I've Had to Think Up a Way to Survive University of Texas Press

In the 1990s, Chicago was at the center of indie rock, propelling bands like the Smashing Pumpkins and Liz Phair to the national stage. The musical ecosystem from which these bands emerged, though, was expansive and diverse. Grunge players comingled with the electronic, jazz, psychedelic, and ambient music communities, and an inventive, collaborative group of local labels—kranky, Drag City, and Thrill Jockey, among others—embraced the new, evolving sound of indie “rock.” Bruce Adams, co-founder of kranky records, was there to bear witness. In *You’re with Stupid*, Adams offers an insider’s look at the role Chicago’s underground music industry played in the transformation of indie rock. Chicago labels, as Adams explains, used the attention brought by national acts to launch bands that drew on influences outside the Nirvana-inspired sound then dominating pop. The bands themselves—Labradford, Godspeed You! Black Emperor, Low—were not necessarily based in Chicago, but it was Chicago labels like kranky that had the ears and the infrastructure to do something with this new music. In this way, Chicago-shaped sounds reached the wider world, presaging the genre-blending music of the twenty-first century. From an author who helped create the scene and launched some of its best music, *You’re with Stupid* is a fascinating and entertaining read.

National Bestseller Legendary musician Richard Marx offers an enlightening, entertaining look at his life and career. Richard Marx is one of the most accomplished singer-songwriters in the history of popular music. His self-titled 1987 album went triple platinum and made him the first male solo artist (and second solo artist overall after Whitney Houston) to have four singles from their debut crack the top three on the Billboard Hot 100. His follow-up, 1989’s *Repeat Offender*, was an even bigger smash, going quadruple platinum and landing two singles at number one. He has written fourteen number one songs in total, shared a Song of the Year Grammy with Luther Vandross, and collaborated with a variety of artists including NSYNC, Josh Groban, Natalie Cole, and Keith Urban. Lately, he’s also become a Twitter celebrity thanks to his outspokenness on social issues and his ability to out-troll his trolls. In *Stories to Tell*, Marx uses this same engaging, straight-talking style to look back on his life and career. He writes of how Kenny Rogers changed a single line of a song he’d written for him then asked for a 50% cut—which inspired Marx to write one of his biggest hits. He tells the uncanny story of how he wound up curled up on the couch of Olivia Newton-John, his childhood crush, watching *Xanadu*. He shares the tribulations of working with the all-female hair metal band Vixen and appearing in their video. Yet amid these entertaining celebrity encounters, Marx offers a more sobering assessment of the music business as he’s experienced it over four decades—the challenges of navigating greedy executives and grueling tour schedules, and the rewards of connecting with thousands of fans at sold-out shows that make all the drama worthwhile. He also provides an illuminating look at his songwriting process and talks honestly about how his personal life has inspired his work, including finding love with wife Daisy Fuentes and the mystery illness that recently struck him—and that doctors haven’t been able to solve. *Stories to Tell* is a remarkably candid, wildly entertaining memoir about the art and business of music.

Kill Me Softly Simon & Schuster

A moving memoir exploring how a poet found support and revival through Dolly Parton's music and story.

Raisin' Cain ECW Press

"Sueño de lobos (1986) won the 1986 Josâe Mejâia award for the best work of fiction in Ecuador. Set in Quito in early 1980s at the end of the oil boom, four petty cons and an insomniac accountant join forces to plot a bank heist that becomes a nightmare. Adequate translation, but no introduction"--Handbook of Latin American Studies, v. 58.

Ice Cream Work Hal Leonard Corporation

Full-tilt, hardcore, down-home, and groundbreaking, the women of country music speak volumes with every song. From Maybelle Carter to Dolly Parton, k.d. lang to Taylor Swift—these artists provided pivot points, truths, and doses of courage for women writers at every stage of their lives. Whether it's Rosanne Cash eulogizing June Carter Cash or a seventeen-year-old Taylor Swift considering the golden glimmer of another precocious superstar, Brenda Lee, it's the humanity beneath the music that resonates. Here are deeply personal essays from award-winning writers on femme fatales, feminists, groundbreakers, and truth tellers. Acclaimed historian Holly George Warren captures the spark of the rockabilly sensation Wanda Jackson; *Entertainment Weekly's* Madison Vain considers Loretta Lynn's girl-power anthem "The Pill"; and rocker Grace Potter embraces Linda Ronstadt's unabashed visual and musical influence. Patty Griffin acts like a balm on a post-9/11 survivor on the run; Emmylou Harris offers a gateway through paralyzing grief; and Lucinda Williams proves that greatness is where you find it. Part history, part confessional, and part celebration of country, Americana, and bluegrass and the women who make them, *Woman Walk the Line* is a very personal collection of essays from some of America's most intriguing women writers. It speaks to the ways in which artists mark our lives at different ages and in various states of grace and imperfection—and ultimately how music transforms not just the person making it, but also the listener.

