ANGELIQUE WALLS

Due Process Penguin

One of the most beloved and bestselling novels of spiritual adventure ever published, Ishmael has earned a passionate following. This special twenty-fifth anniversary edition features a new foreword and afterword by the author. "A thoughtful, fearlessly low-key novel about the role of our species on the planet . . . laid out for us with an originality and a clarity that few would deny."—The New York Times Book Review Teacher Seeks Pupil. Must have an earnest desire to save the world. Apply in person. It was just a three-line ad in the personals section, but it launched the adventure of a lifetime. So begins an utterly unique and captivating novel. It is the story of a man who embarks on a highly provocative intellectual adventure with a gorilla—a journey of the mind and spirit that changes forever the way he sees the world and humankind's place in it. In Ishmael, which received the Turner Tomorrow Fellowship for the best work of fiction offering positive solutions to global problems, Daniel Quinn parses humanity's origins and its relationship with nature, in search of an answer to this challenging question: How can we save the world from ourselves? Explore Daniel Quinn's spiritual Ishmael trilogy: ISHMAEL • MY ISHMAEL • THE STORY OF B Praise for Ishmael "As suspenseful, inventive, and socially urgent as any fiction or nonfiction you are likely to read this or any other year."—The Austin Chronicle "Before we're halfway through this slim book . . . we're in [Daniel Quinn's] grip, we want Ishmael to teach us how to save the planet from ourselves. We want to change our lives."—The Washington Post "Arthur Koestler, in an essay in which he wondered whether mankind would go the way of the dinosaur, formulated what he called the Dinosaur's Prayer: 'Lord, a little more time!' Ishmael does its bit to answer that prayer and may just possibly have bought us all a little more time."—Los Angeles Times

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path

from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

The FBI Story Houghton Mifflin

Aggressive policing and draconian sentencing have disproportionately imprisoned millions of African Americans for drug-related offenses. Michael Javen Fortner shows that in the 1970s these punitive policies toward addicts and pushers enjoyed the support of many working-class and middle-class blacks, angry about the chaos in their own neighborhoods.

Lending Power Seren

2020 J. ANTHONY LUKAS PRIZE WINNER From the bestselling author of *There Are No Children Here*, a richly textured, heartrending portrait of love and death in Chicago's most turbulent neighborhoods. The numbers are staggering: over the past twenty years in Chicago, 14,033 people have been killed and another roughly 60,000 wounded by gunfire. What does that do to the spirit of individuals and community? Drawing on his decades of experience, Alex Kotlowitz set out to chronicle one summer in the city, writing about individuals who have emerged from the violence and whose stories capture the capacity--and the breaking point--of the human heart and soul. The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in

America. Among others, we meet a man who as a teenager killed a rival gang member and twenty years later is still trying to come to terms with what he's done; a devoted school social worker struggling with her favorite student, who refuses to give evidence in the shooting death of his best friend; the witness to a wrongful police shooting who can't shake what he has seen; and an aging former gang leader who builds a place of refuge for himself and his friends. Applying the close-up, empathic reporting that made *There Are No Children Here* a modern classic, Kotlowitz offers a piercingly honest portrait of a city in turmoil. These sketches of those left standing will get into your bones. This one summer will stay with you.

I Let You Go Subjudica House

Commemorating Bruce Springsteen's twenty-five years as a recording artist, here is a panoramic view of his career in a form never seen before. This is the complete collection of Bruce Springsteen's recorded lyrics, illustrated with hundreds of never-before-published images from some of rock & roll journalism's greatest photographers, including Annie Leibovitz, David Gahr, Lynn Goldsmith, Bruce Weber, and many others. From Jim Marchese's informal backstage shots during the European leg of the 1980 *The River* tour to Neal Preston's amazing documentation of the *Born in the U.S.A.* days to Pam Springsteen's portraits showing a side of the musician rarely seen by the public, this is the most intimate look at Bruce Springsteen ever published. The photos and lyrics are accompanied by original commentary by Springsteen, in which he reflects on the songs, the performances, and the quarter-century career that for many defines the American dream. In words and in pictures, here is the one book no Bruce Springsteen fan can afford to be without.

