*Ecumenical Jihad*

Harper Collins

'The epic text of Ranjit Desai's Shriman Yogi finds new voice in Vikrant Pande's nuanced translation, an immersive narrative

of the foundations of the Maratha empire and the saga of its charismatic founder.' - Namita Gokhale. Young Shivaji reaches Pune, a dying fort city, with his mother Jijabai and lights the first lamp within its ruins. While his father Shahaji Bhosle is away on deputation by the Adil Shah sultanate after having failed in a revolt against it, Shivaji learns how an empire is built from the ground up. Thus begins the life of the Great Maratha. What awaits Shivaji is nothing short of the vast scroll of history, and it takes him from Surat to Thanjavur and all the way to Aurangzeb's durbar in Agra. He dreams of freeing his land from the clutches of Mughal rule, and though he suffers many defeats

and personal losses along the way he never gives up his vision of Hindavi Swaraj. Amidst political intrigue and a chain of skirmishes, Shivaji becomes a leader, a warrior and a tactician par excellence, driven by immense pride and love for his motherland.

Dr. Babasaheb Ambedkar, Writings and Speeches: (3 pts.).  
Dr. Babasaheb Ambedkar and his egalitarian revolution

Jo Fletcher Books  
Shivaji is a well-known hero in western India. He defied Mughal power in the seventeenth century, established an independent kingdom, and had himself crowned in an orthodox Hindu ceremony. The legends of his life have become an epic story

that everyone in western India knows, and an important part of the Hindu nationalists' ideology. To read Shivaji's legend today is to find expression of deeply held convictions about what Hinduism means and how it is opposed to Islam. James Laine traces the origin and development of the Shivaji legend from the earliest sources to the contemporary accounts of the tale. His primary concern is to discover the meaning of Shivaji's life for those who have composed- and those who have read-the legendary accounts of his military victories, his daring escapes, his relationships with saints. In the process, he paints a new and more complex picture of Hindu-Muslim

relations from the seventeenth century to the present. He argues that this relationship involved a variety of compromises and strategies, from conflict to accommodation to nuanced collaboration. Neither Muslims nor Hindus formed clearly defined communities, says Laine, and they did not relate to each other as opposed monolithic groups. Different sub-groups, representing a range of religious persuasions, found it in their advantage to accentuate or diminish the importance of Hindu and Muslim identity and the ideologies that supported the construction of such identities. By studying the evolution of the Shivaji legend, Laine

demonstrates, we can trace the development of such constructions in both pre-British and post-colonial periods. *Shivaji The Grand Rebel* Routledge  
 ?I am impressed,  
 ?Maha Rashtra?  
 couldn't have been exemplified more enticingly. You've sprung a ?winner?. Just an appraisal transports you into the realms of nature and emits a blissful oneness with its beauty and wonder so much so that one is enthralled enough to envisage traversing through the rugged terrain and reveling in the rich heritage our beloved Maharashtra has been endowed with. Thank you Milind, for giving us the opportunity to share your romance with nature. You have my blessings and kudos!?

Amitabh Bachchan ?I must admire the wonderful effort put in by well known personality Milind Gunaji in putting together this praiseworthy venture in the form of a travel guide. Maharashtra is the state I belong to and hold very close to my heart. It has always been my desire to explore it in greater detail and visit all the places which lend to its heritage. However due to my various work commitments, this desire of mine has remained largely unfulfilled. However through this book I will find the opportunity of fulfilling this desire at least through its pages which have been put together by Milind. I applaud him for his very detailed work for which he has found

time despite having a busy career. Indeed there could be no better gift that he could have given his home state, our beloved Maharashtra. My congratulations to Milind and the entire team behind the release of this book.? Lata Mangeshkar "Milind has sprung one more surprise on me. I knew him as an actor, then learnt about his photography, now about his writing which is of a very distinct quality. Poets collect images of nature in words and verses, painters do it with paints on canvas, but Milind has done a unique collection of landscapes and historical spots of Maharashtra. To share it with wanderers of poetic temperament he has noted down the

routes and characteristics of each spot. The book in itself is a unique tour for the tourist." Gulzar, Poet and lyricist "I have known Milind as an actor, indeed as an extrodinarily sincere and intense one. I also knew about his trips to unknown destinations in remote parts of Maharashtra. He also has a fine eye for visuals reflected in his photographs. Milind Gunaji is truly the wandering spirit of Maharashtra ." Govind Nihalani, Film Director "Milind Gunaji is an excellent actor. And we are dear friends bonded by our love for nature. I roam the jungles photographing wild animals. But Milind goes off the beaten track and gives us an altogether new picture of a state that the

