Artículos de fe en prosas de inquietud

Ediciones Larousse

On 19 August 1936 Hercules the boxer stands on the quayside at Coruña and watches Fascist soldiers piling up books and setting them alight. With this moment a young carefree group of friends are transformed into a broken generation. Out of this incident during the early months of Spain's tragic civil war, Manuel Rivas weaves a colourful tapestry of stories and unforgettable characters to create a panorama of twentieth-century Spanish history. For it is not only the lives of Hercules the boxer and his friends that are tainted by the unending conflict, but also those of a young washerwoman who sees souls in the clouded river water and the stammering son of a judge who uncovers his father's hidden library. As the singed pages fly away on the breeze, their stories live on in the minds of their readers.

A [...] escola [...] é a parte mais importante da formação de uma pessoa, [...] na questão do conhecimento. [...] o caráter [...] é a família que forma, é dever da família. O da escola é o conhecimento. Porque [...] uma pessoa entra [na escola] [...] com cinco anos de idade e sai com dezessete, dezoito [...]. Então, nesse meio tempo a escola, [...] tem o dever de [...] dar atenção, dar um ensino de qualidade pra pessoa. Porque essa pessoa [...] vai ser um futuro profissional que vai servir à sociedade. Então, [...] além [...] da qualidade dos professores, [...] de os professores ensinarem, [que] a [...] diretoria [...] tenha uma boa gestão [...], não falte nada pra escola, a biblioteca [...] ser bem administrada, [...] bem organizada, [...] que tenha bastante conteúdos pra pessoa ler [...] e aprender. [...] a biblioteca [...] tem que ser algo diversificado. Porque a pessoa que entra na escola [...] procura um conhecimento. Então, quanto maior a oportunidade de conhecimento, melhor pra pessoa, melhor pra formação da pessoa (Discurso do Sujeito Coletivo). [...] o papel [...] [da biblioteca], hoje, sei lá [...]. [...] fica difícil dizer, [...] até porque à noite já não é muito frequentada, [...] aqui é como se fosse um espaço esquecido. Porque eu [...] não vejo ninguém vindo aqui. No máximo pra vir aqui pra pegar um livro [...] que é didático que a gente tem que usar na aula, [...] mas [...] à noite não vejo este espaço ser utilizado. Até porque [...] pra ser uma biblioteca não devia ter esses livros assim no meio do caminho. Tinha que ser uma coisa mais organizada. Então, pra mim, é uma coisa meio abandonada na escola. Pelo menos no período da noite (Discurso do Sujeito Coletivo).

Set in Lima, the novel tells of a love story whose participants may be the fictional

characters of Don Rigoberto. With his usual sly assurance, Vargas Llosa keeps the reader guessing which episodes are real and which issue from the Don's imagination; the resulting novel, an aggregate of reality and fantasy, is sexy, funny, disquieting, and unfailingly compelling.

Set in early twentieth-century Spain, *Hidden Path* is a lyrical coming-of-age novel told from the perspective of a woman painter who struggles to find her way with art and with the women she loved. The novel is narrated in the first-person, following María Luisa as she reflects on her life from the turn of the twentieth century through the outset of the Second Spanish Republic (1931-1939). She recalls growing from an imaginative tomboy into a docile wife and mother before claiming her independence as a portrait painter in Madrid's bohemian and queer circles. Along the way, she introduces us to a lively cast of characters who both hinder and encourage her efforts to blaze her own path. The poetic and sensuous language of María Luisa's private reveries comingles with agile dialogue as the protagonist leads us through her life. Best known in Spain as a writer of children's literature, Elena Fortún left this manuscript unpublished at the time of her death in 1952, as its semi-autobiographical content risked provoking homophobic backlash under the dictatorship of Francisco Franco. The first Spanish edition appeared in 2016 and was hailed as Fortún's adult masterpiece, a previously unknown complement to her children's saga *Celia and Her World*. This

edition, with Jeffrey Zamostny's sensitive and nuanced translation, marks the novel's first time appearing in any language aside from Spanish; it is also the first of Fortún's works to appear in English. With an insightful foreword by scholar Nuria Capdevila-Argüelles, this volume will be an influential contribution to women's studies, LGBT histories, and Spanish literature and culture.

