RAFAEL MARELI

Beyond A Love Supreme Boydell & Brewer

A collection of 16 original short stories.

Baritone Songs Academic Press

The authors review the twentieth-century history of Hungarian communities that became minorities within Czechoslovakia, Romania, Yugoslavia, and Austria after World War I. They trace these developments over ninety years of social, political, economic, and cultural upheaval and examine in detail the relationship between such communities and the majority nations in which they found themselves. The volume also follows changes in these groups' political and legal statuses.

Album of Flute Duets Scarecrow Press

Historical Dictionary of the Gypsies (Romanies)Scarecrow Press

The Lyrics of HADESTOWN Alfred Music

Exploring many aspects of Felix Mendelssohn's multi-faceted career as musician and how it intersects with his work as composer, contributors discuss practical issues of music making such as performance space, instruments, tempo markings, dynamics, phrasings, articulations, fingerings, and instrument techniques. They present the conceptual and ideological underpinnings of Mendelssohn's approach to performance, interpretation, and composing through the contextualization of specific performance events and through the theoretic actualization of performances of specific works. Contributors rely on manuscripts, marked or edited scores, and performance parts to convey a deeper understanding of musical expression in 19th-century Germany. This study of Mendelssohn's work as conductor, pianist, organist, violist, accompanist, music director, and editor of old and new music offers valuable perspectives on 19th-century performance practice issues.

59 Organ Pieces Indiana University Press

"Working On A Song is one of the best books about lyric writing for the theater I've read."—Lin-Manuel Miranda Anaïs Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from HADESTOWN—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anaïs Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as "The best new musical of the season," by The Wall Street Journal, and "Sumptuous. Gorgeous. As good as it gets," by The New York Times, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anaïs Mitchell takes readers inside her more than decade's-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to HADESTOWN. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from "the underground" evolved, and became the songs we sing again and again.

Willie's on the Dark Blue Sea Hal Leonard Corporation

"A ladybug searches the garden for her musical instrument and song."--

This classic collection of great blues songs, arranged for piano and voice, was originally published in 1926. Considered the most famous blues collection in history, it includes historical notes, tunes and arrangements, notes for each song, a bibliography, and a chart of guitar chords. Illustrated by

renowned Mexican illustrator Miguel Covarrubias.

A History of Music Education in the United States University of Iowa Press

Dwelling in the highland areas of Northeast India, Bangladesh, Southwest China, Taiwan, Burma (Myanmar), Thailand, Cambodia, Vietnam, Laos, and Peninsular Malaysia are hundreds of "peoples". Together their population adds up to 100 million, more than most of the countries they live in. Yet in each of these countries, they are regarded as minorities. This second edition of Historical Dictionary of the Peoples of the Southeast Asian Massif contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on about 300 groups, the ten countries they live in, their historical figures, and their salient political, economic, social, cultural and religious aspects. This book is an excellent access point for students, researchers, and anyone wanting to know more.

New York Klezmer in the Early Twentieth Century Alfred Music

John Coltrane's *A Love Supreme* is widely considered one of the greatest jazz albums of all time. In *Beyond A Love Supreme*, author Tony Whyton explores both the musical aspects of *A Love Supreme*, and the album's seminal importance in jazz history, as well as its broader musical and cultural impact.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Minority Hungarian Communities in the Twentieth Century Rowman & Littlefield

Position Pieces for Cello is designed to give students a logical and fun way to learn their way around the fingerboard. Each hand position is introduced with exercises called "Target Practice," "Geography Quiz," and "Names and Numbers." Following these exercises are tuneful cello duets which have been specifically composed to require students to play in that hand position. In this way, students gain a thorough knowledge of how to find the hand positions and, once there, which notes are possible to play. Using these pieces (with names like "I Was a Teenage Monster," "The Irish Tenor," and "I've Got the Blues, Baby"), position study on the cello has never been so much fun!

Woodwind - B-Flat Clarinet Solo East European Monographs

Originating in India, the Gypsies arrived in Europe around the 14th century, spreading not only across the entirety of the continent but also immigrating to the Americas. The first Gypsy migration included farmworkers, blacksmiths, and mercenary soldiers, as well as musicians, fortune-tellers, and entertainers. At first, they were generally welcome as an interesting diversion to the dull routine of that period. Soon, however, they attracted the antagonism of the governing powers, as they have continually done throughout the following centuries. The second edition of the Historical Dictionary of the Gypsies (Romanies) seeks to end such prejudice by clarifying the facts about this nomadic people. Through a list of acronyms, a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on significant persons, places, events, institutions, and aspects of culture, society, economy, and politics, the history of the Gypsies and their culture is told.

The Garden Symphony G Schirmer, Incorporated

Microbial Control of Insect and Mite Pests: From Theory to Practice is an important source of information on microbial control agents and their implementation in a variety of crops and their use against medical and veterinary vector insects, in urban homes and other structures, in turf and lawns, and in rangeland and forests. This comprehensive and enduring resource on entomopathogens and microbial control additionally functions as a supplementary text to courses in insect pathology, biological control, and integrated pest management. It gives regulators and producers up-to-date information to support their efforts to facilitate and adopt this sustainable method of pest management. Authors include an international cadre of experts from academia, government research agencies, technical representatives of companies that produce microbial pesticides, agricultural extension agents with hands on microbial control experience in agriculture and forestry, and other professionals working in public health and urban entomology. Covers all pathogens, including nematodes Addresses the rapidly progressing developments in insect pathology and microbial control, particularly with regard to molecular methods Demonstrates practical use of entomopathogenic microorganisms for pest control, including tables describing which pathogens are available commercially Highlights successful practices in microbial control of individual major pests in temperate, subtropical, and tropical zones Features an international group of contributors, each of which is an expert in their fields of research related to insect pathology and microbial control
