Metart. com -- Worlds Top Models

Taschen

From the Michael Stokes Collection, this extraordinary publication reveals a side of World War II never before made public: young Allied troops discharging tension in boisterous, naked play and intimate "buddy" friendships. A remarkable, often tender, lineup of personal photographs and vintage military ephemera, these images offer a whole new perspective on masculinity and the wartime relations between men. Every harrowing day for a serviceman during World War II was potentially his last. To help bolster troops against the horrors of combat, commanders encouraged them to form tight "buddy" relationships for emotional support. Many war buddies, together every moment, and depending on each other to survive, formed intimate friendships. When they weren't fighting side by side, they relaxed together, discharging tension in boisterous--sometimes naked--play. The full extent of nude horseplay among men during World War II can't be known, as cameras were rare and film hard to process, but some men did document this unprecedented male bonding in small, anonymous photos mostly kept hidden away until their deaths. Los Angeles photographer Michael Stokes has spent years searching out these photos and building an archive of over 500 images. His collection includes soldiers and sailors from Australia, England, France, Italy, Poland, Russia, and the USA, cavorting on the sand in the South Pacific, shivering in the snow of Eastern Europe, posing solo in the barracks, and in great happy groups just about everywhere. These images show men barely out of boyhood, at their physical peak, responding to the reality of battle by living each day to the fullest--a side of the war never before made public. The introduction is by Scotty Bowers, an

89-year-old ex-Marine and author of Full Service, the best-selling memoir of his sexual exploits in Hollywood, and how the war forever altered his attitudes about gay and straight, just as these photos may alter our attitudes about World War II and war buddies

This third book of Hanson's wildly successful body parts series explores how revealing the female leg became central to women's liberation, beginning with the French Revolution and ending with the sexual revolution.

How to Pick Up a Man Taschen

Lovely legs: A new low-cost tribute to the shapely pedestals of female charm The female leg is an erotic oddity: non-genital, and nearly identical in structure to the male limb, there is no obvious reason why it should be eroticized. Yet through much of history, across many cultures, the female leg was kept covered and treated as taboo, until it became an object of sexual obsession. In Victorian times, the word 'leg' was forbidden in polite society, lest gentlemen be driven wild with lust. Even now, 80 years after women's legs finally came out of hiding, their allure remains mysterious and powerful. The third in Dian Hanson's wildly successful series on erotic body parts is now downsized in a lighter, more portable edition that retains all the original photos and text. Explore how the female leg became central to women's emancipation, from the French Revolution to the sexual revolution. Over 400 photos document the first burlesque shows of the 1800s, the silk-stockinged flappers of the 20s, the nylon-mania of the 40s, the dawn of the stiletto in the 50s, and the golden age of leg magazines in the 60s. Who wore the first high heels, how did nylons become a weapon of war, why were Betty Grable's the "million dollar legs," where did Elmer Batters get his start, and just what is the deal with feet? The answers are all here, along with vintage photos by Irving Klaw, Peter Gowland, Bunny Yeager, Batters,

and other great masters of leg art. Text in English, French, and German

The Little Big Butt Book Goliath Books

Il est difficile d'imaginer plus efficace que Le grand livre des pénis pour attirer l'attention et stimuler les ventes - à part les mêmes images d'appareils génitaux impressionnants en trois dimensions. En trois dimensions, chaque double page est comme un dépliant en relief ! Cette édition spéciale de 220 pages et de 30 cm sur 30 comprend 96 images tirées du livre original, ainsi que 8 inédites, converties en 3-D par John Schnitzer et The Brain Factory, les véritables génies responsables notamment des effets spéciaux des films de Tim Burton. Le coffret comprend une révision de l'introduction et de la mise en page, et est proposé avec deux paires de lunettes de vision en 3-D, aux verres bleus et rouges, pour vous permettre d'admirer le livre à deux, ou seul une fois usée la première paire. Contrairement aux images figurant dans d'autres ouvrages en 3-D publiés jusqu'ici, celles du Grand livre des pénis en 3-D ne sont pas déformées lorsqu'on les observe sans les lunettes. La technique utilisée par The Brain Factory est si perfectionnée qu'il est difficile ne serait-ce que de distinguer les teintes bleue et rouge sur les clichés en noir et blanc. Pourtant une fois les lunettes chaussées, les parties intéressantes surgissent de la page non pas en une succession de couches plates, comme dans les photos en 3 dimensions classiques, mais pour dessiner des contours pleins et ronds. Il ne fait aucun doute que ce livre est une parfaite idée de cadeau. Depuis l'apparition de la 3-D, lances, manches, fusils, fusées ont tous été pointés sur le public pour montrer le réalisme de l'effet obtenu. Les effets spéciaux du Grand livre des pénis en 3-D sont tout aussi convaincants.

This was written hundreds of years ago by a medieval poet of courtly love, flushed with enthusiasm for the fairer sex's most 'outstanding' physical feature. Today, little has changed men still love breasts! Most

people today would agree that breasts have acquired sexual-aesthetic values, as their shape and appearance is seen to embody female beauty. Standards have, however, changed over the centuries, according to the fashion and culture of the time, but somehow the breast remains a woman's key alluring feature.

