The Emerald Tablets of Thoth-The-Atlantean HarperCollins UK

The collection Croatian Tales of Long Ago is considered to be a masterpiece and features a series of newly written fairy tales heavily inspired by motifs taken from ancient Slavic mythology of pre-Christian Croatia. Croatian Tales of Long Ago are seen as one of the most typical examples of the writing style of Ivana Brlić-Mažuranić. The book has been compared by literary critics to Hans Christian Andersen and J. R. R. Tolkien due to the way it combines original fantasy plots with folk mythology.

The Ice Dragon Transworld Pub

On December 21, 2012, the Mayan calendar will end. Many see it as an apocalyptic sign. But is it? In *The Twelfth Insight*, the long-awaited fourth book in the beloved Celestine Series, we again follow our Hero and his close friend Wil. They have just received a portion of another ancient and mysterious manuscript that describes a secret approach to spirituality that is silently arriving in the second decade of the 21st Century. But the manuscript is only available in fragments. To understand its full meaning for mankind, our Hero and Wil begin an urgent search to find the message in its entirety. As they embrace the power of Synchronicity and begin their search, they are confronted by powerful political forces and religious extremists that stand in the way of these spiritual revelations. Utilizing what he calls the "parable effect," and based on his own sources, James Redfield explores the similarities and differences that exist among the world religions, revealing the essential messages contained within them that can energize our experience of spirituality-- and

produce a new wave of integrity and reform that can transform our lives and our world.

This eBook edition features exclusive bonus content, Conn Iggulden's original short story "Fig Tree." One of history's most notorious assassinations sets the stage for a riveting tale of political intrigue, epic battle, and righteous retribution in a new novel of ancient Rome from #1 New York Times bestselling author Conn Iggulden. *THE BLOOD OF GODS* Julius Caesar has been cut down. His blood stains the hands of a cabal of bold conspirators, led by famed general Marcus Brutus—whom Caesar once called a friend. Have these self-proclaimed liberators bravely slain a power-mad tyrant or brutally murdered the beloved Father of Rome? Hailed as heroes by a complicit Senate and granted amnesty, the killers eagerly turn toward plotting the empire's future under their control. But Caesar's death does not rest easily with all of Rome. For two men whose bonds of friendship, family, and fidelity to the emperor are unbreakable, the shocking assassination is nothing less than treason. And those responsible must pay with their lives. Through countless battles and years of peace, Marc Antony has wielded a sword and raised a cup at Caesar's side. Now, in the wake of the cold-blooded coup, he is powerless against the political might of Brutus and his treacherous senators. Yet with no weapons other than eloquence

and outrage, Antony will turn the tide of public opinion and spark a rebellion that will set the streets of Rome ablaze. At the same time, Gaius Octavian, adopted son and chosen heir of Caesar, has gained wealth and influence beyond imagining. But the soul-deep wound of his father's death will never be healed by gold or power. He will rest only with the blood of the killers on his blade. Drawn together by their common cause, Antony and Octavian marshal their forces into an avenging army on a mission to reunite all that Caesar's fall has torn asunder. Even as his cohorts flee for their lives—or fall prey to vigilantes—a defiant Brutus vows never to relinquish what his ruthless ambition has won him. As opposing legions join in mortal combat, the destiny of Rome will turn on which of their commanders is the mightiest and most cunning. Marking the author's triumphant return to the setting of his celebrated Emperor series, *The Blood of Gods* unfolds with unmatched power, electric with the high-adventure storytelling, captivating historical detail, and stirring battle scenes for which Conn Iggulden is renowned. Praise for Conn Iggulden's Empire series "Dramatic historical fiction to keep adults turning pages like enthralled kids . . . [Iggulden] is a grand storyteller. . . . A spirited, entertaining read."—USA Today "Exhilarating . . . Words like 'brilliant,' 'sumptuous' and 'enchanted' jostle to be used, but scarcely convey the way Iggulden brings the schoolbook tale to life, or the compelling depictions of battle, treachery and everyday detail in a precarious world well lost but vividly re-created."—Los Angeles Times "What Robert Graves did for Claudius, Conn Iggulden now does for the most famous Roman emperor of them all—Julius Caesar."—William Bernhardt, author of *Criminal Intent* "[Iggulden] excels at describing battle scenes both small-scale and epic."—The Seattle Times "Utterly marvelous . . . Solid research and a real knack for character

development bring [Julius Caesar] to life in a truly magical, electrifying way."—The Telegram (St. John's, Newfoundland)
The Walnut Mansion Good Press

