" My research shows we are heading into a major shake-out in business that will determine the leaders for decades to come. This will REQUIRE creative marketing and positionin, and there is no better source than Dan Kennedy on this topic. His book No B.S. Guide to Trust-Based marketing is rich with vital insights." - Harry S. Dent, Jr., author, The Great Crash Ahead Trust Between Consumers and Businesses is Gone Here's How to Fix It Internationally recognized "millionaire maker," Dan S. Kennedy, joined by entrepreneur and financial consultant, Matt Zagula, show you how to break down the barriers caused by the "trust no one" mantra invading every customer's mind today. They deliver an eye-opening look at the core of all business—trust, and teach you the secrets to gaining it, keeping it, and using it to build competitive differentiation, create price elasticity, attract more affluent clients, and inspire referrals. You'll get the essential strategies required to build trust in an understandably untrusting world, and in turn, attract both business and profits. Covers • 8 ways to demonstrate trustworthiness to prospective clients • The #1 secret desire of today's untrusting prospects—how to understand it, respond to it, and use it to transform marketing, prospecting, and presentations • How to avoid dumb mistakes that scream "salesman" to prospects • Why "Where can I find clients?" is the wrong question. The right question is: How can I construct a business persona and life so that clients seek me out, with trust in place in advance? • How to keep products, services

and prospects away from the avalanche of competitive and confusing information online • The incorrect assumption that trust is built by imparting information and knowledge and a breakthrough technique to replace this mistake

The strongest energy always wins. That's it! That's the key to moving from your current situation, any situation, into the life

you've always wanted. Yes! Energy presents the power of the "Energy Equation," which you can employ to attract abundance to all areas of your life. This formula can help you lead your life to achieve financial freedom; center your actions around a spiritual core of certainty and confidence; up-shift your attitude into consistent optimism; commit to engage with others at the highest, most satisfying levels; create the enterprise you've always envisioned; and dust off your dreams. Best-selling author and entrepreneurial speaker Loral Langemeier developed this simple and straightforward methodology, which is revealed explicitly in these pages, because she needed it herself. Knocked to her knees more than a few times on her true-grit journey from farm girl to multimillionaire, she knows what it's like to hit obstacles hard. Yet despite the blows, she still stands, and she still delivers. So, if you want to learn how to tap into infinite, productive energy; extreme optimism; and calming, clarifying spirituality to improve your life in any way . . . this is the book for you! Harness the Energy Equation and supercharge your life!

*Rich Dad's Guide to Investing* Andrews McMeel Publishing  
Simplified Chinese Translation *Why Are So Many Jews Millionaires?* Jews are estimated to make up less than 1% of the world's population, yet approximately 25% of the world's billionaires are Jewish. Jews are always found on lists of the world's richest people. In 2009, 139 of the Forbes 400 were Jewish. Jews also comprise a very large number of history's most important figures, people who have had a profound impact on humanity. Approximately 35% of Nobel Prizes have been awarded to Jews. No other ethnic group has even come close to matching the abilities and accomplishments of Jews. Since such a large percent of the wealthiest and most successful people in the world are Jewish, a common question the world over is, "Why are so many Jews so wealthy?" Their secret lies not in their genetics or intelligence, as some have believed, but in their religion. Many of the wealthiest Jews use a code based on Judaism. You do not need to convert to Judaism or believe in religion to use The Money Code. "Religion has preserved history's greatest wisdom

teachings," says religious studies scholar Huston Cummings Smith. There are various methods of wealth creation; however, many are short-lived, unfulfilling, or hazardous. The ideal circumstance is to create long-lasting wealth, accompanied by peace of mind and fulfillment. This book will reveal the code that many Jews understand and use to their great advantage. The Money Code can be used by absolutely anyone to achieve long-term wealth and success in life.

 Praise for THE MILLIONAIRE CODE "A wonderfully worthy book, especially in an era when the wrong kind of capitalism has been in the driver's seat. The Millionaire Code is about something far more noble than money-the joy of living your life to the fullest simply by finding what it is you love to do, and then doing it. 'Hats off' to Paul Farrell for picking up where William Shakespeare left off: 'This above all: to thine ownself be true.'" -John C. Bogle Founder and former CEO, The Vanguard Group "To make your savings grow, you need to know three things: the way the markets work, the way market history works, and the way you work. Let Paul Farrell take you on an enlightening, enjoyable, and profitable journey to the inner self of the successful investor." -William J. Bernstein, PhD, MD author of The Four Pillars of Investing: Lessons for Building a Winning Portfolio and The Intelligent Asset Allocator "Combining personality theory, solid investment advice, and Zen philosophy, Paul Farrell demonstrates concretely how necessary it is to combine your personality and investing styles in order to create meaningful wealth. If you want to learn what it takes to develop your own unique investment strategy-the only kind likely to succeed-this is the book to get." -Dr. Richard Geist Clinical Instructor, Department of Psychiatry (Psychology) Harvard Medical School "An important work. Leave it to Paul Farrell to provide a truly unique insight into the minds of millionaire investors. I have been impressed with Paul Farrell's

work for many years. His latest book, The Millionaire Code, provides an important contribution to the world of investing. Truly unique insights." -Charles Carlson author, Eight Steps to Seven Figures: The Investment Strategies of Everyday Millionaires and How You Can Become Wealthy Too "It's often said that if you don't know who you are, Wall Street is an expensive place to find out. By helping you understand more about yourself, this book will help you become a more successful investor." -Ric Edelman Chairman, Edelman Financial Services, author of Ordinary People, Extraordinary Wealth, and Discover the Wealth Within You *No B.S. Fact: More commerce and wealth is created by direct mail than by any other media (true before the internet and true now) Reported in 2013 as the marketing channel that "delivers the best ROI for customer acquisition and retention" by Target Marketing's Seventh Annual Media Usage Forecast survey of B2C, direct mail is surprisingly outdated and under-represented on the marketing bookshelves for small business owners — authors Simpson and Kennedy change that. Millionaire-maker Dan S. Kennedy and direct mail marketing specialist Craig Simpson urge

small business owners to drive the momentum built via social media and other marketing avenues into the mailboxes of their target consumers. Unlike other direct mail marketing books on the shelf that specialize in one aspect of preparing a campaign such as copywriting or design, this comprehensive solution covers all — the organizational, technical, and creative including designing, budgeting, tracking, and assessing effectiveness. Also covered is how direct mail can be used in today's online marketing funnels. Benefiting from the authors' combined 30 years in direct marketing, business owners are given the guidelines for what works and what doesn't, illustrated by real-life business campaigns that show step-by-step how to build a results-producing promotional campaign.
