STOUT HARTMAN

Moon Florida Gulf Coast Wattpad Books
Maps published from the third quarter of
the eighteenth century through the Civil

War reflect in colorful detail the
emergence of the Commonwealth of
Kentucky and the unfolding art of
American cartography. Ten maps,
selected and annotated by the most
eminent historian of Kentucky, have
been reproduced in authentic facsimiles.

The accompanying booklet includes an illuminating historical essay, as well as notes on the individual facsimiles, and is illustrated with numerous details of other notable Kentucky maps. Among the rare maps reproduced are one of the battlefield of Perryville (1877), a colorful travelers' map (1839), and a map of the Falls of the Ohio (1806) believed to be the first map printed in Kentucky.

Rand McNally Road Atlas Houghton Mifflin Harcourt

A fun and exciting touch-and-feel book featuring one of the best-selling children's book characters of all time - Pat the Bunny! Pat the Bunny has been creating special first-time moments between parents and their children for over 75 years. This engaging touch-and-feel book takes babies on a playful trip

to the zoo where they can pet animals like lions, pandas, turtles, and more, all the while making cherished memories that will last a lifetime.

Ride Atlas of North America Rand McNally

"Company policy forbids me from exchanging my blood, my soul, or my firstborn child with customers..." When Ross starts working third-shift at a gas station, he doesn't think anything extraordinary will happen. He expects a lot of quiet shifts. Well, you know what they say about assumptions. One explosion later and he's the personal assistant to a vampire-who he admits is not only sexy, but the sane one-in charge of his supernatural clan's paperwork, and managing any trouble the members get into. Spoiler alert: the

clan can get into quite a bit of trouble. Ross is definitely not paid enough for this. Tags: The crack ship armada sails again, and then it got out of hand, poor put upon retail workers, Ross didn't deserve this, Fate is cruel, so am I, the trauma of changing jobs, Ross has a paperclip and knows how to use it, Ross isn't clear if he's a PA, bartender, or babysitter, troublesome werewolves, Australian wizards, spells gone awry, very awry, sexy vampires, developing relationship, coming out, not a single degree of chill from Glenn where Ross is concerned, slow burn, boss/secretary, light bondage, Ross has to teach ancient mythical beings how to text, pray for him, SHENANIGANS, did I mention crack?, the most absurd workplace romance in history

Math Advantage, Grade 4 University Press of Kentucky

A teenage orphan is caught up in President Lincoln's assassination—and another macabre plot—in this “fast-paced and dramatic” historical novel (Publishers Weekly). Emily's mother always told her that she should avoid Uncle Valentine, a doctor, that he was involved in things she shouldn't know about. But after Emily is orphaned—as Washington, DC, is in chaos due to the end of the Civil War—she has nowhere else to go. Now, in addition to coping with the loss of her mother, the fourteen-year-old finds herself involved in two mysteries. First, she wonders about her best friend, Annie Surratt, and the Surratt family. Annie has a signed picture of the handsome actor John

Wilkes Booth in her room—but there seems to be more of a connection between Booth and the Surratt family than Emily thought...possibly including the plot to kill Lincoln. At the same time, Uncle Valentine’s odd behavior leads Emily to suspect that he is involved with body-snatching. As dark secrets swirl around her, Emily must figure out who she can trust, in this suspenseful tale “with a wealth of interesting background information” (Publishers Weekly). “Rinaldi has woven two interesting plots here into a fine coming-of-age historical novel....Makes readers feel as if they are living in history.”—Booklist “A vivid account of the moral ambiguities surrounding body snatching—for medical research—at the close of the Civil War.”—Publishers Weekly

2022 Road Atlas with Protective Vinyl Cover Moon Travel
