## Books

Your life is filled with pressure and pain and heartache and disappointment. So was His. If you've ever tried to pick up the shattered pieces of your life and put them back together again without help, you know it's an impossible task. When you lose your job, when divorce divides your family, when a loved one commits suicide, or when cancer claims a friend, it's easy to lose perspective and abandon hope. According to Jon Weece, Christianity does not require you to smile through your pain, much less praise God for tormenting you. God doesn't enjoy your suffering. But he does understand it—and he knows exactly how to fix it. That's what *Me Too* is all about: A God who turned the ugliness of the cross into a spectacle of eternal beauty. An all-

powerful Lord who will do the same with the pain of this world. An eternal Father who specializes in wiping away tears and putting you back together again. If you'll allow him.

*Simply Christian* Harper Collins

This book explores the link between Paul's belief that Jesus is Israel's Messiah, and his interpretation of the Abrahamic Land Promise in Galatians. Countering claims that Paul replaces the Promised Land with the gift of the Spirit or salvation, Esau McCaulley argues that Paul expands this inheritance to include the whole earth; believing that, as the seed of Abraham and David, Jesus is entitled to the entire world as his inheritance and kingdom. McCaulley argues that scholars have neglected Paul's expanded interpretation of the

inheritance of the earth, rarely appreciate the role that messianism plays in Galatians, and fail to acknowledge that Second Temple authors often portrayed royal and messianic figures as God's means of fulfilling the promises made to Abraham and Israel, via the establishment of kingdoms. Through a comparison of texts from the Pseudepigrapha, apocrypha, and the Dead Sea Scrolls with Galatians 3:1-4:7, 5:21, McCaulley argues Paul's interpretation of Jesus's death is a manifestation of Second Temple messianism because it ends the covenant curses outlined in Deuteronomy and begins the restoration of the inheritance to Abraham's offspring through the establishment of Jesus's worldwide kingdom; he concludes that

Paul's interpretation of the Abrahamic inheritance is inseparable from his belief that Jesus is Israel's Messiah.

**Jesus, the Final Days** Harper Collins  
It has been slowly dawning on me over many years that there is a fundamental problem deep at the heart of Christian faith and practice as I have known it... we have all forgotten what the four gospels are about.' With this surprising and radical assertion, highly respected theologian and former Bishop of Durham Tom Wright launches a groundbreaking work sure to shake up and revolutionise much Christian thinking on the very heart and meaning of the Gospel of Jesus Christ. Tom Wright leads us, intelligently and graciously to seeing the new reality of the gospel story; one that is so explosive that the church in many

generations has found it too much to take and so has watered it down rather than allowing its full impact to be felt.

**How God Became King** SCM Press

Many people think eschatology refers to events occurring at the end of history. In this book, two scholars with expertise in biblical eschatology argue that God's kingdom breaking into this world through Jesus Christ has inaugurated a new creation, a reality that should shape pastoral leadership and be reflected in the life and ministry of the church. Brief and accessibly written, this book articulates the practical implications of G. K. Beale's New Testament Biblical Theology and features an introductory chapter by Beale. Each chapter concludes with practical suggestions and a list of books for further study.

**Sharing in the Son's Inheritance**

Wipf and Stock Publishers

Reconstruction of the life of St Paul, paints a picture of the world in which he preached his revolutionary message and explains the significance of his lasting impact

The Resurrection of the Son of God

Harper Collins

Many Christians believe our future in heaven is all that really matters. But that's not what the Bible teaches. In this six-session small group Bible study (DVD/digital video sold separately), premier Bible scholar N. T. Wright brings you inside the Scriptures to grasp the full, breathtaking hope Jesus offers the world, and its impact on your life today. Gain an exciting new vision for your life on earth in light of your future in heaven.