NATIONAL BESTSELLER • A spare yet eloquent, bittersweet yet inspiring story of a man and a woman who, in advanced age, come together to wrestle with the events of their lives and their hopes for the imminent future. In the familiar setting of Holt, Colorado, home to all of Kent Haruf's inimitable fiction, Addie Moore pays an unexpected visit to a neighbor, Louis Waters. Her husband died years ago, as did his wife, and in such a small town they naturally have known of each other for decades; in fact, Addie was quite fond of Louis's wife. His daughter lives hours away, her son even farther, and Addie and Louis have long been living alone in empty houses, the nights so terribly lonely, especially with no one to talk with. But maybe that could change? As Addie and Louis come to know each other better--their pleasures and their difficulties--a beautiful story of second chances unfolds, making *Our Souls at Night* the perfect final installment to this beloved writer's enduring contribution to American literature.

Escrito y leído en femenino: novelas para niñas Punto de Vista

Dorothea Brooke, a los diecinueve años, ha recibido «una educación para jovencitas comparable a las cavilaciones y opiniones de un ratón pensante», pero, activa e idealista, enamorada de un sesudo erudito en temas mitológicos, desea, «pobre criatura, ser sabia también ella». Con esa altitud de miras contrae matrimonio... y el matrimonio es un fracaso. Tertius Lydgate, por su parte, joven médico emprendedor, anhela convertir la provinciana ciudad de Middlemarch a la «cultura científica», desafiando prejuicios e implantando reformas: a la bella Rosamond Vincy el talento del joven le suena a «una condecoración en la solapa o un ilustrísimo delante del nombre» y está convencida de que casándose con él accederá a una gloriosa vida social. También su matrimonio es un fracaso. Y, en tercer término, Fred Vincy, el muchacho superfluo y sin vocación, y Mary Garth, la muchacha hacendosa y prudente, se gustan, se separan, se ponen

a prueba y se vuelven a encontrar antes de consagrar ese vínculo al que sólo la experiencia y la resistencia parecen garantizar la fortuna y la felicidad. Middlemarch (1871-1872) es la historia de tres parejas sujetas a los frágiles hilos del saber y el error, entrelazada con la crónica minuciosa de los destinos de toda una comunidad en una época de cambios y reacción. Quintaesencia de la novela victoriana, George Eliot marcó con ella un hito en la historia de la literatura universal.

A sus veintiocho años, Celia ve cómo su vida se tuerce: su pareja la abandona y días después se queda sin empleo. El interés por confeccionar su genealogía la mantiene a flote durante el naufragio y la conduce de Bilbao a Lisboa siguiendo el rastro de su abuelo, desaparecido en 1943 cuando tenía precisamente su misma edad. A caballo entre la novela negra y la búsqueda personal, *Años de niebla* aborda asuntos como el pasado familiar, las cicatrices, la fe, la necesidad afectiva y el viaje como proceso de crecimiento. Afloran también los años grises de Portugal, país neutral durante la Segunda Guerra Mundial que se convirtió en escala para exiliados y para todo tipo de contrabando. En esta historia subyace una metáfora de las décadas oscuras que dos países vecinos vivieron bajo el autoritarismo. Fueron los años de la niebla.

¿Qué tienen en común Carmen de Burgos, Sofía Casanova, Victoria Kent, Clara Campoamor, Margarita Nelken, María Teresa León, Elena Fortún, Dora Maar, Gerda Taro, Tina Modotti, Carmen Laforet, Pilar Miró, Carmen Díez de Rivera, Montserrat Roig, Carmen Alborch y Soledad Puértolas? Todas ellas son mujeres transgresoras de su tiempo que, con su capacidad y compromiso, defendieron la posición de la mujer dentro de los círculos artísticos, intelectuales y políticos. Inmaculada de la Fuente nos muestra, a través de las biografías de estas dieciséis mujeres, las transformaciones políticas, económicas y sociales tanto de España como de los demás países donde estas intelectuales dejaron la huella de su talento. Sus actitudes sutiles, desenfadadas y contestatarias cimentaron el camino para que otras mujeres tomaran como modelo esa osadía. Por eso, ellas representan el espíritu reivindicativo del espacio femenino en un ambiente claramente dominado por los hombres. En este libro no solo presenciamos la vida y obra de estas mujeres, sino la importancia de sus acciones, la trascendencia de sus ideas y sus trayectorias "canónicas" y acordes a su tiempo. Sus vidas llenas de fuego y vértigo encarnan de forma indiscutible la inspiración y el talento.

