Infotech, second edition, is a comprehensive course for intermediate level learners who need to be able to understand the English of computing for study and work. Thoroughly revised by the same author it offers up to date material on this fast moving area. The course does not require a specialist knowledge of computers on either the part of the student or the teacher. The 30 units are organized into seven thematically linked sections and cover a range of subject matter, from Input/output devices for the disabled to Multimedia and Internet issues. Key features of the Teacher's Book: - exhaustive support for the teacher, with technical help where needed - a photocopiable extra activities section - answer key and tapescripts

Put the power of Excel formulas and functions to work for you! Excel is a complex program.

Mastering the use of formulas and functions lets you use Excel to compute useful day-to-day information, such as calculating the true cost of credit card purchases or comparing 15-year and 30-year mortgage costs. This fun and friendly book demystifies Excel's built-in functions so you can put them to work. You'll find step-by-step instructions on 150 of Excel's most useful functions, how they work within formulas, and how to use them to make your life easier. See how to use 150 of Excel's most useful functions, with real-world examples showing how each function is used within a formula. Learn to calculate the costs of leasing versus buying a car, compute classroom grades, create an amortization table, or evaluate investment performance. Fully updated for Excel 2010, but the principles will work with earlier versions of Excel as well. Includes essential coverage of an additional 85 functions. In the ever-popular, non-threatening For Dummies style, Excel Formulas and Functions For Dummies, 2nd Edition makes Excel's power accessible to you.

Financing the End-to-End Supply Chain provides readers with a real insight into the increasingly important area of supply chain finance. It demonstrates the importance of the strategic relationship between the physical supply of goods and services and the associated financial flows. The book provides a clear introduction, demonstrating the importance of the strategic relationship between supply chain and financial communities within an organization. It contains vital information on how supply chain finance is operationalised and put into place. It is written in a user-friendly style, starting with the purchasing function, and linking together treasury, banking, supply chain, systems, IT, and key stakeholders. Financing the End-to-End Supply Chain will help senior supply chain and procurement practitioners to build collaboration, improve relationships and enhance trust between supply chain partners. With its combination of theory and practice it tackles vital issues including physical, information and financial flows, and tailoring supply chain finance to individual organisations' circumstances. Recognising that supply chain finance means different things in different countries, the authors also consider various initiatives to harmonize and develop cross-border financing from the World Bank and other institutions, as well as including an agenda for national and international policy makers. Financing the End-to-End Supply Chain offers a mix of academic and industrial expertise and is written by three authors who are experts in the field. The book contains ground-breaking research and data from the Cranfield School of Management.

In his trademark straight-talking style, legendary auto executive Lee Iacocca speaks his mind on the most pressing issues facing America today: the shortage of responsible leaders in the business world and in government; the nation's damaged relations with its longtime allies; the challenges presented by the emergence of China and India on the world's economic stage; the decline of the American car business; and the state of the American family. Iacocca shares the lessons he's learned from a lifetime of hard work and adventure, of spectacular successes and stunning defeats, of integrity and grace and good old-fashioned American optimism.

The Gospel Truth, by Luke Fraser, gives readers and unparalleled view of the Martial Arts, Personal Protection & Police Defense Tactics world as it exists today. A Master Instructor with over 25 years experience, Luke Fraser can help anyone to wipe away much of the confusion behind the martial arts and the techniques being taught in most schools. Throughout the pages of this book the reader will uncover the truth about violent attacks and why most martial arts academies in the United

States are instructing improperly. You will be shown statistical facts about all 7 of the basic types of violent attacks. The author skillfully dissects the 10 essential elements needed for combat readiness in a masterful way. Over 200 professional photographs depict the most realistic and useful ways to apply your own self-defense techniques in a street effective fashion. You will study the effects of adrenaline on the body and how it can either prohibit or promote a successful defense in the most extreme circumstances.

"A no does not mean that you should give up; on the contrary, a no means you should keep at it." - Martin Limbeck Selling is easy if you can offer the lowest price or a top brand that everyone wants. But what if you don't? What if the client says no? In sales, rejection comes with the territory. You will hear no, and you will hear it frequently. It's normal. What's important is what you do with that no . . . The right attitude toward selling is your key to success. Passion, pride, and perseverance are your most important assets. NO Is Short for Next Opportunity will inspire you to develop the proper mindset for selling and to seal more deals. "This book is not an option for anyone who has ever heard the word 'no'-buy it and read it today and start getting 'yes' tomorrow." -Jeffrey Gitomer, author of The Little Red Book of Selling "This book will keep you going and growing throughout your career. I recommend it." -Mark Sanborn, author of The Fred Factor and You Don't Need a Title to Be a Leader "This book is bigger than sales. It's a book about lifelong success. Your success." -Randy

Gage, author of the New York Times bestseller Risky Is the New Safe "Read Martin Limbeck's book and you will learn how to get past the no and realize your true potential." -Ron Karr, author of Lead, Sell or Get Out of the Way "Compelling, complete, and courageous, this book will show you how to sell successfully to others and how to overcome the objections of even your most important client-you. I got new ideas and a new sense of hope from the very first page!" -Monica Wofford, CSP, CEO, Contagious Companies Inc. and author of Make Difficult People Disappear
