### The Real Kosher Jesus Image

The ultimate, all-in-one resource on what the Old Testament says about Jesus As Jesus walked the Emmaeus road, he showed his companions how the whole of Scripture foretold his coming. Yet so often today we're not quite sure how to talk about Jesus in the Old Testament. How do you know what applies to Jesus? And how do you interpret some of the strange prophetic language? Get answers and clarity in this authoritative and reliable guide to messianic prophecy from some of the world's foremost evangelical Old Testament scholars. In this in-depth, user-friendly one volume resource you get: -essays from scholars on the big ideas and major themes surrounding Messianic prophecy -A clear and careful commentary on every passage in the Old Testament considered Messianic -Insights into the original Hebrew and helpful analysis of theological implications Watch the Scriptures come into full color as you see new meaning in familiar passages and further appreciate God's masterful

handiwork in preparing the way for Jesus, the long-awaited Messiah.

**Our Bible Too** B&H Publishing Group

This book addresses the questions about the believer's relationship to the Torah (the five Books of Moses, or the Pentateuch) and its commandments (the Law): Since Jesus kept the Law, are believers (Jewish and Gentile) also obliged to keep the Law, or at least some portions of it (Sabbath, the food laws, etc.)? What about the Oral Law (rabbinic traditions)? How does the Torah point to the Messiah? How do we apply the Law of Moses today? Though this book is based on more than a decade of academic research, it is written with the non-academic reader in mind and provides easy-to-understand answers to the questions related to the Torah and does so in a manner thoroughly rooted in a careful reading of the biblical text.

**Son of David** Wipf and Stock Publishers

One of the earliest Christian confessions—that Jesus is Messiah and Lord—has long been recognized throughout the New Testament. Joshua Jipp shows that the New Testament is in fact built upon this foundational messianic claim, and each of its primary

compositions is a unique creative expansion of this common thread. Having made the same argument about the Pauline epistles in his previous book *Christ Is King: Paul's Royal Ideology*, Jipp works methodically through the New Testament to show how the authors proclaim Jesus as the incarnate, crucified, and enthroned messiah of God. In the second section of this book, Jipp moves beyond exegesis toward larger theological questions, such as those of Christology, soteriology, ecclesiology, and eschatology, revealing the practical value of reading the Bible with an eye to its messianic vision. *The Messianic Theology of the New Testament* functions as an excellent introductory text, honoring the vigorous pluralism of the New Testament books while still addressing the obvious question: what makes these twenty-seven different compositions one unified testament?

[Jesus and the Jewish Roots of the Eucharist](#) Chosen Books

Diverse perspectives about the messianic movement --- from six contributors. Are Messianic congregations necessary or should Jewish believers be incorporated into the Gentile church? This is the topic of the latest volume in the Counterpoints series. The question of how Christian Jews relate their Jewish practices and customs to the church has been an issue within Christianity since the first century. Contemporary contributors who have lived and wrestled with this issue present informed arguments and counter-arguments. The book concludes with a chapter on the future for Messianic Jews and a directory of messianic movement organizations. Contributors include: \* John Fischer (ThD, California Graduate School of Theology, PhD, University of South Florida) is a

rabbi of Congregation Ohr Chadash and Chairman of Judaic Studies at St. Petersburg Theological Seminary. \* Arnold G. Fruchtenbaum (ThM, PhD, New York University) has served with the Chosen People Ministries and Christian Jew Foundation in the past and is now the founder and director of Ariel Ministries. \* Gershon Nerel (PhD, Hebrew University, Jerusalem) has served as 'Israel Secretary' for the International Messianic Jewish Alliance and has also been a member of the executive committee for the Messianic Jewish Alliance of Israel. \* David Stern (PhD, MDiv) is the translator of the Jewish New Testament from Greek to English to express its Jewishness; his version of the Tanak is the Complete Jewish Bible. \* Will Varner (EdD, Temple University) serves as professor of biblical studies at the Master's College, CA, and the director of the Israel Bible Extension campus of this college in Israel. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

**Awakening to Messiah** Baker Books

JESUS THE MESSIAH IN THE HEBREW BIBLE deals with the messianic texts found in the Hebrew Bible. Shifting away from conventional paradigms, Eugen Pentiu develops a new way of understanding the presence of Christ in the Old Testament. His approach is ontological, based on the view that Jesus the Messiah was pre-existent, and he appeared in manifold forms throughout the Hebrew Bible prior to his human incarnation in the New Testament. This book provides an accurate exegetical basis for reviewing the prophetic

indicators--"as well as the literary explications--"of the relationship between the Old Testament prophecy and the New Testament fulfillment of Jesus the Messiah. Intended as primarily a pastoral work, based on theology and biblical exegesis, it contains' homelitic outlines and samples. Also included are the church Fathers' writings on the most important issues of hermeneutics. This book is a work of exegesis and biblical theology entwined with pastoral guidance. It will be a useful tool for both ministers and faithful in their quest of Christ in the Old Testament.