In My Place University of Texas Press

With Joy, Love and a Little Trepidation, Courtney, Sienna and Rachel Invite You to the Most Emotional Wedding of the Year...Their Mother's Courtney

The Misfit As the awkward one, Courtney Watson may not be as together as her sisters, but she excels at one thing—keeping secrets, including her white-hot affair with a sexy music producer. Planning Mom's wedding exposes her startling hidden life, changing her family's view of her—and how she views herself—forever. Sienna The Free Spirit When Sienna's boyfriend proposes—in front of her mom and sisters, for crying out loud—he takes her by surprise. She already has two broken engagements under her belt. Should she say "I do" even if she's not sure she does? Rachel The Cynic Rachel thought love would last forever...right up until her divorce. As Mom's wedding day draws near and her ex begs for a second chance, she's forced to acknowledge some uncomfortable truths about why her marriage failed, and decide if she'll let pride stand in the way of her own happily-ever-after.

Profiles the young of such marine animals as orcas, octopuses, stingrays, and sea otters.

Woman Walk the Line University of Texas Press

DJ Screw, a.k.a. Robert Earl Davis Jr., changed rap and hip-hop forever. In the 1990s, in a spare room of his Houston home, he developed a revolutionary mixing technique known as chopped and screwed. Spinning two copies of a record, Screw would “chop” in new rhythms, bring in local rappers to freestyle over the tracks, and slow the recording down on tape. Soon Houstonians were lining up to buy his cassettes—he could sell thousands in a single day. Fans drove around town blasting his music, a sound that came to define the city’s burgeoning and innovative rap culture. June 27 has become an unofficial city holiday, inspired by a legendary mix Screw made on that date. Lance Scott Walker has interviewed nearly everyone who knew Screw, from childhood friends to collaborators to aficionados who evangelized Screw’s tapes—millions of which made their way around the globe—as well as the New York rap moguls who honored him. Walker brings these voices together with captivating details of Screw’s craft and his world. More than the story of one man, DJ Screw is a history of the Houston scene as it came of age, full of vibrant moments and characters. But none can top Screw himself, a pioneer whose mystique has only grown in the two decades since his death.

Who Got the Camera? Da Capo Press

After a century of racist whitewashing, country music is finally reckoning with its relationship to Black people. In this timely work—the first book on Black country music by a Black writer—Francesca Royster uncovers the Black performers and fans, including herself, who are exploring the pleasures and possibilities of the genre. Informed by queer theory and Black feminist scholarship, Royster’s book elucidates the roots of the current moment found in records like Tina Turner’s first solo album, Tina Turns the Country On! She reckons with Black “bros” Charley Pride and Darius Rucker, then chases ghosts into the future with Valerie June. Indeed, it is the imagination of Royster and her artists that make this music so exciting for a genre that has long been obsessed with the past. The futures conjured by June and others can be melancholy, and are not free of racism, but by centering Black folk Royster begins to understand what her daughter hears in the banjo music of *Our Native Daughters* and the trap beat of Lil Nas X’s “Old Town Road.” A Black person claiming country music may still feel a bit like a queer person coming out, but, collectively, Black artists and fans are changing what country music looks and sounds like—and who gets to love it.

I'll Be Here in the Morning Scholastic Paperbacks

This volume acts as a reference to the 1000 top albums of all time. All the key information is provided, including track listings and a brief judgement on each album. The appendices in this new edition have been expanded and enlarged to include the top 1000 albums across a range of genres, from blues to rap, reggae to indie and jazz to dance. More specialist areas, such as Latin, have been included and the number of jazz albums have been increased.

