The Witch's Vacuum Cleaner and Other Stories Sterling/Main Street

We met the enigmatic and brooding Simon Serrailier in *The Various Haunts of Men* and got to know him better in *The Pure in Heart* and *The Risk of Darkness*. *The Vows of Silence*, the fourth crime novel featuring Chief Inspector Serrailier, is perhaps even more compulsive and convincing than its predecessors. A gunman is terrorizing young women in the cathedral town of Lafferton. What, if anything, links the apparently random murders? Is the marksman with the rifle the same as the killer with the handgun? With the complexity and character study that earned raves for *The Pure in Heart* and the relentless pacing and plot twists of *The Various Haunts of Men*, *The Vows of Silence* is truly the work of a writer at the top of her form.

'Always readable, illuminating and honest. It made me miss the real Terry.' - NEIL GAIMAN

'Sometimes joyfully, sometimes painfully, intimate . . . it is wonderful to have this closeup picture of the writer's working life.' - FRANK COTTRELL-BOYCE, OBSERVER 'Spins magic from mundanity in precisely the way Pratchett himself did.' - THE TELEGRAPH 'As frank, funny and unsentimental as anything its subject might have produced himself.' - MAIL ON SUNDAY ----- At the time of his death in 2015, award-winning and bestselling author Sir Terry Pratchett was working on his finest story yet - his own. The creator of the phenomenally bestselling *Discworld* series, Terry Pratchett was known and loved around the world for his hugely popular books, his smart satirical humour and the humanity of his campaign work. But that's only part of the picture. Before his untimely death, Terry was writing a memoir: the story of a boy who aged six was told by his teacher that he would never amount to anything and spent the rest of his life proving him wrong. For Terry lived a life full of astonishing achievements: becoming one of the UK's bestselling and most beloved writers, winning the prestigious Carnegie Medal and being awarded a knighthood. Now, the book Terry sadly couldn't finish has been written by Rob Wilkins, his former assistant, friend and now head of the Pratchett literary estate. Drawing on his own extensive memories, along with those of the author's family, friends and colleagues, Rob unveils the full picture of Terry's life - from childhood to his astonishing writing career, and how he met and coped with what he called the 'Embuggerance' of Alzheimer's disease. A deeply moving and personal portrait of the extraordinary life of Sir Terry Pratchett,

written with unparalleled insight and filled with funny anecdotes, this is the only official biography of one of our finest authors. 'Of all the dead authors in the world, Terry Pratchett is the most alive.' - JOHN LLOYD

The Unadulterated Cat is becoming an endangered species as more and more of us settle for those boring mass-produced cats the ad-men sell us - the pussies that purr into their gold-plated food bowls on the telly. But the Campaign for Real Cats sets out to change all that by helping us to recognise a true, unadulterated cat when we see one. For example: real cats have ears that look like they've been trimmed with pinking shears; real cats never wear flea collars . . . or appear on Christmas cards . . . or chase anything with a bell in it; real cats do eat quiche. And giblets. And butter. And anything else left on the table, if they think they can get away with it. Real cats can hear a fridge door opening two rooms away . . .

Wilt is back - in form, and in a good deal of trouble. Henry Wilt is still teaching at the Fenland Tech, attempting to drill English into plasterers, dozing through tedious committee meetings and occasionally getting mildly plastered in 'The Pig in a Poke' with one of his few bearable colleagues. But the even tenor of his days is rudely interrupted when the shadow of drug dealing flickers across the Tech. Suddenly Wilt becomes the target of suspicion. His colleagues believe him to be responsible for triggering a departmental inquiry, and his old adversary Inspector Flint, knowing that he's guilty of something, sees a chance to settle a number of scores. What starts with an accusation of voyeurism in the staff lavatory (of the wrong gender to boot) leads, more or less directly, to a massive confrontation at a nearby US airbase with the forces of law and order on both sides and Wilt in his usual place - in the middle.
