FINN HOOD

Parallel Journeys Macmillan

As friends, the boisterous and brash American Beryl couldn't be less alike

than the prim and proper British Edwina. But as sleuths in an England recovering from the Great War, they're the perfect match . . . 1920: Flying in the face of convention, legendary American adventuress Beryl Helliwell never fails to surprise and shock. The last thing her

adoring public would expect is that she craves some peace and quiet. The humdrum hamlet of Walmsley Parva in the English countryside seems just the ticket. And, honestly, until America comes to its senses and repeals Prohibition, Beryl has no intention of returning stateside and subjecting herself to bathtub gin. For over three decades, Edwina Davenport has lived comfortably in Walmsley Parva, but the post-World War I bust has left her in dire financial straits and forced her to advertise for a lodger. When her long-lost school chum Beryl arrives on her doorstep—actually crashes into it in her red motorcar—Edwina welcomes her old friend as her new roommate. But her idyllic hometown has a hidden sinister side, and when the two friends are

drawn in, they decide to set up shop as private inquiry agents, helping Edwina to make ends meet and satisfying Beryl's thirst for adventure. Now this odd couple will need to put their heads together to catch a killer—before this sleepy English village becomes their final resting place .

The Devil's Dictionary Scholastic Inc.

A groundbreaking -- and terrifying -- examination of the widespread resurgence of antisemitism in the 21st century, by the prize-winning and #1 internationally bestselling author of *Hitler's Willing Executioners*.

Antisemitism never went away, but since the turn of the century it has multiplied beyond what anyone would have predicted. It is openly spread by intellectuals, politicians and religious

leaders in Europe, Asia, the Arab world, America and Africa and supported by hundreds of millions more. Indeed, today antisemitism is stronger than any time since the Holocaust. In *The Devil that Never Dies*, Daniel Jonah Goldhagen reveals the unprecedented, global form of this age-old hatred; its strategic use by states; its powerful appeal to individuals and groups; and how technology has fueled the flames that had been smoldering prior to the millennium. A remarkable work of intellectual brilliance, moral stature, and urgent alarm, *The Devil that Never Dies* is destined to be one of the most provocative and talked-about books of the year.

What is death all about? What is life all about? So wonders thirteen-year-old Elli Friedmann as she fights for her life in a Nazi concentration camp. A remarkable memoir, *I Have Lived a Thousand Years* is a story of cruelty and suffering, but at the same time a story of hope, faith, perseverance, and love. It wasn't long ago that Elli led a normal life that included family, friends, school, and thoughts about boys. A life in which Elli could lie and daydream for hours that she was a beautiful and elegant celebrated poet. But these adolescent daydreams quickly darken in March 1944, when the Nazis invade Hungary. First Elli can no longer attend school, have possessions, or talk to her neighbors. Then she and her family are

forced to leave their house behind to move into a crowded ghetto, where privacy becomes a luxury of the past and food becomes a scarcity. Her strong will and faith allow Elli to manage and adjust, but what she doesn't know is that this is only the beginning. The worst is yet to come...

I Have Lived a Thousand Years

Scholastic Inc.

A room locked for fifty years. A valuable peacock ring. A mysterious brother-sister duo. Paloma Marquez is traveling to Mexico City, birthplace of her deceased father, for the very first time. She's hoping that spending time in Mexico will help her unlock memories of the too-brief time they spent together. While in Mexico, Paloma meets Lizzie and Gael, who present her with an irresistible

challenge: The siblings want her to help them find a valuable ring that once belonged to beloved Mexican artist Frida Kahlo. Finding the ring means a big reward -- and the thanks of all Mexico. What better way to honor her father than returning a priceless piece of jewelry that once belonged to his favorite artist! But the brother and sister have a secret. Do they really want to return the ring, or are they after something else entirely?