The Messiah Before Jesus Chosen Books  
Where does a relatively young movement turn for identity and direction when it straddles the fence between two competing major religions? Messianic Jews have done something that for centuries was considered untenable. Like Christians, they have embraced Jesus as the divine Messiah, but they have refused to surrender their place within the Jewish people. How compatible are these two sides of Messianic Jewish faith? Can Messianic Jews participate as full members in both the body of Messiah and the people of Israel? Can they be led by the Holy Spirit that Jesus promised while also following the rulings of the Jewish sages? Did Jesus affirm rabbinic authority, or does that authority now lie elsewhere within the new covenant? In this volume, Messianic Jewish rabbi Joshua Lessard and Messianic Jewish scholar Jennifer Rosner debate the path forward for Messianic Judaism as it grapples with being the child of divorced parents—the church and Israel. Both Lessard and Rosner are committed to the success of Messianic Judaism, though they put forth contrasting visions of what that means. The discussion herein is unique and

provocative, not only for Messianic Jews, but for all who have wrestled at the crossroads of Torah, tradition, and Spirit. *Jesus, the Messianic King* Twenty-Third Publications

A revelatory exploration of the Jewish roots of the Last Supper that seeks to understand exactly what happened at Jesus' final Passover. "Clear, profound and practical—you do not want to miss this book."—Dr. Scott Hahn, author of *The Lamb's Supper* and *The Fourth Cup*  
Jesus and the Jewish Roots of the Eucharist shines fresh light on the Last Supper by looking at it through Jewish eyes. Using his in-depth knowledge of the Bible and ancient Judaism, Dr. Brant Pitre answers questions such as: What was the Passover like at the time of Jesus? What were the Jewish hopes for the Messiah? What was Jesus' purpose in instituting the Eucharist during the feast of Passover? And, most important of all, what did Jesus mean when he said, "This is my body... This is my blood"? To answer these questions, Pitre explores ancient Jewish beliefs about the Passover of the Messiah, the miraculous Manna from heaven, and the mysterious Bread of the Presence. As he shows, these three keys—the Passover, the Manna, and the Bread of the Presence—have the power to unlock the original meaning of the Eucharistic words of Jesus. Along the way, Pitre also explains how Jesus united the Last Supper to his death on Good Friday and his Resurrection on Easter Sunday. Inspiring and informative, *Jesus and the Jewish Roots of the Eucharist* is a groundbreaking work that is sure to illuminate one of the greatest mysteries of the Christian faith: the mystery of Jesus' presence in "the breaking of the bread."

Abandoned Charisma Media

The book of Psalms is a treasure trove of teaching about Jesus Christ. While the church has traditionally recognized only about fifteen psalms as “messianic,” anticipating God’s promised Messiah, the issue is how Christians should understand the other 135 psalms of the Hebrew Psalter. *Psalms of Christ* applies the New Testament conviction that the whole book of Psalms speaks prophetically about Christ to select “non-messianic” psalms. Following the New Testament as the guide for how to read the Old in light of the gospel, *Psalms of Christ* proposes fresh readings of so-called non-messianic psalms by illustrating their christological character, and exploring how they testify to the gospel by evoking Jesus’s person, purpose, and passion.

### **Mapping Messianic Jewish Theology**

Univ of California Press

Who was Jesus? An apocalyptic prophet? An aphoristic sage? The messiah of Jewish expectations? In *Jesus, Joshua, Yeshua of Nazareth*, Gordon Clouser analyzes the question of the historical Jesus and argues that the realities of Jesus' ministry place him squarely in the forefront of Jewish messianic culture. Presenting conclusions matured by a lifetime of research and personal reflection, Clouser courageously and effectively refutes scholarly “new consensus” positions on the historical nature of Jesus. Clouser directly confronts the Jesus Seminar's characterizations of Jesus as an aphoristic sage. He rebuts scholars' attempts to separate beliefs of John the Baptist and Jesus. He contends that the imminent-coming/end-time Son of Man passages are not gospel authors' promotions of Paul's second coming of Jesus, nor in fact are they Jesus' predictions of his own return. In place of

conventional thinking, Clouser advances a fresh, yet feasible explanation for the “Son of Man” identification for Jesus. In *Jesus, Joshua, Yeshua of Nazareth* Gordon Clouser addresses an ages-old controversy with answers that will thoroughly satisfy the thoughtful seeker of historical truth.

