The Significance of BloodThis is the common ground for every religion I know including the occultic. They respect blood and they have something to do with blood. Right from the garden of Eden, we begin to see how that when man fell, God Himself stripped a bloody lamb and used it to cover Adam and Eve. Right from the garden of Eden, there was the shedding of blood. Then all through the old covenant, we see the shedding of the blood of bulls. But the question I have is that what is it about blood that makes it effective? Why not the flesh? Why not water? Is it the colour of the blood? Is it anything that is just red in the human body?Many people know that the blood saves, but we do not know what is it in the blood that is so powerful that even Satan and death-the last enemy to be destroyed, can respect it. Read This Book and Understand the great mystery of the blood

What to Do When Faith Seems Weak and Victory Lost Christ Embassy International

Nothing ever happens on its own on this earth. Evil or good. Miracles do not happen just like that, tragedy too. Failures do not just happen, success does not just happen, the anointing does not just come, people don't just backslide. There is always certain operations that are initiated even in ignorance. For example, if I kick a speaker by mistake, the pain will not refuse to come to my leg because it thinks I made a mistake, as far as the system of pain is concerned that action calls for

it. So, in ignorance, we have activated a lot of spiritual laws and dis-coordinated them and we have become victims of the interplay of those laws. It's like cutting a naked wire and putting it on your head by mistake when it's raining. Now, whether you're aware or not, the wire will not excuse that mistake. It'll shock you.Read This Book and Be Blessed.

How to Turn Your Mistakes Into Miracles All Peoples Church & World Outreach, Bangalore, India

The possibilities of the kingdom are dependent on the truth that we act upon. It is not dependent on God alone. God's desire can be helplessly sabotaged by our inability to understand His systems. The Psalmist said, "open my eyes that I may behold wondrous things from your law". A man can receive nothing except it be given him. If God does not open your eyes, you will only be reading story book. Favor is a reality that we all desire. There is no one who will argue with the fact that a man's life and success is directly dependent on favour. We come from backgrounds that by default should keep us failures forever. Working on human strength, sometimes your lifetime cannot even remedy the catastrophe that is associated with your backgrounds. It will take decades to remedy the damage that has been made before we can have any chance at success at all. So God programmed a system in His dealings with men where men can rise out of the limitations associated with their backgrounds, mistakes and pains.

Recreating Your World Christ Embassy International

When you keep wallowing about the things of God and there is no result in your life, the danger is at, a point in time you will become informal about everything God because you do not expect it to produce for you. You will be in church; you will be around the things of God, but you will never truly believe. There are people who at every time God is about to move, they are right at the face of it, but they never believe it will happen in their lives. The bible says blessed is he that believes, unbelief is a dangerous spirit, unbelief is able to make the word of God as powerful as it is of non-effect. He says when you hear his voice harden not your heart as they did in the provocation in the wilderness. God gave them a word, they doubted. God's obsession much more than being worshipped is to be trusted, you don't sit down and use your philosophical, scientific understanding saying, can God make a way in the wilderness? is God able to do this? and we go to school and when we finish school for many people, we become very educated and we become very unwise spiritually because we train ourselves to become scientific in our approach and then we incorporate our intellectualism even into the things of God, so when God says I will do this, you say no, no, God according to my intelligence, according to this and that research and God says nonsense, he opposes all things by the word of his power. unbelief is a dangerous spirit, it can turn any man regardless of the spiritual potentials you have, it can reduce you to ashes. And no.2 illumination; the bible says weeping endures for a night, but joy comes in the morning. The

difference between the night and the morning is the rising of light. Read this Book and Be Blessed

What is Doctrine? It comes from the Latin word, "doctrina" and it means teaching, instructions.

Basically, doctrine is a set of beliefs that are accepted and taught. It is not just a body of truth communicated, it has to be accepted by a standard first of all. So, before it can be a Doctrine, it must have been standardized based on a reference. That means a compromise of the standard, usually, will start from dishonour to the reference. If there is a reference and the reference is honored, it will be difficult to compromise. We can trust the graduate that comes from Oxford or Harvard because we do not need to know the lecturers that taught them. We trust the standard. We know that there is a system of compliance that ensures that anyone who passes through

Harvard, no matter how high or low, there is a minimum standard that he will not come under. As we look across the length and breadth of the body of Christ, we see that there are aberration and compromises on the kind of formation that the Bible says should be. After 10-15 active years in church activities, we do not see that formation. It ought not to be so. So we want to examine what is wrong. There are scriptures that talk about the reality of doctrines as far as the kingdom life is concerned
