Rise of The Khalsa The True Jedi in Year 2014 She Writes Press
Sikh American women do the lion's share of organizing and executing the business of the Sikh community, and they straddle multiple lives and worlds—cross-cultural, interreligious, intergenerational, occupational, and domestic—yet their experiences of faith, family, and community are virtually invisible in the North American milieu and have yet to be understood, documented, or shared. Until now. In *Her Name is Kaur*, Sikh American women explore the concept of love from many angles, offering rich, critical insight into the lives of Sikh women in America. Through a chorus of multi-generational voices—in essays ranging in tone from dramatic to humorous—they share stories of growing into and experiencing self-love, spiritual love, love within family, romantic love, the love they nurture for humanity and the world through their professional work, and more. Eye-opening and multifaceted, this collection of stories encourages its readers to take the feeling of love and turn it into action—practical action that will make the world a better place to be for everyone, regardless of their faith or creed.

Creation of the Khalsa as Described in Gurū Kīān Sākhīān by *Bhāi Sarūp Singh Kaushish* Penguin

The Sikhs have been a people in transition. Unwanted displacements, willing movements and a changing world have led

them through demographic, occupational and experiential shifts. While this has led to the evolution of new facets within the community, it has also evoked mixed responses from outside. As new generations of Sikhs engage with the world through sensibilities defined by their contemporary contexts, they find themselves constructed in images dissonant with their lived realities. *The Sikh Next Door: An Identity in Transition* traces these changes while also making an incisive analysis of old stereotypes—some heroic, some menacing and some farcical. It simultaneously brings into focus the real people behind these images, their varying social stances and their collective commitment to a common religious identity. The work attempts to reframe the Sikhs, bending a few existing narratives and offering an impetus for a more nuanced understanding of the community.

The Japji and the Rehras Heinemann-Raintree Library

In attempting to carve out a place for themselves in local and global contexts, young Sikhs mobilize efforts to construct, choose, and emphasize different aspects of religious and cultural identification depending on their social setting and context. *Young Sikhs in a Global World* presents current research on young Sikhs with multicultural and transnational life-styles and considers how they interpret, shape and negotiate religious identities, traditions, and authority on an individual and collective level. With a particular focus on the experiences of second generation Sikhs as they interact with various people in different social fields and cultural contexts, the book is constructed around three parts: 'family and home', 'public display and gender', and 'reflexivity and translations'. New scholarly voices and established academics present qualitative research and ethnographic fieldwork and analyse how young Sikhs try to solve social, intellectual and psychological tensions between the family and the expectations

of the majority society, between Punjabi culture and religious values.

This book encapsulates the exceptionally eventful and vibrant life of the guru that will provoke thought and debate even in today's times. Guru Gobind Singh – Founder of the Khalsa; saint; warrior par excellence; poignant poet; philosopher; soulful human being – was the illustrious Tenth Guru of the Sikhs. This extensively researched book goes beyond the established events that broadly include the untimely assassination of Guru Teg Bahadur; Guru Gobind Singh's coronation; the battles of Bhangani and Nadaun; his stay in Paonta and Anandpur; and the historic creation of the Khalsa. The book talks about other events that sought to widely establish the Khalsa including the battle of Nirmohgarh; the siege and evacuation of Anandpur; the battles of Chamkaur, Khidrana and Muktsar; his Zafarnama to Aurangzeb and subsequent meeting with Bahadur Shah Zafar in Agra. Most importantly, it provides some unknown facts about the anointment of the holy book of the Sikhs – the Guru Granth Sahib as the eternal guiding light. Guru Gobind Singh's prowess as a warrior of immense distinction is well-recorded, besides his understanding of military strategy and execution; the book brings to light his love for literature, scriptures and languages, his philosophical, judicious and humane thought, and is a tribute to the great saint and seeks to outline the historical life, times and events of Guru Gobind Singh in intricate details.

Jap Ji Sahib Katha Part 01 Sukan Publishing Universe

This book examines the constructions and representations of male and female Sikhs in Indian and diasporic literature and culture through the consideration of the role of violence as constitutive of Sikh identity. How do Sikh men and women construct empowering identities within the Indian nation-state and in the diaspora? The book explores Indian literature and culture to understand the role of violence and the feminization of baptized and turbaned Sikh men, as well as identity formation of Sikh women who are either virtually erased from narratives, bodily eliminated through honor killings, or constructed and represented as invisible. It looks at the role of violence during critical junctures in Sikh history, including the Mughal rule, the British colonial period, the Partition of India, the 1984 anti-Sikh riots in India, and the terror of 9/11 in the United States. The author analyzes how violence reconstitutes gender roles and sexuality within various cultural and national spaces in India and the diaspora. She also highlights questions related to women's agency and their negotiation of traumatic memories for empowering identities. The book will interest scholars, researchers, and students of postcolonial English literature, contemporary Indian literature, Sikh studies, diaspora studies, global studies, gender and sexuality studies, religious studies, history, sociology, media and films studies, cultural studies, popular culture, and South Asian studies.