This grand novel encompasses nearly all of Yugoslavia's tumultuous twentieth century, from the decline of the Austro-Hungarian and Ottoman Empires through two world wars, the rise and fall of communism, the breakup of the nation, and the terror of the shelling of Dubrovnik. Tackling universal themes on a human scale, master storyteller Miljenko Jergovic traces one Yugoslavian family's tale as history irresistibly casts the fates of five generations. What is it to live a life whose circumstances are driven by history? Jergovic investigates the experiences of a compelling heroine, Regina Delavale, and her many family members and neighbors. Telling Regina's story in reverse chronology, the author proceeds from her final days in 2002 to her birth in 1905, encountering along the way such traumas as atrocities committed by Nazi Ustashe Croats and the death of Tito. Lyrically written and unhesitatingly told, *The Walnut Mansion* may be read as an allegory of the tragedy of Yugoslavia's tormented twentieth century.

A Dictionary of Tolkien Bantam

Arranged in a handy A-Z format, *A Dictionary of Tolkien* explores and explains the creatures, plants, events and places that make up these strange and wonderful lands. Wyrd Sisters Draganic

"This book is truly epic. . . . The reader will probably wish there was a thousand more pages." —The Huffington Post Picking up where *Fall of Giants*, the first novel in the extraordinary *Century Trilogy*, left off, *Winter of the World* follows its five interrelated families—American, German, Russian, English, and Welsh—through a time of enormous social, political, and economic turmoil, beginning with the rise of the Third Reich, through the great dramas of World War II, and into the beginning of the long Cold War. Carla von Ulrich, born of German and English parents, finds her life engulfed by the Nazi tide until daring to commit a deed of great courage and heartbreak American brothers Woody and Chuck Dewar, each with a secret, take separate paths to momentous events, one in Washington,

the other in the bloody jungles of the Pacific English student Lloyd Williams discovers in the crucible of the Spanish Civil War that he must fight Communism just as hard as Fascism Daisy Peshkov, a driven social climber, cares only for popularity and the fast set until war transforms her life, while her cousin Volodya carves out a position in Soviet intelligence that will affect not only this war but also the war to come.

The Essential Rumi Bantam

The international bestselling *Off-Campus* series returns with a collection of four novellas by New York Times bestselling author Elle Kennedy! This brand-new installment provides the much-anticipated answer to the question: where are they now? Four stories. Four couples. Three years of real life after graduation... A wedding. A proposal. An elopement. And a surprise pregnancy. Life after college for Garrett and Hannah, Logan and Grace, Dean and Allie, and Tucker and Sabrina, isn't quite what they imagined it would be. Sure, they have each other, but they also have real-life problems that four years at Briar U didn't exactly prepare them for. And it turns out, for these four couples, love is the easy part. Growing up is a whole lot harder. Catch up with your favorite *Off-Campus* characters as they navigate the changes that come with growing up and discover that big decisions can have big consequences...and if they're lucky, big rewards. *THE LEGACY is an 85,000-word novel that is made up of four novellas.

The Nightwatch Jabberwocky Literary Agency, Inc.