Wonderful as is the promise of heaven, a glorious hereafter is just part of what salvation is about. What about today? Jesus called his followers the salt of the earth and the light of the world. Your life here and now is of tremendous consequence, and what you believe about the future has a direct impact on how you live in the present. In six transforming, faith-inspiring sessions, premiere biblical scholar N. T. Wright opens your eyes to the amazing full scope of what God's Word has to say about the world to come and the world that is. Filled with discussion questions, thoughts for reflection, and ideas for personal application, this study guide will help you get the most out of each session as you explore such questions as What is heaven really like? Is our main

duty as Christians simply to help non-Christians get there? What hope does the gospel hold for this present life? In what ways does God intend for us to experience that hope personally and spread its healing power to the world around us? Surprised by Hope provides a clearer vision both of the future and of God's kingdom at hand today. This study provides individual and group activities, additional background material, and between-session personal studies that will enhance your experience of the video sessions. Sessions include: Hope for the World The Hope of the Resurrection The Hope of Heaven The Hope of Jesus' Second Coming The Hope of Salvation The Hope of the Church Designed for use with the Surprised by Hope Video Study (sold separately).

*On Earth as in Heaven* InterVarsity Press  
 Many Christians believe that their future in heaven is all that really matters, but that's not what the Bible teaches.

Premier Bible scholar Wright goes inside the Scriptures to grasp the full, breathtaking hope Jesus offers the world, and its implications for how people live their lives today as believers.

**Galatians** Westminster John Knox Press  
 What does it mean to hope for heaven? Brian Hebblethwaite traces the background to the Christian hope in the faith of Israel, examines its primary basis in the acts of God in the story of Jesus Christ, and follows the history of Christian attitudes to the future of humanity and of creation throughout the Christian centuries. The Christian Hope tells the complex story of the different

strands, emphases and problems that have developed between biblical times and our own in the quest to understand 'the four last things' - death, judgement, heaven and hell. Hebblethwaite concentrates our attention on the modern period since 1900, an era when modern Christian theology has witnessed a remarkable recovery of interest in hope and the future as dominant motifs in its reflections. The discoveries of modern science have affected Christian hope and Christian understanding of creation and its ultimate destiny. At different stages in the history of the church, very different stresses have been laid on the present or on the future, on hope for the individual or on hope for society, on this-worldly hope or on other-worldly hope.

Through a study of the basis of Christian hope and of the history of its interpretation, Hebblethwaite aims to present a balanced view of these different elements in the Christian tradition and a credible eschatology for today.

**For All the Saints?** Westminster John Knox Press

In *Simply Jesus*, bestselling author and leading Bible scholar N.T. Wright summarizes 200 years of modern Biblical scholarship and models how Christians can best retell the story of Jesus today. In a style similar to C.S. Lewis's popular works, Wright breaks down the barriers that prevent Christians from fully engaging with the story of Jesus. For believers confronting the challenge of connecting with their faith today, and for

readers of Timothy Keller's *The Reason for God*, Wright's *Simply Jesus* offers a provocative new picture of how to understand who Jesus was and how Christians should relate to him today. Risen HarperChristian Resources Heaven. Eternity. The Afterlife. When you mention any of these concepts, people of all ages and from all walks of life are certain to have opinions. How can we know for sure what heaven will be like? According to New Testament scholar and popular author Scot McKnight, all we need to do is turn to Scripture to answer our questions. McKnight helps you examine God's Word in order to discover what awaits you on the other side of the grave and find answers to the most frequently asked questions regarding heaven, including:

1. What about Near Death Experiences?  
 2. What about Rewards in Heaven? 3.  
 Who Will Be in Heaven? 4. Is God Fair? 5.  
 Will There Be Families in Heaven? 6.  
 What about Children Who Die? 7. What  
 about Cremation? 8. What about  
 Purgatory? 9. Will There Be Pets in  
 Heaven? 10. Why Believe in Heaven?  
 Heaven isn't the construction of a fairy  
 tale or some mystical narrative. It's very  
 real; it's very good; and it's very much  
 the fulfillment of God's promise to you.

### **The Kingdom New Testament**

HarperCollins

A detailed examination of the passages  
 central to the debate about Paul's  
 christology and his view of Jewish Law.  
 From meticulous exegesis makes some  
 striking theological and historical  
 conclusions.

Small Faith, Great God Baker Academic  
 In this new commentary for the Belief  
 series, award-winning author and  
 theologian Willie James Jennings  
 explores the relevance of the book of  
 Acts for the struggles of today. While  
 some see Acts as the story of the  
 founding of the Christian church,  
 Jennings argues that it is so much more,  
 depicting revolutionlife in the disrupting  
 presence of the Spirit of God. According  
 to Jennings, Acts is like Genesis,  
 revealing a God who is moving over the  
 land, "putting into place a holy repetition  
 that speaks of the willingness of God to  
 invade our every day and our every  
 moment." He reminds us that Acts took  
 place in a time of Empire, when the  
 people were caught between diaspora  
 Israel and the Empire of Rome. The spirit

of God intervened, offering new life to both. Jennings shows that Acts teaches how people of faith can yield to the Spirit to overcome the divisions of our present world.