*Messianic Prophecy Revealed* Mohr Siebeck

Are you settling for half the story? Highlighting connections that have been hidden from non-Jewish eyes, Rabbi Jason Sobel will connect the dots between the Old and New Testament, helping you see the Bible with clarity as God intended. Most people—even people of faith—do not understand how the Bible fits together. Too many Christians accept half an inheritance, content to embrace merely the New Testament, while Jewish people may often experience the same by embracing only the Old Testament. But God has an intricate plan and purpose for both the Old and the New. In *Mysteries of the Messiah*, Rabbi Jason Sobel reveals the many connections in Scripture hidden in plain sight. Known for his emphatic declaration “but there’s more!” he guides us in seeing the passion and purpose of the Messiah. *Mysteries of the Messiah: Uncovers connections between the Old and New Testaments* Connects the dots for readers with details about Jesus, the Torah, and biblical characters Written with the unique perspective of a rabbi with an evangelical theological degree No matter how many times you have read the Bible, *Mysteries of the Messiah* will bring fresh perspective and insight. God’s Word, written by many people over thousands of years, is not a random selection of people and stories. Rabbi Jason Sobel connects the dots and helps us see with clarity what God

intended.

Answering Jewish Objections to Jesus :

Volume 3 Bloomsbury Publishing

Fifty-two short devotions based on passages from the Greek New Testament--written by some of the top Greek scholars of today. The main point each devotion offers comes from a careful reading and study of the passage in the Greek New Testament, not from the English Bible. The authors use a variety of exegetical approaches in their devotions: grammatical, lexical, rhetorical, sociohistorical, linguistic, etc. Some insights focus on particular words and their role in the passage, while others highlight background studies or provide a theological reading of the passage. Each devotion draws students into translating a short passage and pursuing an understanding of why this or that insight matters for their lives and ministries. Devotions on the Greek New Testament encourages professors, students, and pastors alike to continue to use their Greek Bibles beyond their seminary years. Celebrated contributors include: Scot McKnight Daniel B. Wallace Craig L. Blomberg Mark Strauss William D. Mounce Devotions on the Greek New Testament can be used as a weekly personal devotional or as a supplemental resource throughout a semester or sequence of courses.

Answering Jewish Objections to Jesus U  
of Nebraska Press

An academic study that suggests the Old Testament was written to be read as a work that reveals direct messianic prophecies.

**A Rabbi Looks at Jesus of Nazareth**

iUniverse

Jesus-Yeshua. The most influential Jew who ever lived. The most controversial Jew who ever lived. He has been called a rabbi, a rebel, a reformer, a religious

teacher, a reprobate sinner, a revolutionary, a redeemer. Some have claimed he was a magician, others the Messiah. Some say he was a deceiver; others say he was divine. Who is this Jesus-Yeshua, and why are we still talking about him two thousand years later? Recently a prominent Orthodox Jewish rabbi presented a new version of Jesus, a "Kosher Jesus" that Jews can accept. By reclaiming Yeshua as a fellow Jew and rabbi, he has taken a very major and truly wonderful step in the right direction, but by re-creating Jesus, he has also robbed him of his uniqueness. The Real Kosher Jesus takes you on a journey to uncover the truth. It is a journey filled with amazing discoveries and delightful surprises, a journey that is sometimes painful but that ends with joy, a journey through which you will learn the real story of this man named Yeshua: the most famous Jew of all time, the Jewish nation's greatest prophet, the most illustrious rabbi ever, the light of the nations and Israel's hidden Messiah. Messiah and Exaltation Charisma Media Seeking to explain the enigma of Messianic Judaism in North America, this work deals with issues of persecution, misrepresentation, and defamation by both Jewish and Christian groups against Messianic Jews. The text considers several aspects of Messianic Judaism, including: its attempt to explode the ancient walls erected by Jews and Christians toward one another; its search for renewal of the Jewish roots of the body of Christ; and its efforts to express biblical faith and Messianic living in a contemporary Jewish dress.

