An important new voice provides a riveting look at why video games need feminism and why all of us should make space for more play in our lives. "You play like a girl": it's meant to be an insult, accusing a player of subpar, un-fun playing. If you're a girl, and you grow up, do you "play like a woman"--whatever that means? In this provocative and enlightening book, Shira Chess urges us to play like feminists. Furthermore, she urges us to play video games like feminists. Playing like a feminist is empowering and disruptive; it exceeds the boundaries of gender yet still advocates for gender equality. Feminism need video games as much as video games need feminism.

Après Trouve-toi une vie, paru en 2016, Fabien Cloutier revient en force avec un nouveau recueil de textes comiques dont il a le secret. Avec le ton à la fois tendre et abrasif qu'on lui connaît, il aborde les grands sujets qui nous préoccupent tous : l'environnement, les retraites, Capitaine Déneige, le mystère des magazines Passe-Partout que l'on garde dans le fond d'un garde-robe sans trop savoir pourquoi. Fabien Cloutier offre même des conseils de vie à un public prêt à rire de ses habitudes, et qui est donc aussi disposé à les interroger. Les textes rassemblés ici sont issus de différentes chroniques radiophoniques et de performances réalisées entre 2018 et 2022 après Jésus-Christ. Ils sont illustrés par Samuel Cantin.

The first novel from Madagascar ever to be translated into English, Naivo's magisterial *Beyond the Rice Fields* delves into the upheavals of the nation's precolonial past through the twin narratives of a slave and his master's daughter. Fara and her father's slave, Tsito, have shared a tender intimacy since her father bought the young boy who'd been ripped away from his family after their forest village was destroyed. Now in Sahaso, amongst the cattle and rice fields, everything is new for Tsito, and Fara at last has a companion to play with. But as Tsito looks forward toward the bright promise of freedom and Fara, backward to a twisted, long-denied family history, a rift opens that a rapidly shifting political and social terrain can only widen. As love and innocence fall away, their world becomes defined by what tyranny and superstition both thrive upon: fear. With captivating lyricism and undeniable urgency, Naivo crafts an unsentimental interrogation of the brutal history of nineteenth-century Madagascar as a land newly exposed to the forces of Christianity and modernity, and preparing for a violent reaction against them. *Beyond the Rice Fields* is a tour de force about the global history of human bondage and the competing narratives that keep us from recognizing ourselves and each other, our pasts and our destinies.

A Drifting Year finds Haitian expatriate Laferrière plagued by his recollections. In this short novel written in stanzas, the young exile arrives in the unfamiliar city of Montreal. Here, he quickly discovers all the things endemic to the Canadian immigrant experience; racism, poverty, and disorientation plague the budding writer. Here is an author at his best when fiction and memoir exploit each other. The dreamscape at the end of the longer novel easily eclipses the cold streets of Montreal and the stinking slums of Port-au-Prince. If *A Drifting Year* is exploratory surgery, *Dead Men* is life-saving trauma. Despite all advances in medicine, time will not be cheated. Only writers like Laferrière can hope to make the living walk the earth forever. -Excerpt from Hal Niedzvieck's review in *Quill and Quire*, November 1997