Penguin

The Nazis may have taken their home, but the family still has a guardian angel. In this emotionally rich story, a little girl and her family live happily in Paris until Nazi soldiers arrive during World War II. She and her family must flee or risk

being sent to a concentration camp, so they run into the woods, where they meet resistance fighters. But they're still not safe. They must cross tall mountains and sail in a rickety boat to England. Yet the whole time they're struggling to survive, the little girl thinks of the stone angel near their apartment in Paris and imagines it watching over her family. Offering a never-before-told story of the Holocaust, Jane Yolen returns to the material she mined in the award-winning *THE DEVIL'S ARITHMETIC*. Filled with sorrow, hope, comfort, and triumph, this gorgeously illustrated book is sure to become a modern classic—offering adults a perfect vehicle with which to share a difficult subject. Praise for *STONE ANGEL*: * "This story provides a wonderful addition to materials about

World War II and the Holocaust, and is appropriate for even the gentlest of readers."--School Library Connection

She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz extermination camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a

cattle car bound for the death camp Aushchwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was WWII. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

Lilith's Cave Penguin

Mother and child ponder the different ways a dinosaur can say goodnight, from slamming his tail and pouting to giving a big hug and kiss, in a picture book featuring ten sleepy dinosaurs which includes the names of each dinosaur on the end papers.

Briar Rose Graymalkin Media

Tales of terror and the supernatural hold an honored position in the Jewish

folkloric tradition. Howard Schwartz has superbly translated and retold fifty of the best of these folktales. Gathered from countless sources ranging from the ancient Middle East to twelfth-century Germany and later Eastern European oral tradition, these captivating stories include Jewish variants of the Pandora and Persephone myths.

The Passover Guest Penguin

From Newbery media winner Karen Hesse comes an unforgettable story of an immigrant family's journey to America. "America," the girl repeated. "What will you do there?" I was silent for a little time. "I will do everything there," I answered. Rifka knows nothing about America when she flees from Russia with her family in 1919. But she dreams that in the new country she will at last be

safe from the Russian soldiers and their harsh treatment of the Jews. Throughout her journey, Rifka carries with her a cherished volume of poetry by Alexander Pushkin. In it, she records her observations and experiences in the form of letters to Tovah, the beloved cousin she has left behind. Strong-hearted and determined, Rifka must endure a great deal: humiliating examinations by doctors and soldiers, deadly typhus, separation from all she has ever known and loved, murderous storms at sea, detainment on Ellis Island—and is if this is not enough, the loss of her glorious golden hair. Based on a true story from the author's family, *Letters from Rifka* presents a real-life heroine with an uncommon courage and unsinkable spirit.

How Do Dinosaurs Say Goodnight?

Kensington Books

Rewrites the old German folktale, Sleeping Beauty, into a story about the ramifications of the Holocaust.

Murder in an English Village Carolrhoda Lab ®

Largely ignored by her own family, Princess Djeow Seow spends her days playing with a kite made from paper and sticks. But when the Emperor is imprisoned in a high tower, only the Princess can save the day, flying her kite high up into the sky to rescue her father. A familiar jewel polished to unaccustomed brilliance. Booklist: It is rare to find a book where the beauty of the language and image are so finely meshed as in this tale of loyalty and love. United Press International Jane

Yolen lives in Hatfield, Massachusetts and Scotland. Ed Young lives in Hastings-on-Hudson, New York.

Freaky Green Eyes Penguin

"A triumphantly moving book." —Kirkus Reviews, starred review Hannah dreads going to her family's Passover Seder—she's tired of hearing her relatives talk about the past. But when she opens the front door to symbolically welcome the prophet Elijah, she's transported to a Polish village in the year 1942. Why is she there, and who is this "Chaya" that everyone seems to think she is? Just as she begins to unravel the mystery, Nazi soldiers come to take everyone in the village away. And only Hannah knows the unspeakable horrors that await. A critically acclaimed novel from multi-award-winning author Jane

Yolen. "[Yolen] adds much to understanding the effects of the Holocaust, which will reverberate throughout history, today and tomorrow." —SLJ, starred review "Readers will come away with a sense of tragic history that both disturbs and compels." —Booklist Winner of the National Jewish Book Award An American Bookseller "Pick of the Lists"

Fourteen-year-old Marina and sixteen-year-old Jed accompany their parents' religious cult, the Believers, to await the end of the world atop a remote mountain, where they try to decide what

they themselves believe.

