companion to the best-selling Merriam-Webster's Collegiate Dictionary, 11th Ed. Merriam-Webster's Advanced Learner's English Dictionary Merriam-Webster Incorporated

"It takes true brilliance to lift the arid tellings of lexicographic fussing into the readable realm of the thriller and the bodice-ripper....David Skinner has done precisely this, taking a fine story and honing it to popular perfection." —Simon Winchester, New York Times bestselling author of *The Professor and the Madman* *The Story of Ain't* by David Skinner is the captivating true chronicle of the creation of Merriam Webster's Third New International Dictionary in 1961, the most controversial dictionary ever published. Skinner's surprising and engaging, erudite and witty account will enthrall fans of Winchester's *The Professor and the Madman* and *The Meaning of Everything*, and *The Know-It-All* by A.J. Jacobs, as it explores a culture in transition and the brilliant, colorful individuals behind it. *The Story of Ain't* is a smart, often outrageous, and altogether remarkable tale of how egos, infighting, and controversy shaped

one of America's most authoritative language texts, sparking a furious language debate that the late, great author David Foster Wallace (*Infinite Jest*) once called "the Fort Sumter of the Usage Wars."

**Webster's New World Dictionary of the American Language** Harper Collins Attractive burgundy leather-look versions of . Merriam-Webster's Collegiate Dictionary, Eleventh Edition . Merriam-Webster's Collegiate Thesaurus, Second Edition . Merriam-Webster's Collegiate Dictionary & Thesaurus, Electronic Edition (Win/Mac CD-ROM) . Free one-year online subscription

**Webster's New Collegiate Dictionary** Merriam Webster

"We think of English as a fortress to be defended, but a better analogy is to think of English as a child. We love and nurture it into being, and once it gains gross motor skills, it starts going exactly where we don't want it to go: it heads right for the goddamned electrical sockets." With wit and irreverence, lexicographer Kory Stamper cracks open the obsessive world of dictionary writing, from the agonizing

decisions about what to define and how to do it to the knotty questions of ever-changing word usage. Filled with fun facts—for example, the first documented usage of "OMG" was in a letter to Winston Churchill—and Stamper's own stories from the linguistic front lines (including how she became America's foremost "irregardless" apologist, despite loathing the word), *Word by Word* is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language.

**Webster's New World Dictionary** Merriam Webster

The phenomenally popular compact dictionary has been newly revised and updated—the perfect reference for school, office, and home. Webster's New World dictionaries have been defining American English for more than fifty years. This perennial bestseller is sure to draw in even more readers with its updated materials—including new biographical, geographical, scientific, and vocabulary entries reflecting our rapidly evolving language. The Webster's New World Dictionary is ideal for students and adults of all ages.
