Straightforward answers to questions Christians and skeptics alike ask about God and the Bible Let’s be honest--the Bible can be hard to understand. It’s full of weird laws, apparent inconsistencies, and tales of a God who often doesn’t do what we expect. You may have asked about some of these things and been brushed off or given trite, unconvincing answers. But serious questions deserve thoughtful responses, especially when opinions of Bible experts clash. Stephen M. Miller pulls insight from a wide range of Bible experts to report their answers to the tough questions. He does so with a touch of humor and no preaching, allowing you to draw your own conclusions. Questions include: · Would a loving God really put a good man like Job through horrible suffering just to test his loyalty? · If God knows everything, why did he test Abraham’s faith by asking him to sacrifice his own son? · How could there be just one God, yet three? · Since Jesus told people to turn the other cheek, why aren’t more Christians pacifists?

Endorsed in its time by Francis Scott Key, John Jay, and Theodore Roosevelt, the American Bible Society (ABS) is a seminal institution for American Protestants. The group was founded in 1816 with the goal of distributing free copies of the Bible in local languages throughout the world. Today, the ABS is a Christian ministry based in Philadelphia with a \$300 million endowment and a mission to engage 100 million Americans with the Bible by 2025. In *The Bible Cause*, noted historian of American religion John Fea demonstrates how the ABS’s primary mission - to place the Bible in the hands

of as many people as possible - has caused the history of the organization to intersect at nearly every point with the history of the United States. For the last two hundred years, the ABS has steadily increased its influence both at home and abroad, working with all Christian denominations in the US and internationally, aligning itself whenever possible with the gatekeepers of American religious culture. Over the years ABS Bibles could be found in hotel rooms, bookstores, and airports; on steam boats, college and university campuses; the Internet; and even behind the Iron Curtain. Its agents, Bibles in hand, could be found on the front lines of every American military conflict from the Mexican-American War to the Iraq War. However and wherever the United States developed, the ABS was there. Throughout the last two centuries ABS has never wavered in its mission, and its commitment to be the guardian of a Christian civilization has been proven many times over.

There has never been another book like the Bible. And there never will be. Only the Word of God is “living and enduring” (1 Peter 1:23) and is more precious “than much pure gold” (Psalm 19:10). Only the Bible is “God-breathed” (2 Timothy 3:16). Being divinely inspired, the Holy Bible deserves our full attention, reverent study, and diligent application. God has spoken, and His words have been written down, preserved, and translated for our eternal benefit. The Bible answers life’s most important questions, but it also raises questions from many quarters. From the skeptic: “Why should I take stories of miracles literally?” From pastors: “What is the difference between exegesis and eisegesis?” From the neophyte: “Where is a good place to start reading the Bible?” From the merely curious: “What is a shekel?” Got Questions Ministries has been answering questions about the Bible since 2002. In this book are one hundred of those questions and their Bible-based answers. May you find this volume helpful in understanding the Book, and may you “do your best to present yourself to God as one approved, a workman ... who correctly handles the word of truth” (2 Timothy 2:15).

The apostle Peter said that the apostle Paul’s letters were “hard to understand, which the untaught and unstable distort, as they do also the rest of the Scriptures, to their own destruction.” (2 Pet. 3:16) The Bible at times can be difficult, complex, or elusive. GOT BIBLE QUESTIONS will get at what the author meant by his words. See the Table of Content and discover what verses and Bible difficulties we have dealt with in volume 3.

Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus, which casts the majority of Christ’s life as a myth, are a stark contrast to the orthodox view of Christ as presented in the Bible. Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ. This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus, including his death, visit to hades, resurrection, and ascension. Readers will be encouraged by the reliability of the Gospel writers, the reality of Jesus’ humanity and deity, and the inferiority of the apocryphal gospels.
