The Tribes and Castes of the North-Western Provinces and Oudh HarperCollins

"Contemporary female friendship goes glam in this lively debut novel with remarkable depth." -- Washington Post "Great fun and extremely smart." -- npr.org NAMED A MOST ANTICIPATED BOOK OF 2022 BY Vogue * Marie Claire * Glamour * Essence * Oprah Daily * Entertainment Weekly * Bustle * PopSugar * CrimeReads * and more! An incisive and exhilarating debut novel following three Anglo-Nigerian best friends and the lethally glamorous fourth woman who infiltrates their group—the most unforgettable girls since Carrie, Miranda, Charlotte, and Samantha. Ronke wants happily ever after and 2.2. kids. She’s dating Kayode and wants him to be “the one” (perfect, like her dead father). Her friends think he’s just another in a long line of dodgy Nigerian boyfriends. Boo has everything Ronke wants—a kind husband, gorgeous child. But she’s frustrated, unfulfilled, plagued by guilt, and desperate to remember who she used to be. Simi is the golden one with the perfect lifestyle. No one knows she’s crippled by impostor syndrome and tempted to pack it all in each time her boss mentions her “urban vibe.” Her husband thinks they’re trying for a baby. She’s not. When the high-flying, charismatic Isobel explodes into the group, it seems at first she’s bringing out the best in each woman. (She gets Simi an interview in Shanghai! Goes jogging with Boo!) But the more Isobel intervenes, the more chaos she sows, and Ronke, Simi, and Boo’s close friendship begins to crack. A sharp, modern take on friendship, ambition, culture, and betrayal, *Wahala* (trouble) is an unforgettable novel from a brilliant new voice.

In this remarkably candid book, the author has taken a hard look at Pakistan, in his words our difficult neighbour and analysed the reasons as to why the two countries have never been friends and probably will not be in the future, at least not in the immediate one. The author attributes India's failure to neutralise Pakistan to its kind of near constant Gandhian (passive) approach to India's security interests. The author believes that the future of Muslims in India is bright and that it would be quite a lusterless country without them. It is a matter of time before India has its first Muslim Prime Minister but this will happen when the latter represents interests of all Indians and not merely those of the Muslims. His study of Muslims is spread of a wide range of inter related perspectives. What has been written comes through the author's personal knowledge, not through any ideological prism and also secondary observations of other people and least of all through rose tinted glasses. He has spared no one who he believes is guilty of committing crimes against the Nation. It is a passionate book that ends on an optimistic note.

Excerpt from *The Tribes and Castes of the North-Western Provinces and Oudh*, Vol. 4 of 4 Mughul, Mughul. - One of the four great Muhammadan sub divisions known in Europe under the form Mongol. Mr. Ibbetson, ' writing of the panjab, does not attempt to touch upon the much debated question of the distinction between the Turks and Mughuls. In the Delhi territory, indeed, the villagers accustomed to describe the Mughuls of the Empire as Turks, used the word as synonymous with official, and I have heard my Hindu clerks of Kayasth class described as Turks, merely because they were in Government employ. On the Biloch frontier the word Turk is commonly used as synonym ous with Mughul. The Mughuls preper probably either entered the Paujfib with Babar, or were attracted thither under the dynasty of his successors; and I believe that the great majority of those who have returned themselves as Mughuls in the Eastern Panjab really belong to that race. In these Provinces they say that they take their name from their ancestor Mughul Khan. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The most widely known English translation of the Kama Sutra was privately printed in 1883. It is usually attributed to renowned orientalist and author Sir Richard Francis Burton, but the chief work was done by the Indian archaeologist Bhagwan Lal Indraji, under the guidance of Burton's friend, the Indian civil servant Forster Fitzgerald Arbuthnot, and with the assistance of a student, Shivaram Parshuram Bhide.[18] Burton acted as publisher, while also furnishing the edition with footnotes whose tone ranges from the jocular to the scholarly. Burton says the following in its introduction: **Secret Wars** Rupa Publications India

The Kama Sutra, is an ancient Indian text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by the Indian scholar Vatsyayana. A portion of the work consists of practical advice on sex. K ma means sensual or sexual pleasure, and s tra are the guidlines of yoga, the word itself means thread in Sanskrit. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra). Traditionally, the first transmission of Kama Shastra or "Discipline of Kama" is attributed to Nandi the sacred bull, Shiva's doorkeeper, who was moved to sacred utterance by overhearing the lovemaking of the god and his wife Parvati and later recorded his utterances for the benefit of mankind."

Winner of the Healthy Teen Network's Carol Mendez Cassell Award for Excellence in Sexuality Education and the American Sociological Association's Children and Youth Section's 2012 Distinguished Scholarly Research Award For American parents, teenage sex is something to be feared and forbidden: most would never consider allowing their children to have sex at home, and sex is a frequent source of family conflict. In the Netherlands, where teenage pregnancies are far less frequent than in the United States, parents aim above all for family cohesiveness, often permitting young couples to sleep together and providing them with contraceptives. Drawing on extensive interviews with parents and teens, *Not Under My Roof* offers an unprecedented, intimate account of the different ways that girls and boys in both countries negotiate love, lust, and growing up. Tracing the roots of the parents' divergent attitudes, Amy T. Schalet reveals how they grow out of their respective conceptions of the self, relationships, gender, autonomy, and authority. She provides a probing analysis of the way family culture shapes not just sex but also alcohol consumption and parent-teen relationships. Avoiding caricatures of permissive Europeans and puritanical Americans, Schalet shows that the Dutch require self-control from teens and parents, while Americans guide their children toward autonomous adulthood at the expense of the family bond.

I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.