Naturally Sexy Girls - English Edition Taschen

Sexy in the city: Howard Huang's anime-inspired glamour girls When photographer Howard Huang began shopping his fashion book around New York in 2002 he had no idea he was about to become the master of urban photography. Back then, Huang, originating from Taiwan, thought "urban girls" were just women who lived in the city, explaining, "English is my second language; I was still learning."

Nonetheless, when the editor of *Black Men* magazine asked if he knew how to shoot sexy women he said, "Sure!" and set about staging the magazine's voluptuous singers, models, and actresses in fantasies inspired by his love of comic books and anime. His composite photos feature exotic locales, lush interiors, or the neon-washed nighttime streets of Manhattan. His shapely heroines, including singer Jacki-O, actress Vida Guerra, and reality TV stars Hoopz, Deelishis, and Risky Jones,

escape on sleek motorcycles; rob banks with guns drawn and Halliburton cases spilling money; brandish swords like Japanese assassins; conjure fire; hunt big game, and generally kick ass while displaying their own generous posteriors in photos reminiscent of video games.

"The trick is to rework an image to enhance my vision, without drawing attention to cheesy Photoshop special effects," says Huang, who studied under advertising photography master Michel Tcherevkoff. The result is a unique marriage of the new pictorialism with classic glamour photography, and a look at the little known niche market of African-American and Latina bikini models, collectively known as "urban girls." Text in English, French, and German

Sweet cheeks made sweeter: A trunkload of fat, juicy junk in a trimmed down package *The Kama Sutra* gives detailed instructions on how to spank it. Contemporary Italians touch it for luck before placing a bet. Americans are having

it cosmetically enhanced at rates approaching breast enlargement surgery. The female butt, tush, culo, or derrière has always inspired awe, fantasy, and slavish devotion, and now TASCHEN offers a more portable, affordable alter to this beloved body part with *The Little Big Butt Book*. According to biologists big butts exist to balance our bodies while running, but ask any pygophilic—as fundamental fans are clinically termed—and you'll get a more basic answer: "My anaconda don't want none, unless you've got buns, hun." When Sir Mix-a-Lot wrote that line in 1991 big butt appreciation was severely limited in breast-obsessed American society. Today, the fully formed fanny is enjoying a massive resurgence, thanks to hip hop culture and Kim Kardashian. *The Little Big Butt Book* explores this perennial fascination with female booty—from small and taut to large and sumptuous—in a new, smaller, affordable edition with all the original photos and interviews intact. Enjoy over 400 photos from 1900 to the present day, including works by Elmer Batters, Ellen von Unwerth, Jean-Paul Goude, Ralph Gibson, Richard Kern, Jan Saudek, Ed Fox, Terry Richardson and Sante D'Orazio, of butts ranging from petite Pam Anderson's to sumptuous Serena Williams', are contextualized by interviews with porn icon John (Buttman) Stagliano, filmmaker Tinto Brass, artist Robert Crumb, bootylicious butt queens Buffie The Body, Coco and Brazil's

Raunchy, yet informational, and packed with helpful infographics, guides, and more, this is a laugh-out-loud delight for animal lovers and comedy fans alike. **HILARIOUS YET EDUCATIONAL:** The author's biting funny, wildly imaginative dating personas of a wide variety of animals includes factual explanations of their oft-astounding mating habits. **AS FUNNY AS IT IS GROSS:** This R-rated yet informational book will make a laugh-out-loud gift for animal lovers and comedy fans everywhere. **GREAT BIRTHDAY OR VALENTINE'S GIFT:** Whimsical and witty yet informative, *Sex and the Single Panda* makes a great gift for any animal lover,

science lover, or comedy enthusiast. Perfect for: Animal lovers, Humor fans, Anyone who has dated or mated, Valentine's Day and gag gift shoppers, Fans of *The Bachelor* and its spin-offs **The Little Big Book of Legs** Taschen In 'The Big Book of Pussy' editor Dian Hanson delves into the historical significance of this humble os, to show how the yoni has been coveted, feared, reviled, and worshipped by civilizations worldwide, from New Guinea to old Ireland. The text is supported by playful photographs of women exposing their vulvas, from 1900 to the present day. Because depiction of this body part has long been wrapped in unwarranted shame, 'The Big Book of Pussy' reframes the subject, featuring models who expose their most private part enthusiastically, happily, with smiles spread wide. And with 400+ photos the point is made emphatically, in images both naturally furry and stylishly groomed. Included are interviews with the auteur known as Pussyman, the ex-cop who turned masturbation into millions with a toy called the Fleshlight, Vanessa del Rio, Flower Tucci, vaginal performance artist Mouse, and Buck Angel. *The Little Book of Big Penis* Taschen America Llc Although Ann Estelle focuses on her wish list as Christmas approaches, her best memories have little to do with the presents she receives.