An Innocent Client Mulholland Books

America's problem with race has deep roots, with the country's foundation tied to the near extermination of one race of people and the enslavement of another. Racism is truly our nation's original sin. "It's time we right this unacceptable wrong," says bestselling author and leading Christian activist Jim Wallis. Fifty years ago, Wallis was driven away from his faith by a white church that considered dealing with racism to be taboo. His participation in the civil rights movement brought him back when he discovered a faith that commands racial justice. Yet as recent tragedies confirm, we continue to suffer from the legacy of racism. The old patterns of white privilege are colliding with the changing demographics of a diverse nation. The church has been slow to respond, and Sunday morning is still the most segregated hour of the week. In *America's Original Sin*, Wallis offers a prophetic and deeply personal call to action in overcoming the racism so ingrained in American society. He speaks candidly to Christians--particularly white Christians--urging them to cross a new bridge toward racial justice and healing. Whenever divided cultures and gridlocked power structures fail to end systemic sin, faith communities can help lead the way to grassroots change. Probing yet positive, biblically rooted yet highly practical, this book shows people of faith how they can work together to overcome the embedded racism in America, galvanizing a movement to cross the bridge to a multiracial church and a new America.

What Does it Mean to be White? Thomas & Mercer

What if your boss wanted you to spy...on the U.S. government? There is no job description and the job isn't advertised anywhere, not even on the Job Board at Georgetown Law. But Thaddeus Murfee just graduated from law school and has \$200 left from his student loan. He is so broke he has to

borrow his roommate's suit for his first job interview. While he is so desperate to earn rent and food money, he fails to nail down exactly what it is he'll be doing. They tell him a U.S. Attorney is selling government secrets...But is he, really? Thaddeus Murfee likes his new boss, the U.S. Attorney. Good things happen and gifts flow his way. What's not to like? The government lawyer even has a daughter he wants Thaddeus to meet. Were the people who hired him just totally wrong about the guy selling government secrets? What proof do they actually have of this serious accusation? Meet the foreign agents who will pay top dollar for U.S. war plans... This thrilling collection of good-lawyers/bad-lawyers will keep you up late at night. Beware you might show up late for work. But when you get to work you just might find everyone talking about this new, exciting romp through the backstreets of Washington, D.C. On one side, a new, innocent lawyer just out of school. On the other side, the full force and might of the U.S. government. Watch from your front-row seat as it plays out and careers are built and ruined while lives are won and lost.

A lawyer who won't quit on you-- Thaddeus Murfee is 25, a lawyer of 18 months, and completely unprepared for the murder case that walks in. While Ermeline was passed out, her date carved his name in her breasts. Her date is found murdered. Ermeline is arrested because she had motive and opportunity. She hires Thaddeus, who makes his debut defending his first murder case in this courtroom drama. In *The Defendants*, John Ellsworth offers you a courtroom thriller that puts you right on the front row to witness how murder cases are defended. See the politics behind all criminal cases, and how love can grow out of the strangest beginnings anyone could imagine. In the end, Thaddeus is given a split second to save his own life. His reaction in this crime fiction is amazing! "Fast-paced courtroom drama that makes the pages turn with its depiction of the American Legal Justice System, Mob rule, and the tale of one rookie lawyer who refused to quit!" - American Institute of Justice "Legal drama in the first degree!" - Amazon Five Star Review Thaddeus Murfee novel categories include: Legal Thrillers, Crime Thrillers, Legal Suspense, Lawyer Mysteries, Crime Fiction, Mystery Series, Heist Thrillers, Organized Crime, Courtroom Thrillers, Courtroom Drama, Lawyer Novels, Legal Fiction

Department of Justice Report Regarding the Criminal Investigation Into the Shooting Death of Michael Brown by Ferguson, Missouri Police Officer Darren Wilson Thomas & Mercer

Burned out defense attorney Joe Dillard, against his better judgment, takes the case of Angel Christian, a waitress in a strip club, who is accused of stabbing a preacher to death in a Tennessee motel--a case that is linked to his own deeply troubled sister and a vindictive detective. Original. America's Original Sin Peter Lang Pub Incorporated