This prayer book is the kind manifestation of Waheguru ji's grace. It is aimed to assist all, especially the young and those who do not understand Gurmukhi yet, to do Nitnem. Prayer is an essential part of Sikhism. As food nourishes and strengthens the body, prayer purifies the mind uplifts the soul. Sikhs are ordained to rise in the morning and meditate on the Name of God 'Waheguru'. They are also expected to do 'Nitnem' which literally means 'Daily Routine'. Nitnem is composed of a collection of five prayers to be

done during different periods of the day. Morning (3 prayers) Japji Sahib, Jaap Sahib and Sawaiye. Evening (1 prayer) - Rehras Sahib Night (1 prayer) - Kirtan Sohila Ardaas should be done after every prayer session. I have included Ardaas for the reader in this book too. The person who forms the habit of doing Nitnem daily, ultimately experiences bliss and peace. While the best experience would be derived from reading the prayers in Gurmukhi, there should be no hindrance for anyone who does not know the Gurmukhi script, to do Nitnem While every effort has been made to simplify the transliteration, I encourage the reader to read the prayers while listening to them in audio format a couple of times. This will help them grasp the correct pronunciation. There is a section for links to the individual prayers in YouTube. This will help to get the correct pronunciation, or if you wish to just listen to the prayers. This prayer book is perfect to carry around in one's device, so the prayers can be performed from anywhere. It is also a wonderful gift to offer to friends and family. After doing prayers regularly, one can look for translation books to assist in helping understand the Bani. I am certain that by Waheguru ji's grace, the reader will eventually seek to learn the Gurmukhi script.

Death and Religion in a Changing World is a comprehensive and accessible study of the intersection of death and religion, examining how everyday people enact religious responses to death in the twenty-first century. With contributions from leading religious studies scholars, this book moves away from the field's focus on traditional beliefs to explore how religious traditions evolve in relation to their changing social contexts. Employing an ethnographic approach, Death and Religion in a Changing World further details how people from a wide variety of religious traditions and people without religious affiliation draw on and adapt religious practices as they respond to death in modern societies. Every chapter in this second edition has been thoroughly updated and new chapters on the ethical issues of dying, including life-prolonging medical treatments, palliative care, physician-assisted suicide and euthanasia, and the modern hospice movement have been added. This book also covers emerging social and religious phenomena, such as public shrines, the Covid-19 pandemic, funeral celebrants, death with dignity, spiritual bereavement groups, and online funeral practices. This

cutting-edge work is essential reading for students and scholars of religion who are approaching the subjects of death and religion, and ritual studies.

Sir Sundar Singh Majithia and His Relevance in Sikh Politics Springer Nature

This volume gathers scholars who focus on gender through a variety of disciplines and approaches to Sikh Studies. The intersections of religion and gender are here explored, based on an understanding that both are socially constructed. Far from being static, as so often presented in world religions textbooks, religious traditions are constantly in flux, responding to historical, cultural and social contexts. So too is 'the' Sikh tradition in terms of practices, ideologies, rituals, and notions of identity. We here conclude that 'a' Sikh tradition does not exist; instead, there are numerous forms thereof. In this volume, Sikhism is presented as a collection of 'Sikh traditions'. Gender studies—in line with women's liberation, masculine and feminist studies have long examined and have long deconstructed the patriarchy, but also move to identify other subordinate-dominant relations between individuals. Indeed, there are numerous forms of discrimination and power structures that simultaneously create a multiplicity of oppression. Intersectionality has become the basis of an increasingly systematized production of contemporary discourses on feminism and gender analysis, as is evidenced by the varied

contributions in this volume.

Sikhism Akaal Publishers

An accessible introduction to the centrality of word, chant, and song in the Hindu, Buddhist, Islamic, and Sikh traditions. In academic religious studies and musicology, little attention has been given to chanted word, hymns, and songs, yet these are often the key spiritual practices for lay devotees. To address this gap in knowledge, Harold Coward presents a thematic study of sacred sound as it functions in word, chant, and song for devotees in the Hindu, Buddhist, Islamic, and Sikh traditions. Each chapter begins with a brief introduction of a particular tradition's word/scripture, followed by case studies showcasing the diversity of understanding and the range of chant and song in devotee practice, and concludes with a brief illustration of new trends in music and chant within the tradition. Written in a style that will appeal to both scholars and lay readers, technical terms are clearly explained and case studies explicitly include devotees' personal experiences of songs and chants in public and private religious ritual. Harold Coward is Professor Emeritus of History and Founding Director of the Centre for Studies in Religion and Society at the University of Victoria in Canada. He is the author of numerous books, including *Yoga and Psychology* and *The Perfectibility of Human Nature in Eastern and Western Thought*, both also published by SUNY Press; *The Philosophy of the Grammarians* (volume five of *The Encyclopedia of Indian Philosophies*, with K. Kunjunni Raja); *Mantra* (with David J. Goa); and *Pluralism in the World Religions*.
