British Medical Journal University of  
Pennsylvania Press

“Manya Shochat was a truly unusual

woman, a figure of extreme complexity who might have come out of a nineteenth-century Russian novel. In her life’s story we find a full enactment — rare in one person — of the main qualities, some of them contradictory, which played such a prominent role in

the history of Zionism. She was incredibly tough and unbelievably charitable; sentimental and fearless; a fanatic Zionist and a fanatic socialist; a co-founder of Ha'shomer (an armed organization of settlers whose motto was: "In blood and fire Judea fell; in blood and fire she shall rise again!"), and at the same time a leading member of the left-wing anti-nationalist League for Arab-Jewish Understanding. She was fully convinced that Arab acquiescence to Zionism could be achieved through the raising of Arab standards of living; and yet on lecture tours abroad on behalf of Poale Zion and her kibbutz, she passionately admonished the wealthier Jews of America that high living standards were meaningless, only national dignity counted. Already before

her arrival in the country, in January 1904, she had achieved some notoriety in Russian revolutionary circles by running arms for the anarchists and participating in clandestine plots and agitation. Once, as a twenty-year-old anarchist in Russia, she shot a Czarist spy to death, dismembered his corpse, placed the pieces in a suitcase, and sent it off by rail to a nonexistent address in Siberia." (Amos Elon in *The Israelis: Founders and Sons*) "This is a deeply moving... story of a life... Mrs. Ben-Zvi, wife of Israel's second president, describes not only Manya's growth... and her incredible creativity in starting the kibbutz movement, but her love affair with Yisrael Shochat, a charmer with a roving eye, whose infidelities drove her to attempt suicide... Manya Shochat

lived her extraordinary life with strength and idealism, with a pure vision of a world in which all people, especially Jews and Arabs... would one day live together in peace and brotherhood... Biography is living history. It is fitting that the story of Manya Shochat, one of the founding mothers of Israel, should be told by her friend, Rachel Yanait Ben-Zvi, herself a founding mother.” — Ruth Gruber, author of *Raquela: A Woman of Israel, Haven and Rescue: The Exodus of the Ethiopian Jews* “The history of Eretz Israel during the second aliyah does not lack riveting personalities, but it would be no exaggeration to say that Manya Shochat was outstanding even among these.” — Yediot Achronot “... an important and fascinating book... an extraordinary woman... possessing

enormous inner strength. Both idealistic and pragmatic, she had a vision of Israel as a just society that respects all individuals, a vision that should serve as inspiration today.” — Judith A. Sokoloff, Editor, *Na’Amat Woman* “Yanait’s book is a true and well-documented testimony which broadens our knowledge through supporting documents... and through various legends which give us a new dimension... It is fascinating to become reacquainted with those early settlers who were equally adept with pistols as with plows, with fountain pens as with balalaikas... Yanait’s book is a true... testimony which... gives us a new dimension.” —Haaretz “... a quite exciting ‘read’... [Rachel Yanait Ben Zvi’s] book of another heroine is a tale of an Israel we shall never see again. As all

scramble to decipher where Israel is headed now, they may want to examine where it once was through the life of the revolutionary and pioneering Manya Shochat.” — Jack Nusan Porter, author of *The Sociology of American Jewry*

“Courageous and naive, tough and sentimental, Manya Shochat is the stuff of Zionist legend.” — Lesley Hazleton, author of *Israeli Women and Jerusalem, Jerusalem*

“This is a book which... I recommend to Israeli feminists and to anyone who has been affected by the women’s liberation movement in America...” — Maariv

“The author does not hide the truth as to Manya’s marriage... on the contrary, her brief comments on this subject add an enticingly human dimension to Manya’s heroic persona.” — Al Hamishmar

#### Catalogue Routledge

This book provides a concise yet comprehensive guide to Wikipedia for researchers and students of linguistics, discourse and communication studies, redressing the gap in research on Wikipedia in these fields and encouraging scholars to explore Wikipedia further as a platform and a medium. Drawing on Herring's situational and medium factors, as well as related developments in (critical) discourse studies, the author studies the online encyclopaedia both theoretically and empirically, examining its origins, production and consumption before turning to a discussion of its societal significance and function(s). This book will be of interest to Wikipedia scholars from a range of disciplines, as well as

those with a broader interest in linguistics, discourse studies and the digital humanities.

**The Pioneer** Broadview Press

This bibliography lists English-language translations of twentieth-century Italian literature published chiefly in book form between 1929 and 1997, encompassing fiction, poetry, plays, screenplays, librettos, journals and diaries, and correspondence.

The Broadview Anthology of British Literature: One-Volume Compact Edition

University of Toronto Press

Presents a lighthearted look at some of the difficulties faced by the pioneers who traveled by wagon train across the United States to settle in the West.