The Spiritual, Occult and Historical significance of the "Emerald Tablets" is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time

and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. "Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul." - Doreal

Građa za hrvatsku retrospektivnu bibliografiju knjiga, 1835-1940 Penguin

The first of Nobel Prize winner Peter Handke's novels to be published in English, *The Goalie's Anxiety at the Penalty Kick* is a true modern classic that "portrays the...breakdown of a murderer in ways that recall Camus's *The Stranger*" (The New York Times). The self-destruction of a soccer goalie turned construction worker who wanders aimlessly around a stifling Austrian border town after pursuing and then murdering, almost unthinkingly, a female movie cashier is mirrored by Handke's use of direct, sometimes fractured prose that conveys "at its best a seamless blend of lyricism and horror seen in the runes of a disintegrating world" (Boston Sunday Globe).

Dangerous Women Macmillan

Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert

Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse--unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season.

Chaga Random House Books for Young Readers

Rumi the Persian poet is widely acknowledged as being the greatest Sufi mystic of his age. He was the founder of the brotherhood of the Whirling Dervishes. This is a collection of his poetry.

A Game of Thrones 4-Book Bundle EKI

Croatian Tales of Long Ago HarperCollins

INSTANT NEW YORK TIMES BESTSELLER "[An] exceedingly complex, inventive, resourceful examination of harm and power." —The New York Times Book Review, Editors' Choice "A lightning rod . . . brilliantly crafted."—The Washington Post A most anticipated book by The New York Times • USA Today • Entertainment Weekly • Marie Claire • Elle • Harper's Bazaar • Bustle • Newsweek • New York Post • Esquire • Real Simple • The Sunday Times • The Guardian Exploring the psychological dynamics of the relationship between a precocious yet naïve teenage girl and her magnetic and manipulative teacher, a brilliant, all-consuming read that marks the explosive debut of an extraordinary new writer. 2000. Bright, ambitious, and yearning for adulthood, fifteen-year-old Vanessa Wye becomes entangled in an affair with Jacob Strane, her magnetic and guileful forty-two-year-old English teacher. 2017. Amid the rising wave of allegations against powerful men, a reckoning is coming due. Strane has been accused of sexual abuse by a former student, who reaches out to Vanessa, and now Vanessa suddenly finds herself facing an impossible choice: remain silent, firm in the belief that her teenage self willingly engaged in this relationship, or redefine herself and the events of her past. But how can Vanessa reject her first love, the man who fundamentally transformed her and has been a persistent presence in her life? Is it possible that the man she loved as a teenager—and who professed to worship only her—may be far different from what she has always believed? Alternating between Vanessa's present and her past, *My Dark Vanessa* juxtaposes memory and trauma with the breathless excitement of a teenage girl discovering the power her own body can wield. Thought-provoking and impossible to put down, this is a masterful portrayal of troubled adolescence and its repercussions that raises vital questions about agency, consent, complicity, and victimhood. Written with the haunting intimacy of *The Girls* and the creeping intensity of *Room*, *My Dark Vanessa* is an era-defining novel that brilliantly captures and reflects the shifting cultural mores transforming our relationships and society itself.

Primo Levi Delacorte Press

Rebel Song is a collection of pictures and words of some of the most important musicians who changed the face of Irish Music to

the international force it is today. As Irish musicians began to find international fame in the second half of the 20th century, there was a growing swell of bands like the Fureys, the Pogues and the Dubliners who transformed traditional rebel music into something with an energy and intensity that was more direct and outspoken than ever before. Irish folk music had expressed the pain of generations under colonial domination. This blossomed into a nation's resistance and rebellion, and spilled over into rock and pop, and then into a fusion with punk. Filled with passion and politics, the tunes of rebellion moved from a rallying call to resistance, and onto a global stage that continues to push back and assert Irish identity and love of life. Artists like U2, Sinéad O'Connor, Bob Geldof and the Pogues have often taken an outspoken stand on matters of global politics, while always maintaining a direct connection back to Ireland. Featuring pictures by legendary music photographer Andrew Catlin that include many taken very early in the careers of the artists, often while at their creative peak, with photographs that span more than thirty years. The book explores the connection between the traditions of Irish music, the history of Ireland, and the extraordinary power and intensity of some of the greatest songwriters and performers of the last 50 years.