famous Marathi poet Ram Ganesh Gadkari (Govindagraj) described as a land of rugged landscapes and pious associations. He is verily an ambassador for Maharashtra tourism." Uddhav Thackeray, Executive President, Shiv Sena "The more I travel all over the world, the more I realize how unique India truly is. Offbeat Trails in Maharashtra by Milind Gunaj documents this diversity which is India's greatest strength. His keen eye as a photographer unravels the mystery and the splendour of Maharashtra." Shabana Azmi, Actress and activist "I feel overall this is a very interesting book, very well compiled.? Jagdish Maali, Film maker and

photographer

Introduces the contemporary Indian art scene through alphabetical entries that describe different techniques, methods, concepts, institutions, forms and schools of art, and artists.  
*Who was Shivaji?*  
Leftword Books  
The world keeps taunting him as girlish but the fact is that, biologically, he is a boy. And, he is always attracted to guys. Is Laxmi both a man and a woman? Or, perhaps, neither a man nor a woman? The first inklings and stirrings of lust that Laxmi remembers came from noticing big, strong arms, the hint of a

guy's moustache over his lips, billboards that advertised men's underwear. Laxmi found this puzzling initially. Was there a woman inside him who couldn't really express herself because of some last-minute mix-up that god did at the time of his birth? Struggling with such existential questions, Laxmi Narayan Tripathi, eminent transgender activist, awakens to her true self: She is Laxmi, a hijra. In this fascinating narrative Laxmi unravels her heart to tell the stories of the men-creators, preservers, lovers, benefactors, and abusers-in her life. Racy, unapologetic, dark and exceptionally honest, these stories open a window to a brave new world.

### **Encyclopedia of Indian Cinema** Walter de Gruyter

Since its founding by Jacques Waardenburg in 1971, Religion and Reason has been a leading forum for contributions on theories, theoretical issues and agendas related to the phenomenon and the study of religion. Topics include (among others) category formation, comparison, ethnophilosophy, hermeneutics, methodology, myth, phenomenology, philosophy of science, scientific atheism, structuralism, and theories of religion. From time to time the series publishes volumes that map the state of the art and the history of the discipline.  
Guru Gobind Singh

Mapin Publishing Pvt In The Present Work, An Attempt Has Been Made To Give An Accurate Picture Of Tipu Sultan By Disengaging His Personality From Masses Of Fictions And Distortions Which Have Gathered Round Him. As Practically The Whole Of Tipu'S Life Was Taken Up With Fighting, The Author Has Devoted Considerable Space To Campaigns And Battles. However, He Has Not Ignored Other Aspects Of His Career. He Has Paid Sufficient Attention To The Causes And Results Of Wars, While Tipu'S Relation With The English, The French, The Nizam, The Marathas And The Ottoman Sultan Have Been Fully Discussed. The Last Three

Chapters Of The Book Have Been Devoted To A Description Of The Sultan'S Government And Army, His Reforms And Religious Policy, His Efforts At Industrialisation And State Socialism, His Character, His Failures And Achievements. This Pioneering Study Will Enable The Reader To Appraise The Career And Character Of This Extraordinary Man. Its Scholarly Value Is Enhanced By Professor Hasan'S Extensive Use Of English, French, Persian, And Urdu Sources.

Shahenshah Penguin UK

“What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India.” —Anand Teltumbde, author of The Persistence of Caste B.R. Ambedkar’s

Annihilation of Caste is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar – a figure like W.E.B. Du Bois – offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world’s best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of Annihilation of Caste in “The Doctor and the Saint,” examining the persistence of caste in modern India, and how

the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi’s political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar’s emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar’s anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality. *The Future of Pakistan*  
 Verso Books  
 “States fall, empires break up, dynasties become extinct, but the memory of a true “hero as King” like Shivaji remains an imperishable historical legacy...” – Jadunath Sarkar, House of Shivaji (1919) Shivaji Bhonsle was an Indian warrior king who went on to lay the foundation of the strong Maratha Empire. The first Chhatrapati, he is known to have outdone his predecessors as well as successors in giving an identity and status to Marathas. A tactful military commander and skilled administrator, he steadily built his army from a mere two thousand soldiers to

almost five-fold, and also developed a naval force. He defeated Afzal Khan and Adil Shah, giving strong resistance to the Mughal forces. From forming guerilla forces to immensely contributing in the development of the civilization of Marathas, he carved a niche in all spheres of operation. Shivaji: The Great Rebel explores the lifespan of Shivaji as an Indian king who instigated a new fire in the hearts of people against the Mughal Empire and taught them to fight for their rights. It highlights Shivaji as one of the prominent rulers to inspire people to fight for Hindu pride and raise their voice against cruelty. He stood up to guard and preserve the nation's

honour, and is a great source of inspiration till date.

*Genghis Khan and the Making of the Modern World* Routledge

Aurangzeb must rebel against his father, and compete with his brothers, especially Darashikoh who is Emperor Shah Jahan's favoured son, to become the shahenshah of India and sit on the Peacock Throne. In politics, after all, trust and betrayal are two edges of the same sword.