**The Bookseller and the Stationery Trades' Journal** Springer Nature

This set gathers together a collection of out-of-print titles, all classics in their field. Reissued for the first time in some years, they offer an insightful reference resource to a variety of topics. From Professor Colin Holmes's groundbreaking studies of racism in British society, to Professor Kitchen's analysis of the rise of fascism in pre-war Austria, these books shed much light on society's recent dark past.

Indian Antiquary University of Toronto Press

Emmett shows how Pentecostalism in Belgian Congo was pioneered by W.F.P. Burton alongside local agency. Burton had a passionate desire to see the emancipation of humankind from the spiritual powers of darkness believing only Spirit-empowered local agency

would prove effective.

**Kasher Ve-lo Kasher** Springer Nature "Here are some of my favorite make-it-happen dishes, pulled from my nonstop life as a busy wife, mother of four, and lifelong lover of food! The Pioneer Woman Cooks: Come and Get It! includes more than 120 of my best solutions for tasty, wholesome meals (with minimal fuss!) for breakfast, lunch, dinner, and snacks."--Book jacket.

The Bookman N Z Book

In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light. Fully grounded in sound literary and historical scholarship, the anthology takes a fresh approach to many canonical authors, and includes a wide selection of work by lesser-known

writers. The anthology also provides wide-ranging coverage of the worldwide connections of British literature, and it pays attention throughout to issues of race, gender, class, and sexual orientation. It includes comprehensive introductions to each period, providing in each case an overview of the historical and cultural as well as the literary background. It features accessible and engaging headnotes for all authors, extensive explanatory annotations, and an unparalleled number of illustrations and contextual materials. Innovative, authoritative and comprehensive, The Broadview Anthology of British Literature has established itself as a leader in the field. The full anthology comprises six bound volumes, together with an extensive website component; the latter

has been edited, annotated, and designed according to the same high standards as the bound book component of the anthology, and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes. For those seeking an even more streamlined anthology than the two-volume Concise Edition, The Broadview Anthology of British Literature is now available in a compact single-volume version. The edition features the same high quality of introductions, annotations, contextual materials, and illustrations found in the full anthology, and it complements an ample offering of canonical works with a vibrant selection of less-canonical pieces. The compact single-volume edition also includes a substantial website component,

providing for much greater flexibility. An increasing number of works from the full six-volume anthology (or from its website component) are also being made available in stand-alone Broadview Anthology of British Literature editions that can be bundled with the anthology.

**Nature** Jazzybee Verlag

A 2020 LITA Excellence in Children's and Young Adult Science Fiction Notable Book! Packed with action and unexpected twists, this addictive page-turner is perfect for fans of *Illuminae* and *Defy the Stars!* When Jo steps onto planet Tau Ceti e for the first time, she's ready to put the past behind her and begin again. After all, as a pioneer, she has the job of helping build a new home away from Earth. But underneath the idyllic surface of their new home, there's

something very wrong. And when Jo accidentally uncovers a devastating secret that could destroy everything they've worked for, suddenly the future doesn't seem so bright. With the fate of the pioneers in her hands, Jo must decide how far she's willing to go to expose the truth—before the truth destroys them all.

### **A Discursive Perspective on**

**Wikipedia** Oxford University Press  
Includes articles about translations of the works of specific authors and also more general topics pertaining to literary translation.

### Encyclopedia Of Freemasonry BRILL

This book examines the relatively unknown English late-Victorian educational pioneer, Constance Louisa Maynard (1849-1935), whose innovative

London-based Westfield College produced the first female BAs in the mid-1880s. An atypical and powerful woman, Maynard is also notable for her unique knowledge of psychology and patriotic Evangelicalism, both of which profoundly shaped her ambitions and passions. In contrast to most history about an individual's life, this book builds a fascinating life story based upon evidence and clues from minutia. The focus is on nine enigmatic actions motivated by Maynard in her quests for educational leadership, global conversion, and same-sex love. Maynard's acts that she called "mistakes," caused deep enmities with administrators and college women. Yet amid her trials and conflicts Maynard made key decisions about her public and

private life. Moreover, her so-called mistakes reveal astonishing new insights into a past mindset and the rapidly changing world in which Maynard lived.

Before Golda: Manya Shochat Oxford University Press

Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June)

### **Thacker's Indian Directory**

HarperCollins

This volume contains the three lectures R. W. G. Vail delivered in the fall of 1945, in connection with his A. S. Rosenbach Fellowship at the University of Pennsylvania, supplemented by descriptions of 1300 bibliographical items covering the North American frontier literature over the period 1542

to 1800.

Twentieth-century Italian Literature in English Translation Plunkett Lake Press

Providing the most complete record possible of texts by Italian writers active after 1900, this annotated bibliography covers over 4,800 distinct editions of writings by some 1,700 Italian authors. Many entries are accompanied by useful notes that provide information on the authors, works, translators, and the reception of the translations. This book includes the works of Pirandello, Calvino, Eco, and more recently, Andrea Camilleri and Valerio Manfredi. Together with Robin Healey's Italian Literature before 1900 in English Translation, also published by University of Toronto Press in 2011, this volume makes comprehensive information on

translations from Italian accessible for schools, libraries, and those interested in comparative literature.