An Amazon Top 20 bestseller.***Each Joe Dillard novel can be read as a standalone.***A Supreme Court Justice is found cut into pieces in the back of a pick-up truck. Three other judges have already gone missing. In the eighth installment of Scott Pratt's best-selling Joe Dillard Series, Dillard is hired to represent the man driving the pick-up. As Dillard delves into the case, he comes to believe his client is not guilty. But who is? Who has been kidnapping and killing judges all over the state of Tennessee? The search for that answer leads Dillard and his friend, Sheriff Leon Bates, down a path so dark and so dangerous to a villain so evil, it will change both Joe and Leon forever -- if they

manage to survive."Pratt's richly developed characters are vivid and believable, especially the strong Southern women who fight their male-dominated culture from behind a facade of vulnerability." -Publisher's Weekly

Ishmael Mulholland Books

A restaurant owner is found brutally tortured and murdered on a Texas ranch. A rural fighter is desperately trying to escape a dark past and the demons that dwell there. In the second installment of the bestselling Billy Beckett series, Billy is desperately trying to pick up the pieces a year after the sensational kidnapping of his star client and the tragic deaths of his brother and a close friend. The formerly unshakable sports agent isn't sure how to play the game anymore. Despite this, he's quickly thrust into two volatile situations with danger and deceit lurking at every turn. Will Billy be able to put it all on the line for his clients? Or will he succumb to the crushing pressure of the highest possible stakes?"Pratt's richly developed characters are vivid and believable..." -- Publisher's Weekly
Judgment Cometh (And That Right Soon) Brazos Press

This book re-conceptualizes energy justice as a unifying agenda for scholars and practitioners working on the issues faced in the trilemma of energy security, poverty and climate change. McCauley argues that justice should be central to the rebalancing of the global energy system and also provides an assessment of the key injustices in our global energy systems of production and consumption. Energy Justice develops a new innovative analytical framework underpinned by principles of justice designed for investigating unfairness and inequalities in energy availability, accessibility and sustainability. It applies this framework to fossil fuel and alternative low carbon energy systems with reference to multiple case studies throughout the world. McCauley also presents an energy justice roadmap that inspires new solutions to the energy trilemma. This includes how we redistribute the benefits and burdens of energy developments, how to engage the new energy 'prosumer' and how to recognise the unrepresented. This book will appeal to academics and students interested in issues of security and justice within global energy decision-making.

Black Buck Bantam

This is the best and most authoritative guide to classic and contemporary children's literature today. It is the latest in the best-selling 1001 series, and its informative reviews are the key to differentiating the "must-read" books from all the rest in the realm of children's books. Whether you are a parent seeking to instill a love of reading in your child, an educator or counselor looking for inspiration, or a young reader with a voracious appetite, this guide to the best writing for children and young adults covers the spectrum of children's literature. It is organized by age group—from board books to YA novels and all the gradations in between. Each entry features evaluations by a team of international critics complete with beautifully reproduced artwork from the featured title. The beloved classics are here, but the guide also takes a global perspective and includes the increasingly diverse contributions from African American and Latino authors and illustrators—not to mention important books from around the world.

Mongrels Penguin

The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a

curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss Defy Me, the shocking fifth book in the Shatter Me series!

Justice Redeemed HarperCollins

This exploration of the effects of lynching in the U.S. speaks powerfully to us in these times that have witnessed the creation of the Legacy Museum and the National Memorial for Peace and Justice. Nearly five thousand black Americans were lynched between 1890 and 1960, and the effects of this racial trauma continue to resound. Inspired by South Africa's Truth and Reconciliation Commission, and drawing on techniques of restorative justice, Sherrilyn Ifill, president and director-counsel of the NAACP Legal Defense and Educational Fund, offers concrete ways for communities to heal. She also issues a clarion call for communities with histories of racial violence to be proactive in facing this legacy. This revised edition speaks powerfully to us in these times that have witnessed the creation of the Legacy Museum and the National Memorial for Peace and Justice in Montgomery, Alabama. A new foreword from Bryan Stevenson helps readers to better understand contemporary struggles and come to terms with the legacy of racial terror in the United States. In a new afterword, Ifill reflects on the recent strides made throughout the country to break the silence surrounding lynching and to recognize the victims of violence.