Meanwhile, in his zenankhana, the begums, constantly worrying about inheritance and bloodlines, grow jittery at the arrival of Hira, a mere concubine, who seems to have all of Aurangzeb's heart.

Shahenshah: The Life of Aurangzeb unravels

the inner life of the formidable emperor, and the twists of fate and duty that come with a crown. An all-time favourite of Marathi literature, this is the most popular of N.S. Inamdar's sixteen hugely successful historical novels. This effortless translation tells an intricate, affecting story of a deeply misunderstood Mughal.

**Business India** Alpha Edition

A comprehensive book on Assam its heritage and culture. Assam is full of mountains, plateaus, river streams, various tribes, dense forests, and rare wild species. The author attempts to discuss all aspects its ancient history, its contribution in freedom struggle, tribal dances, weaving industry,

Hindutva icon or secular nationalist? Feudal potentate or peasants' king? Protector of cows and brahmans or shudra ruler? Medieval marauder or builder of an empire?//Who was Shivaji?//This punchy, readable book provides a new perspective on a popular hero of Indian history. After this, Shivaji will never be the same again.//Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an

assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas. On Understanding Islam Oxford University Press

Tarot artist Smith presents a collection of Jamaican folktales about Annancy the Spider. Shivaji Gyan Publishing House

Providing a comprehensive analysis of the broad spectrum of India's politics, this undergraduate textbook explains the key features of politics in India in a comparative and accessible narrative, illustrated with relevant maps, life stories, statistics and opinion data. Familiar concepts of

comparative politics are used to highlight the policy process, with a focus on anti-poverty measures, liberalisation of the economy, nuclearisation and relations with the United States and Asian neighbours such as Pakistan and China. The author raises several key questions relevant to Indian politics, including:

- ?Why has India succeeded in making a relatively peaceful transition from colonial rule to a resilient, multi-party democracy in contrast to her neighbours?
- ?How has the interaction of modern politics and traditional society contributed to the resilience of post-colonial democracy?
- ?How did India's economy - moribund

for several decades following independence - make a breakthrough into rapid growth, and, can India sustain it? •?And finally, why have collective identity and nationhood emerge as the core issue of India in the 21st century? Introducing the novice to India, this accessible, genuinely comparative account of India's political evolution also engages the expert in a deep contemplation of the nature of strategic manoeuvring within India's domestic and international context. In addition to pedagogical features such as text boxes, a set of further readings is provided as a to guide readers who wish to go beyond the remit of this text.

Govind, Shivaji's

Warrior Forgotten Books

Excerpt from Shivaji and His Times From the purely literary point of view, the book would have gained much by being made shorter. But so many false legends about Shivaji are' current in our country and the Shivaji myth is' developing so fast (attended at times with the fabrication of documents), that I have considered it necessary in the interests of historical truth to give every fact, however small, about him that has been ascertained on unimpeachable evidence and to discuss the probabilities of the others. About the Publisher Forgotten Books publishes hundreds of thousands

NEW YORK TIMES  
BESTSELLER • The  
startling true history of  
how one extraordinary  
man from a remote  
corner of the world  
created an empire that  
led the world into the  
modern age—by the  
author featured in  
Echoes of the Empire:  
Beyond Genghis Khan.  
The Mongol army led  
by Genghis Khan  
subjugated more lands  
and people in twenty-  
five years than the  
Romans did in four  
hundred. In nearly  
every country the  
Mongols conquered,  
they brought an  
unprecedented rise in  
cultural  
communication,  
expanded trade, and a  
blossoming of  
civilization. Vastly  
more progressive than  
his European or Asian  
counterparts, Genghis  
Khan abolished torture,

granted universal  
religious freedom, and  
smashed feudal  
systems of aristocratic  
privilege. From the  
story of his rise  
through the tribal  
culture to the  
explosion of civilization  
that the Mongol Empire  
unleashed, this brilliant  
work of revisionist  
history is nothing less  
than the epic story of  
how the modern world  
was made.

**Culture: urban  
future** Harper Collins  
Juxtaposing  
"ecumenism" and  
"jihad", two words that  
many would consider  
strange and at odds  
with each other, Peter  
Kreeft argues that we  
need to change our  
current categories and  
alignments. We need  
to realize that we are  
at war and that the  
sides have changed  
radically: many of our

former enemies (e.g. Muslims) are now our friends, and some of our former friends (e.g. humanists) are now our enemies.

Documenting the spiritual and moral decay that has taken hold of modern society, Kreeft issues a wake-up call to all God-fearing Christian, Jews and Muslims to unite together in a "religious war" against the common enemy of godless secular humanism, materialism and immorality. Aware

of the deep theological differences of these monotheistic faiths, Kreeft calls for a moratorium on our polemics against each other so that we can form an alliance to fight together to save western civilization. He cites numerous examples of today's Protestants, Jews, Catholics and Muslims working together to solve moral and spiritual problems. God is calling for this unity, Kreeft says, and if we respond, God will do something wonderful.
