Right now, all over the world, people are using energy. As we drive our cars, work on our computers, or even cook food on a wood fire, we probably do not stop to think about where the energy comes from. But when the gas is gone and there is no more coal - what then? Scientists are finding new answers all the time. Get ready for the children whose running feet make the energy to bring water to their village; for the power station that uses warm and cold water to make energy; for the car that saves energy by growing like a plant . . .

A level 3 Oxford Bookworms Library graded reader. Written for Learners of English by William Shakespeare. There are broken hearts and kisses and then weddings, so this is a story about love. There are actors who are funny because they cannot act, so it is also a story that makes people laugh. And there are fairies, spirits of the night, so it is a story about mischief and magic too. What happens when love and laughter come together with magic in an Athenian forest? *A Midsummer Night's Dream* was written in about 1596 and is one of Shakespeare's most popular plays. It has been retold for Bookworms, not as a play, but as a story.

A level 4 Factfiles Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Written for Learners of English by Rowena Akinyemi. Who will speak for the poor? Who will listen to slaves, and those who have no rights? Who will work for a future where everyone is equal? Who will give up his house, job, and money to fight for people who are shut out by everyone else? 'I will,' said Mohandas Gandhi. And he began to fight in a way the world had not seen before - not with weapons, and wild crowds, and words of hate, but with the power of non-violence. This is the story of a man who became the Father of the Nation in his own country of India, and a

great leader for the whole world.

A grand, epic story that tells the history of the greatest city in the world, from Roman times to the present day. London has perhaps the most remarkable history of any city in the world. Now its story has a unique voice. In this epic novel Edward Rutherfurd takes the reader on a magnificent journey across sixteen centuries from the days of the Romans to the Victorian engineers of Tower Bridge and the era dockland development of today. Through the lives and adventures of his colourful cast of characters he brings all the richness of London's past unforgettably to life.
