Once again your quest to discover how my life as a gigolo began is bound between two covers.

And, yes, all of the personal memoirs I've recounted have occurred in my life exactly as described, yet ala Mr. Robert Leroy Ripley's famous words you may choose to "believe it or not." On the other hand, perhaps my book's provocative contents could prove a bit too much for you? While you're pondering that determination I'll reiterate that it was my mother whom envisioned my life should be lived as a gigolo and that my personal perception's always been that living such a carefree lifestyle could lead to a fascinatingly splendid life, one filled with fun, adventure, excitement, and more. Fortunately for all my perception has proven to be spot on, which I've now chosen to share with you. My first book introduced you to my very unique upbringing and development of a stellar reputation. This novel, the second of my introductory trilogy, provides you with an even deeper level of insight. Cruise Vacations for Mature Travelers Rick Steves

...life is mocked by death, and we are the fools." --Justin Chance. Is this the despairing conviction of an eighteen-year-old boy haunted by personal demons pursuing him as he runs from a tragic past? Or were these words uttered in ignorance of the real demons seen by supersleuth Benjamin Wade as the Baby-Boomer parents of Michael Weston and Michael's betrothed Erin Jennings. When the friendship of Michael and Justin metamorphoses into romantic love before the fireplace on a snowy Christmas Eve, their lives suddenly change forever. Michael, a successful software entrepreneur at the young age of twenty, must now choose between Love and Love and can only watch helplessly as his world begins to collapse around him. A story of two boys who are coming of age in a Baby Boomer-dominated society and who find themselves suddenly faced with all the great questions humanity has perpended for millennia--questions about love and life and fate and who we are as participants in the social order, indeed as members of the human species--it is an indictment of the Boomer generation and the world that generation has created. As Michael and Justin struggle to understand the great personal and societal forces bearing down heavily upon them and to do what they each believe in their young minds is the right thing under impossible circumstances, their superior intelligence can find little guidance in the accepted wisdom of their country. A cast of colorful characters animates a story of deep emotion engaging the reader, a story whose suspense rivets as it builds toward the dramatic climax.

When I lost 70 pounds within 5 months, I left my closet in desperate need of clothes. How I filled it up in this economy is what inspired me to share with others some of my experiences that I went through in the struggle to get back a closet full of clothes. But I learned that it's not a closet full of clothes that's very important, it's having a closet full of good clothes that are organized to make the dressing process easier and more exciting. It is also the outcome of the dressing, which should be comfortable and noticeable.

?Why do some women exude confidence and look great in their clothes and others never feel good about how they look, no matter what they wear? And why do we claim we have "nothing to wear" when our closets are bursting with choices? Clothing and dressing anxiety — what Tracy McWilliams calls closet trauma — occurs because we lack a clear sense of self and we have not defined the image we wish to express.

Mare's Nest (T. J. O'Sullivan Series, #1) Yale University Press

Writing with warmth and humor, Connie Schultz reveals the rigors, joys, and absolute madness of a new marriage at midlife and campaigning with her husband, Sherrod Brown, now the junior senator from Ohio. She describes the chain of events leading up to Sherrod's decision to run for the Senate

(he would not enter the fray without his wife's unequivocal support), and her own decision to step down from writing her Pulitzer Prize-winning column during the course of one of the nation's most intensely watched races. She writes about the moment her friends in the press became not so friendly, the constant campaign demands on her marriage and family life, and a personal tragedy that came out of the blue. Schultz also shares insight into the challenges of political life: dealing with audacious bloggers, ruthless adversaries, and political divas; battling expectations of a political wife; and the shock of having staffers young enough to be her children suddenly directing her every move. Connie Schultz is passionate and outspoken about her opinions—in other words, every political consultant's nightmare, and every reader's dream. "[Schultz is] a Pulitzer Prize-winning journalist with a mordant wit. . . . The [campaign memoir] genre takes on new life." —The Washington Post Book World "With her characteristic wit and reportorial thoroughness, [Schultz] describes the behind-the-scenes chaos, frustration and excitement of a political campaign and the impact it has on a candidate's family." —Minneapolis Star Tribune "Witty and anecdotal, whether read by a Democrat or a Republican." —Deseret Morning News "Frank and feisty . . . a spunky tribute to the survival of one woman's spirit under conditions in which it might have been squelched." —The Columbus Dispatch