The Day Watch John Blake

All new and original to this volume, the 21 stories in *Dangerous Women* include work by twelve New York Times bestsellers, and seven stories set in the authors' bestselling continuities—including a new "Outlander" story by Diana Gabaldon, a tale of Harry Dresden's world by Jim Butcher, a story from Lev Grossman set in the world of *The Magicians*, and a 35,000-word novella by George R. R. Martin about the Dance of the Dragons, the vast civil war that tore Westeros apart nearly two centuries before the events of *A Game of Thrones*. Also included are original stories of dangerous women--heroines and villains alike--by Brandon Sanderson, Joe Abercrombie, Sherrilyn Kenyon, Lawrence Block, Carrie Vaughn, S. M. Stirling, Sharon Kay Penman, and many others. Writes Gardner Dozois in his Introduction, "Here you'll find no hapless victims who stand by whimpering in dread while the male hero fights the monster or clashes swords with the villain, and if you want to tie these women to the railroad tracks, you'll find you have a real fight on your hands. Instead, you will find sword-wielding women warriors, intrepid women fighter pilots and

far-ranging spacewomen, deadly female serial killers, formidable female superheroes, sly and seductive femmes fatale, female wizards, hard-living Bad Girls, female bandits and rebels, embattled survivors in Post-Apocalyptic futures, female Private Investigators, stern female hanging judges, haughty queens who rule nations and whose jealousies and ambitions send thousands to grisly deaths, daring dragonriders, and many more." At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Song of Ice and Fire Farrar, Straus and Giroux

The second volume in a four-part graphic novel adaptation of the second book in George R. R. Martin's landmark A Song of Ice and Fire series, the inspiration for HBO's Game of Thrones. As chaos grips Westeros, a flaming red comet continues to burn a crimson path across the sky. Some see this fiery herald as a sign of their impending victory. Others see it as a mark of the blood and terror that will soon engulf this divided kingdom. But one thing is certain: None of the six contenders who seek either the Iron Throne, or the lands their ancestors once held as kings, are willing

to back down. And as factions scatter or come together, there are many witnesses to the unrest that is to come. Arya Stark finds herself in the heart of enemy territory at Harrenhal, while her mother is trapped between two brothers battling each other for their dead brother's throne. In the heart of King's Landing, Tyrion is busy ferreting out traitors as the Hand of the King, while Jon is beginning to comprehend the lawlessness of life beyond the Wall. New friends arrive in Winterfell for Bran, a forgotten son finds life in the Iron Islands quite different than he remembered, and the Mother of Dragons at last arrives in the fabled city of Qarth. But even as these would-be kings draw their lines of battle, it is the people of Westeros who will most suffer for their ambitions. For when kings clash, it is the commoners who bear the greatest cost. *Study Skills for Criminology* Dereta d.o.o.

THE SECOND BOOK IN THE TIFFANY ACHING SERIES Something is coming after Tiffany. . . Tiffany Aching is ready to begin her apprenticeship in magic, but life isn't exactly what she thought it would be. She expects spells and magic - not chores and ill-

tempered goats! Surely there must be more to witchcraft than this? And Tiffany will find that she needs her magic more than ever, to fight off the insidious, disembodied creature that is pursuing her. This time, neither Mistress Weatherwax (the greatest witch in the world) nor the fierce, six-inch-high Wee Free Men can protect her. In the end, it will take all of Tiffany's inner strength to save herself. Will she succeed?

How to Survive in a Stranger Things World (Stranger Things)
Routledge

Take three of the leading names in contemporary horror writing, commission one-third of a book's worth of stories from each, and the result is DARK VISIONS. Stephen King leads off with three stories, including "Sneakers", about a very unusual haunting, and "Dedication", one of the most powerful and unsettling of all his works. Dan Simmons pays homage to Philip K Dick with "Metastasis", one of three highly accomplished stories. And George Martin rounds off the book with the brilliant werewolf novella, "The Skin Trade". DARK VISIONS is a brilliantly original showcase from three masters of the macabre.
