The book of Revelation is almost certainly the most controversial book of the Bible. Some believe the prophecies contained in the book can never be understood; they are a mystery that cannot be revealed and the reading of Revelation is therefore a waste of time. Many believe that the book tells of the coming tribulations that our generation or one of the succeeding ones will face, that the rapture will yet take place and that the millenium has not yet begun. Then there are those who fall in between the two extremes, saying that we are in the millenium, or that the rapture has already occurred; that the prophecies have all been fulfilled or that some have been and some are yet to be.

Some of the fundamental questions that millions have asked throughout mankind's history is "If God exists, who is He? how can I know Him? is it possible to imagine Him? how can I talk to Him? Is God another of our mental categories and, therefore product of our imagination, a figment of our brain chemistry, or does God really exist and has communicated with us in a verifiable and objective manner revealing to us who He really is? If such communication has already occurred, then, in what manner has it happened? If it already occurred, what has God revealed about Himself that helps us understand who He is; what is His ultimate Essence? We hope the reflections presented in this book will provide a satisfactory answer that fills our daily pilgrimage with

optimism until we attain the presence of our Creator.

A Revelation of Life Endeavors is a book about finding solutions to the myriad of Secular Problems that we face in Society from dealing with deviant sexual behavior like abortions, Homosexuality, Lesbianism, Same Sex Marriages, Weapons of Mass Destruction, Drugs of all types and Description, Corruption in Churches and Government as well as all types of crime in addition to wars, rumors of Wars and Propaganda leading to Wars. What should we do about the complexities of this complex society where just a small Spark could trigger A Nuclear War that could destroy the World. How do we deal with Immigration, Separation of children from their parents, Mass Shootings in our schools and many of our communities, Poor Education in our schools and more and more young men being sent to prisons How do we handle all of this. Is the Government the solution? I am afraid not because we, the People are the Solution. I believe a Total Spiritual Revolution is needed to change the fabric of thinking in our society and it must begin with The Church. The Church must be reformed to return to its Glory when Jesus Christ ascended into Heaven and left the Church behind as the guiding Force for the Morality of mankind. We have long since departed from that role as the Church has been so watered down that Man's Laws has almost replaced God's Laws. Nothing is Sacred anymore, so I am afraid we are heading into a Sodom and Gommorah existence.. What can we do about it is the question. Our Organization, .Gangs For Jesus is our Solution. It teaches three Basic

Principles; 1. Learn To be Humble. 2. Don't Worship Money and Glamor and 3. Repent and Live or Stay Wicked and Die. Follow us @ www.gangsforjesus.net and also on Facebook What are you Views?

Lynn R. Huber argues that the visionary aspect of Revelation, with its use of metaphorical thinking and language, is the crux of the text's persuasive power. Emerging from a context that employs imagery to promote imperial mythologies, Revelation draws upon a long tradition of using feminine imagery as a tool of persuasion. It does so even while shaping a community identity in contrast to the dominant culture and in exclusive relationship with the Lamb. By drawing upon the work of medieval and modern visionaries, Huber answers a call to examine the way 'real' readers engage with biblical texts. Revealing how Revelation continues to persuade

audiences through appeals to the visual and provocative imagery she offers a new sense of how the text metaphorical language simultaneously limits and invites new meaning, unfurling a range of interpretations.

"Trafton has produced a clear, understandable, insightful reading of the book of Revelation - not an easy task for a book that has left many readers puzzled and confused. One of the particular strengths of Trafton's commentary is his close attention to the structure of John's work and the internal connections between various passages of the book. Readers will also benefit from Trafton's identification of John's extensive indebtedness to the Hebrew Bible for much of his imagery and ideas."

What does it mean when God is presented as male? What does it mean when - from our internal assumptions to our shared cultural imaginings - God is presented as white? These are the urgent questions Chine McDonald asks in a searing look at her experience of being a Black woman in the white-majority space that is the UK church - a church that is being abandoned by Black women no longer able to grin and bear its casual

racism, colonialist narratives and lack of urgency on issues of racial justice. Part memoir, part social and theological commentary, *God Is Not a White Man* is a must-read for anyone troubled by a culture that insists everyone is equal in God's sight, yet fails to confront white supremacy; a lament about the state of race and faith, and a clarion call for us all to do better. [The Light Of The Butterfly \(The Revelation\)](#) Revelations

The Book of Revelation is the last book in the canon of the New Testament, and its only apocalyptic document, though there are short apocalyptic passages in various places in the gospels and the epistles. This first of two volumes on Revelation offers systematic and thorough interpretation of the book of Revelation. Revelation brings together the worlds of heaven, earth and hell in a final confrontation between the forces of good and evil. Its characters and images are both real and symbolic, spiritual and material, and it is frequently difficult to know the difference between them. Revelation's cryptic nature has ensured that it would always be a source of controversy. This commentary focuses on the theological content, gleaning the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths. Scholarship on the book of Revelation has nonetheless not only endured, but even captured the imagination of generations of Bible

students, both professionals and laypeople alike. Through its focus on the message of the book through scholarly analysis, this International Theological Commentary reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement, though not slavish repetition.