All Time Top 1000 Albums London Bridge

Acclaimed music writer Robert Hilburn’s “epic” and “definitive” (Rolling Stone) biography of music icon Paul Simon, written with Simon’s full participation—but without his editorial control—that “reminds us how titanic this musician is” (The Washington Post). For more than fifty years, Paul Simon has spoken to us in songs about alienation, doubt, resilience, and empathy in ways that have established him as one of the most beloved artists in American pop music history. Songs like “The Sound of Silence,” “Bridge Over Troubled Water,” “Still Crazy After All These Years,” and “Graceland” have moved beyond the sales charts and into our cultural consciousness. But Simon is a deeply private person who has said he will not write an autobiography or talk to biographers. Finally, however, he has opened up for Robert Hilburn—for more than one hundred hours of interviews—in this “brilliant and entertaining portrait of Simon that will likely be the definitive biography” (Publishers Weekly, starred review). Over the course of three years, Hilburn conducted in-depth interviews with scores of Paul Simon’s friends, family, colleagues, and others—including ex-wives Carrie Fisher and Peggy Harper, who spoke for the first time—and even penetrated the inner circle of Simon’s long-reclusive muse, Kathy Chitty. The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level. In the process, Hilburn documents Simon’s search for artistry and his constant struggle to protect that artistry against distractions—fame, marriage, divorce, drugs, record company interference, rejection, and insecurity—that have derailed so many great pop figures. “As engaging as a lively American tune” (People), Paul Simon is a “straight-shooting tour de force...that does thorough justice to this American prophet and pop star” (USA TODAY, four out of four stars). “Read it if you like Simon; read it if you want to discover how talent unfolds itself” (Stephen King).

Ocean Babies University of Texas Press

Describes the musical heritage of the United States and the development of styles such as jazz, rock, pop, country, folk, and blues

The Natural Order of Things Chicago Review Press

An up-close and personal account of the L.A. punk scene, told by those who were there, with 50 rare photos

The Crocodile Who Came for Dinner Black Dog & Leventhal

(Piano/Vocal/Guitar Artist Songbook). This powerful, posthumous release is the coda in the acclaimed American series featuring the legendary Johnny Cash produced by Rick Rubin. Its 12 sadly beautiful tracks include two Cash originals "Like the 309," the last song he ever wrote, and "I Came to Believe," plus covers such as: Four Strong Winds * God's Gonna Cut You Down * I'm Free from the Chain Gang Now * If You Could Read My Mind * Love's Been Good to Me * and more.

No Encore! Vintage

The writer of such influential songs as "Pancho and Lefty," "To Live's to Fly," "If I Needed You," and "For the Sake of the Song," Townes Van Zandt exerted an influence on at least two generations of Texas musicians that belies his relatively brief, deeply troubled life. Indeed, Van Zandt has influenced millions worldwide in the years since his death, and his impact is growing rapidly. Respected singer/songwriter John Gorka speaks for many when he says, "'Pancho and Lefty' changed—it unchained—my idea of what a song could be." In this tightly woven, intelligently written book, Brian T. Atkinson interviews both well-known musicians and up-and-coming artists to reveal, in the performers' own words, how their creative careers have been shaped by the life and work of Townes Van Zandt. Kris Kristofferson, Guy Clark, Billy Joe Shaver, Rodney Crowell, Lucinda Williams, and Lyle Lovett are just a few of the established musicians who share their impressions of the breathtakingly beautiful tunes and lyrics he created, along with their humorous, poignant, painful, and indelible memories of witnessing Van Zandt's rise and fall. Atkinson balances the reminiscences of seasoned veterans with the observations of relative newcomers to the international music scene, such as Jim James (My Morning Jacket), Josh Ritter, and Scott Avett (the Avett Brothers), presenting a nuanced view of Van Zandt's singular body of work, his reckless lifestyle, and his long-lasting influence. Forewords by "Cowboy" Jack Clement and longtime Van Zandt manager and friend Harold F. Eggers Jr. open the book, and each chapter begins with an introduction in which Atkinson provides context and background, linking each interviewee to Van Zandt's legacy. Historians, students, and fans of all music from country and folk to rock and grunge will find new insights and recall familiar pleasures as they read *I'll Be Here in the Morning: The Songwriting Legacy of Townes Van Zandt*.

