*Get Well Soon* Henry Holt  
 A history of heartbreak-  
 replete with beheadings,  
 uprisings, creepy sex  
 dolls, and celebrity  
 gossip-and its disastrously  
 bad consequences  
 throughout time Spanning  
 eras and cultures from  
 ancient Rome to medieval  
 England to 1950s  
 Hollywood, Jennifer  
 Wright's *It Ended Badly*  
 guides you through the

worst of the worst in  
 historically bad breakups.  
 In the throes of  
 heartbreak, Emperor Nero  
 had just about everyone  
 he ever loved-from his old  
 tutor to most of his  
 friends-put to death.  
 Oscar Wilde's lover, whom  
 he went to jail for,  
 abandoned him when  
 faced with being cut off  
 financially from his  
 wealthy family and wrote  
 several self-serving books  
 denying the entire affair.  
 And poor volatile Caroline  
 Lamb sent Lord Byron one  
 hell of a torch letter and  
 enclosed a bloody lock of

her own pubic hair. Your  
 obsessive social media  
 stalking of your ex isn't  
 looking so bad now, is it?  
 With a wry wit and  
 considerable empathy,  
 Wright digs deep into the  
 archives to bring these  
 thirteen terrible breakups  
 to life. She educates,  
 entertains, and really puts  
 your own bad breakup  
 conduct into perspective.  
*It Ended Badly* is for  
 anyone who's ever loved  
 and lost and maybe sent  
 one too many ill-  
 considered late-night  
 emails to their ex,  
 reminding us that no

matter how badly we've behaved, no one is as bad as Henry VIII.

"The Protocols of the Elders of Zion" is almost certainly fiction, but its impact was not. Originating in Russia, it landed in the English-speaking world where it caused great consternation. Much is made of German anti-semitism, but there was fertile soil for "The Protocols" across Europe and even in America, thanks to Henry Ford and

others.

### **Get Well Wishes**

National Academies Press

*The Origin and Early Evolutionary History of Snakes* Little, Brown

Following a family tragedy, siblings Lou and Oz must leave New York and adjust to life in the Virginia mountains--but just as the farm begins to feel like home, they'll have to defend it from a

dark threat in this New York Times bestselling coming-of-age story. Precocious twelve-year-old Louisa Mae Cardinal lives in the hectic New York City of 1940 with her family. Then tragedy strikes--and Lou and her younger brother, Oz, must go with their invalid mother to live on their great-grandmother's farm in the Virginia mountains. Suddenly Lou finds herself growing up in a new landscape, making her first true friend, and experiencing adventures tragic, comic, and

audacious. When a dark, destructive force encroaches on her new home, her struggle will play out in a crowded Virginia courtroom...and determine the future of two children, an entire town, and the mountains they love.

INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This method is very simple, very accessible, and

endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom.” —Wim Hof Wim Hof has a message for each of us: “You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation.” With The Wim Hof Method, this trailblazer of human potential shares a method that anyone can

use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as “The Iceman” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their

lives. In his gripping and passionate style, Wim shares his method and his story, including: •  
Breath—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind •  
Cold—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body’s untapped strength •  
Mindset—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the

miracle of living •  
 Science—How users of this method have redefined what is medically possible in study after study •  
 Health—True stories and testimonials from people using the method to overcome disease and chronic illness •  
 Performance—Increase your endurance, improve recovery time, up your mental game, and more •  
 Wim’s Story—Follow Wim’s inspiring personal journey of discovery, tragedy, and triumph •  
 Spiritual Awakening—How

breath, cold, and mindset can reveal the beauty of your soul Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will change the world, one soul at a time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your

own potential, The Wim Hof Method is waiting for you.

Scholastic Paperbacks  
A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual

confrontation as they migrate to Boulder, Colorado.

*The Complete Story of Sadako Sasaki* Cambridge University Press

Napoleon's Buttons is the fascinating account of seventeen groups of molecules that have greatly influenced the course of history. These molecules provided the impetus for early exploration, and made possible the voyages of discovery that ensued. The molecules resulted in grand feats of engineering and spurred advances in

medicine and law; they determined what we now eat, drink, and wear. A change as small as the position of an atom can lead to enormous alterations in the properties of a substance—which, in turn, can result in great historical shifts. With lively prose and an eye for colorful and unusual details, Le Couteur and Bureson offer a novel way to understand the shaping of civilization and the workings of our contemporary world. Get Well Soon Or Else!

National Academies Press

A professor of English literature writes the autobiography of his fantasy alter-ego, wanton movie star Gloria Grahame, while his own sexual desires go frustrated. Denton Moulton — a shy, effeminate male professor — lives inside his head, where he is really a long-dead movie star: the glamorous Gloria Grahame, from the golden age of Hollywood. Professor Moulton is desperate to reveal Gloria's shocking secret

before he dies. Does he have the right to tell this woman's story? Who, in fact, has the right to tell anyone's story at all? A scandalous, humorous novel of taboo desires and repression, I, Gloria Grahame alternates between Gloria's imagined life with her film-director husband, Nicholas Ray, director of Rebel Without a Cause, and Denton's increasingly frustrated real-life attempts to produce his own work of art: an all-male drag production of Shakespeare's Venus and

Adonis. The novel takes us from high-strung film sets to dark bars and the puritanical offices of government arts granting agencies, where Denton runs up against the sternest warnings that he may not, in fact, imagine himself as someone else, even in art. A RARE MACHINES BOOK Red Sauce Rowman & Littlefield Publishers 'How to Win Friends and Influence People' is one of the first best-selling self-help books ever published. Just after publishing, it quickly

exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. With an enduring grasp of human nature, it teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of

just about anyone. Millions of people around the world have improved their lives based on the teachings of Dale Carnegie. This classic book will turn your relationships around and improve your interactions with everyone in your life. (How to Win Friends and Influence People by Dale Carnegie, 9788180320217)