The first seal in Revelation 6 is open right now in real life. Out of everything that will happen in Revelation, this is the very first of 7 seals then 7 angels then 7 vials that are poured upon Earth. KJV | Revelation 6:2 - And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer. The white horse went forth conquering. Not mentioning to kill but to conquer as on a conquest. The street teachers are conquering when they give their testimony on the streets. When they successfully wake up ISRAELITES that are sleeping on the truth is the conquest (1 Esdras 4:38). There are ISRAELITES on a conquest all over Earth conquering people with their prophecy. Prophecies are preachings from the Bible and to make The Sense; this require a minimum of two witnesses. In Revelation 19 the white horse comes from Heaven (Christ Second Coming) with conquered ISRAELITES in Revelation 6:2 for the marriage (Revelation 19:7) of World War 4 (Revelation 17:14, 19:11,19). KJV | Revelation 19:11 - And I saw Heaven opened, and behold a white horse; and He that sat upon him was called Faithful and True, and in righteousness He doth judge and make war. After the street teachers there is Civil War 2 in America

and civil unrest in other lands as the third seal (Revelation 6:5-6). That will evolve into World War 3 as the fourth seal (Revelation 6:8). This is three of the seven seals on back of a book that was in GOD's right hand in Revelation 5:1. The Apocalypse Or Book of Revelation Xlibris Corporation

A fresh contribution to the growing body of New Testament scholarship on empire, both ancient and modern Darden's reading of Revelation examines John the Seer's rhetorical strategy, in general, and imperial cult imagery in chapters 4 and 5, in particular, through the lens of an African American scripturalization supplemented by postcolonial theory. The scripturalization proposes that John the Seer's signifyin(g) on empire demonstrated that he was well aware of the oppressive nature of Roman imperialism on the lives of provincial Asian Christians. Yet, ironically, John reinscribed imperial processes and practices. Darden argues that African American biblical scholarship must now attend adequately to these complex cultural negotiations lest it find itself inadvertently feeding the imperial beast. Features: Relates the potential for African American cooption by the U.S. Empire to the cooption by the Roman Empire both thematized and performed in Revelation Book-length study on postcolonial African American biblical hermeneutics A reading supplemented by postcolonial theory that better addresses the hybridity of African American identity

Revelations: Black and White Edition Rodolfo Martin Vitangcol

Dear readers! God had created Adam and had installed him as the guardian of the Garden of Eden, and from his side bone, he had created the woman. Though Adam was not aware of the fruit

of a tree that was pertinent to the destruction of humans, which was existed in the garden itself, God himself had informed Adam that the destruction of man would take place for sure through the eating of that fruit. But Adam and Eve, both were subjected to the preaching of the serpent, they had consumed that forbidden fruit and had received death and the punishment from the God. Later, during the period of Noah, God had chosen Noah and his family and had made them build the ark for one hundred and twenty years. During that period, through Noah, God had revealed about the disastrous floods and the destruction of the world through that flood well in advance. But there was not any repentance in the humans. The result was the great disastrous floods. Later, during the period of Moses, as God had intended to get the Israelis from the slavery, he had chosen their leader. Through Moses he had intimated about the destruction that was going to take place in Egypt to the Pharaoh, the ruler, and his province. But the result was just the destruction. Even though, God had revealed them in advance about the destruction. In this way, God had been warning people about the upcoming destruction through the prophets well in advance. The reason is his ambitioning that they would repent for their sins and would come into his protection. The citizens of Nineveh are those who had given up their mistakes and had repentance. These, through the preaching of Jonah, had realized their mistakes; they repented for their sins and had received the protection of God. In this way God himself had revealed about the deeds of destruction that he was about to perform through the preaching of the people that he had chosen, and if they do not repent for

their sins, he had been destroying them. Similarly, Lord Christ has foretold about the incidents that are going to happen at the end of world to his beloved disciple John. This would have been taken place two thousand years ago. Those who had learnt all the incidents that would take place by the period of Doomsday from the period of Jesus Christ and had acquired repentance had been protected since then. But those had not repented had not been sentenced yet. But the treatise of Revelation is full of mysteries, secrets, and arcana. The multitudes opine that this treatise is a tough nut to crack for the ordinary people. God warns that the destruction is inevitable. It is the ambition of God that each and every one must know the secrets of his coming, because God is not the one who performs the deeds secretly. He would reveal it well in advance through his prophets, he would give them some time, and if they do not acquire repentance, he would destroy them. As a part of that, he had chosen us, he had bestowed us the divine wisdom and instigated us to write in a simple way that each and every one would easily understand the secrets of revelation that explains the reason and the ways the world is going to end, and through this book he is giving a warning to the citizen of the entire world. So I plead you as the messenger of the Father, Son, and Holy Spirit to repent and live a life that is worthy of God. Otherwise, the end of world is inevitable, inevitable, inevitable. Let the Grace of the Lord be with his servants. Amen.