**Catalog of Copyright Entries. Third Series** Oxford University Press on Demand

"Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English, and published between 1929 and 2008. It lists works from all genres and subjects, and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5,200 distinct editions of pre-1900 Italian writings. Most entries are accompanied by useful notes providing information on authors, works, translators, and how the

translations were received. Among the works by over 1,500 authors represented in this volume are hundreds of editions by Italy's most translated authors - Dante Alighieri, [Niccoláo] Machiavelli, and [Giovanni] Boccaccio - and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's Twentieth-Century Italian Literature in English Translation, this volume makes comprehensive information on translations accessible for schools, libraries, and those interested in comparative literature."--Pub. desc.

**Library, to be Sold Nov.**

**16,17,[22,23,30], 1909** Taylor & Francis

Translations, the first based largely on

that in Richard Willes, *History of Travayle in the West and East Indies* (1577), the second derived from Purchas his *Pilgrimes* (1624), the third by the editor from three sixteenth-century Spanish versions. With appendices on various matters, including a Chinese glossary and a table of Chinese dynasties and emperors. This is a new print-on-demand hardback edition of the volume first published in 1953.

**Biography** Routledge

Official organ of the book trade of the United Kingdom.

The Voice of the Old Frontier Copyright Office, Library of Congress

Translation has been a crucial process in world culture over the past two millennia and more. In the English-speaking cultures many of the most important

texts are translations, from Homer to Beckett, the Bible to Freud. Although recent years have seen a boom in translation studies, there has been no comprehensive yet convenient guide to this essential element of literature in English. Written by eminent scholars from many countries, the *Oxford Guide to Literature in English Translation* meets this need and will be essential reading for all students of English and comparative literature. It highlights the place of translation in our culture, encouraging awareness of the issues raised, making the translator more 'visible'. Concentrating on major writers and works, it covers translations out of many languages, from Greek to Korean, from Swahili to Russian. For some works (e.g. Virgil's *Aeneid*) which have been

much translated, the discussion is historical and critical, showing how translation has evolved over the centuries and bringing out the differences between versions. Elsewhere, with less familiar literatures, the Guide examines the extent to which translation has done justice to the range of work available. The Guide is divided into two parts. Part I contains substantial essays on theoretical questions, a pioneering outline of the history of translation into English, and discussions of the problems raised by specific types of text (e.g. poetry, oral literature). The second, much longer, part consists of entries grouped by language of origin; some are devoted to individual texts (e.g. the *Thousand and One Nights*) or writers (e.g. Ibsen, Proust), but the

majority offer a critical overview of a genre (e.g. Chinese poetry, Spanish Golden Age drama) or of a national literature (e.g. Hungarian, Scottish Gaelic). There is a selective bibliography for each entry and an index of authors and translators.

Oil Trade University of Toronto Press  
 Dr. Albert G. Mackey, also the author of *The Lexicon of Freemasonry* appears as author of this "Encyclopedia of Freemasonry and its Kindred Sciences," which, being a library in itself, superseded most of the Masonic works which have been tolerated by the craft—chiefly because none better could be obtained. Here, in one giant volume is a work which fulfils the hope which sustained the author through ten years' literary labor, that, under one cover he

"would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science, the philosophy, and the history of his order." For more than thirty years Dr. Mackey has devoted earnest and constant study and research to the history, the objects, and the condition of Masonry. In the present work, the crowning and successful result of a life's labors, he has received no assistance from any one. He says, " Every article was written by myself," and he adds, which would extenuate errors, had he fallen into any, "For twelve months, too, of the time occupied upon this work, I suffered from an affection of the sight, which forbade all use of the eyes for purposes of study. During that time, now happily passed, all authorities were

consulted by the willing eyes of my daughters—all writing was done by their hands. I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters," and his preface closes with the words, "Were I to dedicate this work at all, my dedication should be—To Filial Affection." Up to the present time the modern literature of Freemasonry has been diffuse, lumbering, unreliable, and, out of all reasonable proportions.

A Victorian Educational Pioneer's  
Evangelicalism, Leadership, and Love  
William Morrow

What does innovation mean to and in India? What are the predominant areas of innovation for India, and under what situations do they succeed or fail? This book addresses these all-important

questions arising within diverse Indian contexts: informal economy, low-cost settings, large business groups, entertainment and copyright-based industries, an evolving pharma sector, a poorly organized and appallingly underfunded public health system, social enterprises for the urban poor, and innovations for the millions. It explores the issues that promote and those that hinder the country's rise as an innovation leader. The book's balanced

perspective on India's promises and failings makes it a valuable addition for those who believe that India's future banks heavily on its ability to leapfrog using innovation, as well as those sceptical of the Indian state's belief in the potential of private enterprise and innovation. It also provides critical insights on innovation in general, the most important of which being the highly context-specific, context-driven character of the innovation project.