The Hound of Justice Simon and Schuster

50th Anniversary Edition • With an introduction by Caitly Weaver, acclaimed New York Times journalist This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Also a major motion picture directed by Terry Gilliam, starring Johnny Depp and Benicio del Toro.

An American Summer Aperture

NEW YORK TIMES BESTSELLER • The groundbreaking investigation of how the global elite's efforts to "change the world" preserve the status quo and obscure their role in causing the problems they later seek to solve. An essential read for understanding some of the egregious abuses of power that dominate today's news. "Impassioned.... Entertaining reading." —The Washington Post Anand Giridharadas takes us into the inner sanctums of a new gilded age, where the rich and powerful fight for equality and justice any way they can—except ways that threaten the social order and their position atop it. They rebrand themselves as saviors of the poor; they lavishly reward "thought leaders" who redefine "change" in ways that preserve the status quo; and they constantly seek to do more good, but never less harm. Giridharadas asks hard questions: Why, for example, should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes? His groundbreaking investigation has already forced a great, sorely needed reckoning among the world's wealthiest and those they hover above, and it points toward an answer: Rather than rely on scraps from the winners, we must take on the grueling democratic work of building more robust, egalitarian institutions and truly changing the world—a call to action for elites and everyday citizens alike.

Deep Threat Thomas & Mercer

The Department conducted an extensive investigation into the shooting of Michael Brown. Federal authorities reviewed physical, ballistic, forensic, and crime scene evidence; medical reports and autopsy reports, including an independent autopsy performed by the United States Department of Defense Armed Forces Medical Examiner Service ("AFMES"); Wilson's personnel records; audio and video recordings; and internet postings. FBI agents, St. Louis County Police Department ("SLCPD") detectives, and federal prosecutors and prosecutors from the St. Louis County Prosecutor's Office ("county prosecutors") worked cooperatively to both independently and jointly interview more than 100 purported eyewitnesses and other individuals claiming to have relevant information. SLCPD detectives conducted an initial canvass of the area on the day of the shooting. FBI agents then independently canvassed more than 300 residences to locate and interview additional witnesses. Federal and local authorities collected cellular phone data, searched social media sites, and tracked down dozens of leads from community members and dedicated law enforcement email addresses and tip lines in an effort to investigate every possible source of information.

1001 Children's Books You Must Read Before You Grow Up Vintage

Former defense attorney Darren Street is desperately trying to put his life back together after spending two years in a maximum-security prison for a murder he didn't commit. He's rebuilding his law practice, reconnecting with his son, and falling more deeply in love with his girlfriend, fellow attorney Grace Alexander. But the past casts a long shadow, and for Street, there's no outrunning it. Tormented by nightmares and violent mood swings, Street is seeking treatment for PTSD when a

new trauma shakes his world: his mother is killed in an explosion, but the police believe Street was the intended target. Payback from an old enemy, or the calling card of a deadly new foe? Whoever's behind it, Street begins to lose his grip on reality and decides to take matters in his own hands. And the law won't stop him from revenge. Justice has a new name: Darren Street.

The Dossier Harvard University Press

Dr. Janet Watson and covert agent Sara Holmes, introduced in the acclaimed *A Study in Hour*, continue their dangerous investigation into the new American Civil War with the help of fresh allies, advanced technology, and brilliant deduction in this superb reimagining of Sherlock Holmes. It's been two months since Dr. Janet Watson accepted an offer from Georgetown University Hospital. The training for her new high-tech arm is taking longer than expected, however, leaving her in limbo. Meanwhile, her brilliant friend and compatriot, Sara Holmes, has been placed on leave--punishment for going rogue during their previous adventure. After an extremist faction called the Brotherhood of Redemption launched a failed assassination attempt on the president that caused mass destruction, Holmes, who is now operating in the shadows, takes on the task of investigating the Brotherhood. Holmes is making progress when she abruptly disappears. When Watson receives a mysterious message from Holmes's cousin Micha that indicates that Sara Holmes' disappearance might be connected to the Brotherhood and to Adler Industries, Watson and Micha go on a high-stakes mission to reunite with Holmes once more. Together, Watson, Holmes and Micha embark on a thrilling, action-packed journey through the deep South to clear Holmes's name, thwart the Brotherhood's next move, and most important, bring their nemesis to justice for the atrocities she's committed in the New Civil War.