**Reading Moses, Seeing Jesus** Baker Books

"When Rabbi Dauermann asked me to read 'Son of David,' I read the whole thing at once and called him right away.

I told him this was the message people needed to hear regarding Yeshua (Jesus), the Jewish people, Messianic Judaism, and Jewish-Christian relations. Christians reading this can see palpably what has been lost through the centuries of forgetting that Jesus is the Son of David, a present office, not a dead title. To the Jewish world, we in Messianic Judaism might say it is our prayer that they would see why Yeshua is the center for us of our Judaism, our hope, our avodah. For those who love the people descended from Abraham as well as the people of the world, Yeshua as the Son of David is the one who brings healing and the reign of God to Israel and the nations." --Rabbi Derek Lehman, Tikvat David, Atlanta author of 'Yeshua in Context' and 'The World to Come'

**Twenty-six Reasons why Jews Don't Believe in Jesus** Destiny Image Publishers

He then traces the rise and fall of "the messianic idea" in Jewish studies and gives an alternative account of early Jewish messianic language: the convention worked because there existed both an accessible pool of linguistic resources and a community of competent language users. Whereas it is commonly objected that the normal rules for understanding "christos" do not apply in the case of Paul since he uses the word as a name rather than a title, Novenson shows that "christos" in Paul is neither a name nor a title but rather a Greek honorific, like Epiphanes or Augustus. Focusing on several set phrases that have been taken as evidence that Paul either did or did not use "christos" in its conventional sense, Novenson concludes that the question cannot be settled at the level of formal grammar. Examining nine passages in which Paul comments on how he means

the word "christos", Novenson shows that they do all that we normally expect any text to do to count as a messianic text.

*Answering Jewish Objections to Jesus : Volume 1* Wipf and Stock Publishers

Christians owe a debt to the Jew. Through the Jews came the Scriptures, the Messiah--the Lord Jesus--and the Church. This being true, it would make sense for Christians to gain an understanding of the Jewish roots of their faith. "He Made the Stars Also" addresses the Jewish Roots of Christianity covering various theological themes. This compilation of articles has circulated throughout the country with Dr. Johnson's Research Review and teaching letters. Pastors, Bible teachers, Jewish people and Christians in general have benefited from these sound bytes of pertinent information regarding Israel, prophecy and the Jewish roots of Christianity.

*Israel's Messiah and the People of God* Brazos Press

"Brant Pitre is one of the most compelling theological writers on the scene today." --Bishop Robert Barron Bestselling author of *Jesus and the Jewish Roots of the Eucharist* casts new light on the Virgin Mary, illuminating her role in the Old and New Testaments. Are Catholic teachings on Mary really biblical? Or are they the "traditions of men"? Should she be called the "Mother of God," or just the mother of Jesus? Did she actually remain a virgin her whole life or do the "brothers of Jesus" refer to her other children? By praying to Mary, are Catholics worshipping her? And what does Mary have to do with the quest to understand Jesus? In *Jesus and the Jewish Roots of Mary*, Dr. Pitre takes readers step-by-step from the Garden of Eden to the Book of Revelation to reveal

how deeply biblical Catholic beliefs about Mary really are. Dr. Pitre uses the Old Testament and Ancient Judaism to unlock how the Bible itself teaches that Mary is in fact the new Eve, the Mother of God, the Queen of Heaven and Earth, and the new Ark of the Covenant.

**Jesus the Messiah in the Hebrew Bible** New York : Mellen Press

An honest, fair, and thorough discussion of the issues raised in Jewish Christian apologetics, covering thirty-five objections on general and historical themes.

**Messianic Judaism** Createspace Independent Publishing Platform

"The Torah doesn't speak of Jesus at all!"  
"You're completely misinterpreting

Isaiah!" "This verse has absolutely nothing to do with your Jesus! It's not even a messianic prophecy!" "As for the real messianic prophecies, Jesus fulfilled none of them." These are some objections raised by Jews regarding Jesus as the Messiah. Using the Hebrew Bible, rabbinic texts, and the New Testament, Dr. Michael Brown provides thorough answers to nearly forty such objections. This third installment of Answering Jewish Objections to Jesus looks specifically at questions raised about messianic prophecies in Isaiah, Daniel, Psalms, Haggai, and Zechariah. It's an invaluable resource for seekers and for anyone wanting to point students of the Torah to Jesus.
