painting skills beyond the variety of free online digital painting tutorials and apply the most up to date techniques to your digital canvas with Digital Painting Techniques for Animators.

Character Design

Quarterly 4 3dtotal Publishing

Create compelling, original characters using archetypes and design elements such as shadows and line with the tips and techniques found in this image-packed book. Bryan Tillman bridges the gap between

the technique of drawing characters and the theory of good character design by using case studies, examples of professional art, and literary and pop culture references to teach you how to develop a character, not just draw one. The book also features Character Model Sheets that will guide you through the creation of new and unique characters. Finally, Bryan will break down established character archetypes to show you why and how the different aspects of good character

design work. The content on the book is based on Bryan's popular 2009 Comic-Con course on 'Character Design'. Learn what makes a character unique and powerful by using shapes, shadows, and form - this title includes 'character model sheets' so you can put it all together yourself, as well as case studies from established artists. It bridges the gap between the technique of drawing characters and the theory of good character design in a practical, hands-on way - learn how to use

story and archetypes to develop compelling, new characters. Based on a standing-room only presentation at Comic-Con 2009 in San Diego, it features the artwork of a collection of professional artists as examples to the techniques shown in the book.

The Art of Inside Out Dark Horse Comics
Following the enormous success of her first art book, Loish returns with an inspiring book dedicated to her beautiful sketches.

Character Design Quarterly (CDQ) is a lively, creative magazine bringing inspiration, expert insights, and leading techniques from professional illustrators, artists, and character art enthusiasts worldwide. Each issue provides

detailed tutorials on creating diverse characters, enabling you to explore the processes and decision making that go into creating amazing characters. Learn new ways to develop your own ideas, and discover from the artists what it is like to work for prolific animation studios such as Disney, Warner Bros., and DreamWorks. Renowned character designer and visual development artist Taraneh Karimi creates the cover for this issue, alongside a step-by-step tutorial to show readers

how she goes about creating her stunning work.

Sketch Every Day

Chronicle Books
From an adventurous balloon ride above the clouds to a monster-filled metropolis, Academy Award®-winning director Pete Docter ("Monsters, Inc.," "Up") has taken audiences to unique and imaginative places. In Disney•Pixar's original movie "Inside Out," he will take us to the most extraordinary location of all—inside the mind. Growing up can be a

bumpy road, and it's no exception for Riley, who is uprooted from her Midwest life when her father starts a new job in San Francisco. Like all of us, Riley is guided by her emotions – Joy, Fear, Anger, Disgust, and Sadness. The emotions live in Headquarters, the control center inside Riley's mind, where they help advise her through everyday life. As Riley and her emotions struggle to adjust to a new life in San Francisco, turmoil ensues in Headquarters. Although Joy, Riley's main and most

important emotion, tries to keep things positive, the emotions conflict on how best to navigate a new city, house and school. In this groundbreaking and illuminating film, Pixar Animation Studios examines the extraordinary depths of the mind and the powers of emotion and imagination. *The Art of Inside Out* provides an exclusive look into the artistic exploration that went into the making of this vibrant film. Featuring concept art—including

sketches, collages, color scripts, and much more—and opening with a foreword by actress Amy Poehler and introduction by the film's writer and director Pete Docter, this is the ultimate behind-the-scenes experience of the making of this landmark film. The Model Rules of Professional Conduct provides an up-to-date

resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in

a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your

clients, colleagues and the courts.