El cuaderno de Celia Farrar, Straus and Giroux

La vida de Carmen Laforet cambió en enero de 1945, cuando, contra todo pronóstico, se le concedió el Premio Nadal en su primera edición. Este galardón significó un antes y un después para un joven de veintitrés años que había sorprendido a todo el mundo con *Nada*, una de las grandes novelas españolas de posguerra. Se abrió ante ella un mundo de expectativas y exigencias que nunca se llegaron a colmar. En la nueva edición de esta documentadísima biografía, Anna Caballé e Israel Rolón-Barada levantan por fin el halo de misterio que, con el paso de los años, envolvió a Carmen Laforet, una mujer esquiva que tomó la decisión de desaparecer de la espera pública e intelectual de su época para que prevaleciera su intimidad y silencio en busca de independencia y libertad.

"Literatura y Mujer" explora las variantes de autoría femenina de relatos tradicionales protagonizados por mujeres que, desde hace siglos, forman parte de nuestro ideario colectivo. Estas narraciones de largo recorrido, multiplicadas en épocas y espacios distintos, nos vienen acompañando en sus diversas variantes como instrumentos poderosos de configuración de género. Situadas entre la cultura alta y la cultura popular, entre la escritura y la oralidad, muestran todo un abanico de relaciones humanas y de estrategias de pasividad o resistencia frente al mundo, que las convierten en privilegiada atalaya para leer la realidad. El interés y la diversidad de los trabajos aquí reunidos en torno a la literatura (oral y escrita), pero también al cine, series de televisión, novela gráfica, pintura o fotografía corroboran los ecos, la pervivencia y la actualidad de esta tradición.

Escrito y leído en femenino. Análisis y valoración en su contexto aporta una nueva visión sobre las novelas para niñas que se escribieron entre finales del siglo XIX hasta mitad del XX. Más allá de considerarlas simplemente el vestigio de una época pretérita, muestra que sus autoras y lectoras crearon un espacio propio en la Literatura Infantil y Juvenil. que no siempre ha tenido un

reconocimiento justo y una valoración crítica ponderada. Este libro es, pues, una mirada sin prejuicios a un circuito femenino que, de forma oculta o manifiesta, sigue presente en la sociedad literaria.

More than 250,000 readers made this the No. 1 best selling ebook in Germany 2016. Now finally available in English, too! A story of deep love. A story of trust, courage, pain, despair, and the strength to let go. A true story. Jessica has an uncomplicated life and a promising future. Leaving the house one evening, she has no idea that she's about to meet the love of her life - and that her entire understanding of the world is about to change. Before long, she's going to face a decision that will shape her forever ... In So Near the Horizon, Jessica Koch describes a life lived somewhere between hope and fear, confronting true events from her own past with raw honesty and frank reflection - and exploring more than one difficult subject along the way. Reading sample (...) "Why?" I tried to meet his eyes, but he shut them, avoiding my gaze. His fingernails dug into the skin on his bare arms, and he pursed his lips grimly. Slowly, I scooted toward him. "Talk to me, Danny, please," I said, trying to pry one of his arms loose. But the more I tugged, the more rigidly he kept them crossed against his body as he shrank away from me as far as he could inside the cramped car. For a moment, I was afraid he would simply get out and walk away. Too close, a voice whispered inside me. You're much too close to him! I let go of his arm so I could slide back into my seat, and he relaxed almost instantly. He took several deep, slow breaths before opening his eyes and blinking at me through his long lashes. "You know why," he whispered. "And someday I'll tell you myself. I promise. Be patient with me." About the author Jessica Koch was born in

Ludwigsburg, Germany, and began writing short stories when she was still in high school - but never submitted her work to publishers. Shortly after finishing school, she met Danny, a German-American dual citizen. Her experiences with him eventually formed the basis for So Near the Horizon, though it was nearly thirteen years before she felt ready to bring the manuscript to the public. The author describes a life lived somewhere between hope and fear, between optimism and despair. She reflects on events from her own past with raw honesty, confronting more than one difficult subject along the way. Jessica Koch's dramatic debut novel, Dem Horizont so nah (So Near the Horizon), broke every record when it hit stores in Germany. Released in 2016 through a small, independent publishing house, the e-book was an instant success, selling over 250,000 copies in just a few months and topping the Amazon bestseller list for more than six weeks - which made it the number-one bestselling German-language ebook of 2016! Since then, one of Germany's largest publishing houses has purchased the rights to this riveting and highly emotional memoir. The foreign rights have been picked up in numerous countries, and the feature film is scheduled to arrive in theaters at the end of 2018. Jessica Koch lives near the city of Stuttgart with her husband, their son, and two dogs. The second and third books in the trilogy, So Near the Abyss and So Near the Ocean, are already best-sellers in Germany as well.