DJ Screw University of Texas Press

Jam Bands is the first comprehensive guide to the emerging wave of improvisational music now thriving in North America. The book spans the continent, identifying more than 175 of the most noteworthy jam bands. Each entry includes photos, biographies, discographies, personal insights from band members, web site listings, and descriptions and analyses of each group's distinctive musical styles and talents. Additionally, since all the profiled bands encourage live taping, *Jam Bands* offers a section devoted to the art of recording concerts and building a live-music library. Written by noted live-music fanatic and taper Dean Budnick, author of *THE PHISHING MANUAL*, *Jam Bands* is sure to please both long-time devotees of the jam band scene and new initiates as well. From Aquarium Rescue Unit to Zero, with stops along the way for moe., Medeski, Martin & Wood, Rusted Root, Strangefolk, and String Cheese Incident, *Jam Bands* will reacquaint readers with cherished groups and introduce new favourites, while unlocking the mysteries of taping.

Dark Days Lamb Who Came For Dinner

Mirabelle's past is shrouded in secrecy, from her parents' tragic deaths to her guardians' half-truths about why she can't return to her birthplace, Beau Rivage. Desperate to see the town, Mira runs away—and discovers a world she never could have imagined. In *Beau Rivage*, nothing is what it seems—the strangely pale girl with a morbid interest in apples, the obnoxious playboy who's a beast to everyone he meets, and the chivalrous guy

who has a thing for damsels in distress. Here, fairy tales come to life, curses are awakened, and ancient stories are played out again and again. But fairy tales aren't pretty things, and they don't always end in happily ever after. Mira has a role to play, a fairy tale destiny to embrace or resist. As she struggles to take control of her fate, Mira is drawn into the lives of two brothers with fairy tale curses of their own...brothers who share a dark secret. And she'll find that love, just like fairy tales, can have sharp edges and hidden thorns.

Damaged University of Texas Press

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's *Our Shared Shelf* Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

Daughters of the Bride Grove Press

T Bone Burnett is a unique, astonishingly prolific music producer, singer-songwriter, guitarist, and soundtrack visionary. Renowned as a studio maven with a Midas touch, Burnett is known for lifting artists to their greatest heights, as he did with *Raising Sand*, the multiple Grammy Award-winning album by Robert Plant and Alison Krauss, as well as acclaimed albums by Los Lobos, the Wallflowers, B. B. King, and Elvis Costello. Burnett virtually invented "Americana" with his hugely successful roots-based soundtrack for the Coen Brothers film, *O Brother, Where Art Thou?* Outspoken in his contempt for the entertainment industry, Burnett has nevertheless received many of its highest honors, including Grammy Awards and an Academy Award. T Bone Burnett offers the first critical appreciation of Burnett's wide-ranging contributions to American music, his passionate advocacy for analog sound, and the striking contradictions that define his maverick artistry. Lloyd Sachs highlights all the important aspects of Burnett's musical pursuits, from his early days as a member of Bob Dylan's Rolling Thunder Revue and his collaboration with the playwright Sam Shepard to the music he recently composed for the TV shows *Nashville* and *True Detective* and his production of the all-star album *Lost on the River: The New Basement Tapes*. Sachs also underscores Burnett's brilliance as a singer-songwriter in his own right. Going well beyond the labels "legendary" or "visionary" that usually accompany his name, T Bone Burnett reveals how this consummate music maker has exerted a powerful influence on American music and culture across four decades.

Have a Little Faith University of Texas Press

Doony, Ryder, Wyatt, Bodhi. The names of Kristin Hersh's sons are the only ones included in her new memoir, *Seeing Sideways*. As the book unfolds and her sons' voices rise from its pages, it becomes clear why: these names tell the story of her life. This story begins in 1990, when Hersh is the leader of the indie rock group *Throwing Muses*, touring steadily, and the mother of a young son, Doony. The chapters that follow reveal a woman and mother whose life and career grow and change with each of her sons: the story of a custody battle for Doony is told alongside that of Hersh's struggles with her record company and the resulting PTSD; the tale of breaking free from her record label stands in counterpoint to her recounting of her pregnancy with Ryder; a period of writer's block coincides with the development of Wyatt as an artist and the family's loss of their home; and finally, soon after Bodhi's arrival, Hersh and her boys face crises from which only strange angels can save them. Punctuated with her own song lyrics, *Seeing Sideways* is a memoir about a life strange enough to be fiction, but so raw and moving that it can only be real.
