Hudson offers all the how-to tips mothers need to start their own successful book clubs. Hudson offers her own firsthand experience as the founder of two long-running successful mother-daughter book clubs. Hudson offers suggestions on books topics, club guidelines, and how to keep the club going as daughters grow older. How big should the club be? Whom should we invite? How often should we meet? How do we make sure we actually read the books? Hudson has all the answers. With recommended book lists (divided by four age groups), online resources, and suggested recipes for book-club treats, Book by Book is a great resource for helping moms and daughters form new memories and traditions.

The Storm in the Barn OUP Oxford
 Harryette Mullen's fifth poetry collection, *Sleeping with the Dictionary*, is the abecedarian offspring of her collaboration with two of the poet's most seductive writing partners, Roget's Thesaurus and The American Heritage Dictionary. In her ménage à trois with these faithful companions, the poet is aware that while Roget seems obsessed with categories and hierarchies, the American Heritage, whatever its faults, was compiled with the assistance of a democratic usage panel that included black poets Langston Hughes and Arna Bontemps, as well as feminist author and editor Gloria Steinem. With its arbitrary yet determinant alphabetical arrangement, its gleeful pursuit of the ludic pleasure of word games (acrostic, anagram, homophone, parody, pun), as well as its reflections on the politics of language and dialect, Mullen's work is serious play. A number of the poems are inspired or influenced by a technique of the international literary avant-garde group Oulipo, a dictionary game called S+7 or N+7. This method of textual transformation—which is used to compose nonsensical travesties reminiscent of Lewis Carroll's "Jabberwocky"—also creates a kind of automatic poetic discourse. Mullen's parodies reconceive the African American's relation to the English language and Anglophone writing, through textual reproduction, recombining the genetic structure of texts from the Shakespearean sonnet and the fairy tale to airline safety instructions and unsolicited mail. The poet admits to being "licked all over by the English tongue," and the title of this book may remind readers that an intimate partner who also gives language lessons is called, euphemistically, a "pillow dictionary."

Narrative Writing Lorenz Educational Press
 A thousand years ago, a young Japanese girl embarked on a journey from deep in the countryside of eastern Japan to the capital. Forty years later, with the long account of that journey as a foundation, the mature woman skillfully created an autobiography that incorporates many moments of heightened awareness from her long life. Married at age thirty-three, she identified herself as a reader and writer more than as a wife and mother; enthralled by fiction, she bore witness to the dangers of romantic fantasy as well as the enduring consolation of self-expression. This reader's edition streamlines Sonja Arntzen and Moriyuki Itō's acclaimed translation of the Sarashina Diary for general readers and classroom use. This translation captures the lyrical richness of the original text while revealing its subtle structure and ironic meaning, highlighting the author's deep concern for Buddhist belief and practice and the juxtaposition of poetic passages and narrative prose. The translators' commentary offers insight into the author's family and world, as well as the style, structure, and textual history of her work.

Homesick Columbia University Press
 A Newbery Honor book! Jean Fritz's award-winning account of her life in China, and to honor this story, it is only fitting that it be added to our prestigious line of Puffin Modern Classics. This fictionalized autobiography tells the heartwarming story of a little girl growing up in an unfamiliar place. While other girls her age were enjoying their childhood in America, Jean Fritz was in China in the midst of political unrest. Jean Fritz tells her captivating story of the difficulties of living in a unfamiliar country at such a difficult time. * "A remarkable blend of truth and storytelling."

—Booklist, starred review * "An insightful memory's-eye-view of her childhood . . . Young Jean is a strong character, and many of her reactions to people and events are timeless and universal." —School Library Journal, starred review "Told with an abundance of humor—sometimes wry, sometimes mischievous and irreverent—the story is vibrant with atmosphere, personalities, and a palpable sense of place." —The Horn Book "Every now and then a book comes along that makes me want to send a valentine to its author. Homesick is such a book . . . Pungent and delicious."

—Katherine Paterson, The Washington Post

 A picture book masterpiece from Caldecott medal winner Allen Say now available in paperback! Lyrical, breathtaking, splendid—words used to describe Allen Say's Grandfather's Journey when it was first published. At once deeply personal yet expressing universally held emotions, this tale of one man's love for two countries and his constant desire to be in both places captured readers' attention and hearts. Fifteen years later, it remains as historically relevant and emotionally engaging as ever.

The Art of Renaissance Europe Simon and Schuster
 Why do authors use pseudonyms and pen-names, or ingeniously hide names in their work with acrostics and anagrams? How has the range of permissible given names changed and how is this reflected in literature? Why do some characters remain mysteriously nameless? In this rich and learned book, Alastair Fowler explores the use of names in literature of all periods - primarily English but also Latin, Greek, French, and Italian - casting an unusual and rewarding light on the work of literature itself. He traces the history of names through Homer, Spenser, Shakespeare, Milton, Thackeray, Dickens, Joyce, and Nabokov, showing how names often turn out to be the thematic focus. Fowler shows that the associations of names, at first limited, become increasingly salient and sophisticated as literature itself develops.

The Publishers' Circular and Booksellers' Record Metropolitan Museum of Art
 Works in the Museum's collection that embody the Renaissance interest in classical learning, fame, and beautiful objects are illustrated and discussed in this resource and will help educators introduce the richness and diversity of Renaissance art to their students. Primary source texts explore the great cities and powerful personalities of the age. By studying gesture and narrative, students can work as Renaissance artists did when they created paintings and drawings. Learning about perspective, students explore the era's interest in science and mathematics. Through projects based on poetic forms of the time, students write about their responses to art. The activities and lesson plans are designed for a variety of classroom needs and can be adapted to a specific curriculum as well as used for independent study. The resource also includes a bibliography and glossary.

 Survive. At any cost. 10 concentration camps. 10 different places where you are starved, tortured, and worked mercilessly. It's something no one could imagine surviving. But it is what Yanek Gruener has to face. As a Jewish boy in 1930s Poland, Yanek is at the mercy of the Nazis who have

taken over. Everything he has, and everyone he loves, have been snatched brutally from him. And then Yanek himself is taken prisoner -- his arm tattooed with the words PRISONER B-3087. He is

forced from one nightmarish concentration camp to another, as World War II rages all around him. He encounters evil he could have never imagined, but also sees surprising glimpses of hope amid the horror. He just barely escapes death, only to confront it again seconds later. Can Yanek make it

through the terror without losing his hope, his will -- and, most of all, his sense of who he really is inside? Based on an astonishing true story.