Mapping the Bones Houghton Mifflin Harcourt

From the best-selling and award-winning author of *The Devil's Arithmetic*, Jane Yolen, comes her first Holocaust novel in nearly thirty years. Influenced by Dr. Mengele's sadistic experimentations, this story follows twins as they travel from the Lodz ghetto, to the partisans in the forest, to a horrific concentration camp where they lose everything but each other. It's 1942 in Poland, and the world is coming to pieces. At least that's how it seems to Chaim and Gittel, twins whose lives feel like a fairy tale torn apart, with evil witches, forbidden forests, and dangerous ovens looming on the horizon. But in all darkness there is light, and the twins find it through Chaim's

poetry and the love they have for each other. Like the bright flame of a Yahrzeit candle, his words become a beacon of memory so that the children and grandchildren of survivors will never forget the atrocities that happened during the Holocaust. Filled with brutality and despair, this is also a story of poetry and strength, in which a brother and sister lose everything but each other. Nearly thirty years after the publication of her award-winning and bestselling *The Devil's Arithmetic* and *Briar Rose*, Yolen once again returns to World War II and captivates her readers with the authenticity and power of her words. Praise for *Mapping the Bones*: "Jane Yolen's *Mapping the Bones* is a swift and deadly drama with overtones of dark fable we all wish we could forget. But

this book, a shining star held in a trembling palm, requires us to remember." --Gregory Maguire, internationally bestselling author of *Wicked* "Mapping the Bones is spare and beautiful and haunting. Jane Yolen has created a masterpiece." --Kimberly Brubaker Bradley, *New York Times* bestselling author of *The War That Saved My Life* "Master storyteller Jane Yolen has outdone herself. This is a compelling, important, necessary, and timely book that deserves the widest audience possible." --Lesléa Newman, award-winning author of *Still Life with Buddy* "In the hands of the superb Jane Yolen, folklore and fact connect in a harrowing testimony to horror and to love. Brutal, relentless, prophetic, and full of truth." --Elizabeth Wein, *New York*

Times bestselling author of Code Name Verity "A compassionate, unflinching, unforgettable Nazi labor camp Hansel & Gretel tale woven by America's finest spinner of Holocaust stories for young readers." --Julie Berry, author of the Printz Honor Book *The Passion of Dolssa* "[An] expansive, eloquent novel." --Publishers Weekly "Yolen does a superb job of dramatizing the horrors of WWII and the Holocaust, bringing vivid fear and suspense to her captivating story. It makes for altogether memorable and essential reading." --Booklist "[A] breathtaking and heartbreaking look at the horrors of war and the lengths people go to overcome." --Voice of Youth Advocates "Fans of Yolen's *The Devil's Arithmetic* will be engrossed in this story until the last page." --School Library

Journal "[A] well-rounded story of a very difficult time that shows the resiliency of these young people." --School Library Connection

The Detour Henry Holt and Company (BYR)

A richly expanded edition of the classic call-to-arms. Yolen argues perceptively that fantasy, folklore, and the realm of story provide our children with a "star map for our future". Six new essays tender fresh perspectives on the morality of fairy tales, time travel, the definition of story and, of course, why such themes are essential to the development of today's children.

Touch Magic Simon and Schuster

A neighborhood cat observes the changes in German and Jewish families in Berlin during the period leading up to

Kristallnacht, the Night of Broken Glass. This cat's-eye view introduces the Holocaust to children in a gentle way that can open discussion of this period.