*Surprised by Hope* Harper Collins  
Widely regarded as the modern C. S. Lewis, N. T. Wright, one of the world's most trusted and popular Bible scholars and the bestselling author of *Simply Christian* and *Surprised by Hope*, presents a manifesto urging Christians to live and pray the Bible's Psalms in *The Case for the Psalms*. Wright seeks to reclaim the power of the Psalms, which were once at the core of prayer life. He argues that, by praying and living the Psalms, we enter into a worldview, a way of communing with God and knowing him more intimately, and receive a map

by which we understand the contours and direction of our lives. For this reason, all Christians need to read, pray, sing, and live the Psalms. By providing the historical, literary, and spiritual contexts for reading these hymns from ancient Israel's songbook, *The Case for the Psalms* provides the tools for incorporating these divine poems into our sacred practices and into our spirituality itself.

*Read the Bible for a Change* Bethany House Pub

Why did Christianity begin, and why did it take the shape it did? To answer this question -- which any historian must face -- renowned New Testament scholar N. T. Wright focuses on the key points: what precisely happened at Easter? What did the early Christians mean when they

said that Jesus of Nazareth had been raised from the dead? What can be said today about this belief? This book, third in Wright's series *Christian Origins and the Question of God*, sketches a map of ancient beliefs about life after death, in both the Greco-Roman and Jewish worlds. It then highlights the fact that the early Christians' belief about the afterlife belonged firmly on the Jewish spectrum, while introducing several new mutations and sharper definitions. This, together with other features of early Christianity, forces the historian to read the Easter narratives in the gospels, not simply as late rationalizations of early Christian spirituality, but as accounts of two actual events: the empty tomb of Jesus and his "appearances." How do we explain these phenomena? The early

Christians' answer was that Jesus had indeed been bodily raised from the dead; that was why they hailed him as the messianic "son of God." No modern historian has come up with a more convincing explanation. Facing this question, we are confronted to this day with the most central issues of the Christian worldview and theology.

*History and Eschatology: Jesus and the Promise of Natural Theology* Fortress Press

The renowned scholar, Anglican bishop, and bestselling author widely considered to be the heir to C. S. Lewis contemplates the central event at the heart of the Christian faith—Jesus' crucifixion—arguing that the Protestant Reformation did not go far enough in transforming our understanding of its

meaning. In *The Day the Revolution Began*, N. T. Wright once again challenges commonly held Christian beliefs as he did in his acclaimed *Surprised by Hope*. Demonstrating the rigorous intellect and breathtaking knowledge that have long defined his work, Wright argues that Jesus' death on the cross was not only to absolve us of our sins; it was actually the beginning of a revolution commissioning the Christian faithful to a new vocation—a royal priesthood responsible for restoring and reconciling all of God's creation. Wright argues that Jesus' crucifixion must be understood within the much larger story of God's purposes to bring heaven and earth together. *The Day the Revolution Began* offers a grand picture of Jesus' sacrifice and its full significance for the

Christian faith, inspiring believers with a renewed sense of mission, purpose, and hope, and reminding them of the crucial role the Christian faith must play in protecting and shaping the future of the world.

*The Problem with Evangelical Theology*  
Harper Collins

*In Scripture and the Authority of God: How to Read the Bible Today*, widely respected Bible and Jesus scholar, N. T. Wright gives new life to the old, tattered doctrine of the authority of scripture, delivering a fresh, helpful, and concise statement on the current “battles for the Bible,” and restoring scripture as the primary place to find God's voice. In this revised and expanded version of *The Last Word*, leading biblical scholar N. T. Wright shows how both evangelicals and

liberals are guilty of misreading Scripture and reveals a new model for understanding God's authority and the Bible.

*The Challenge of Jesus* SPCK

Which Bible passages are for us today and which only apply to the first audience ancient readers? Can we just pick and choose for ourselves the verses we think fit our situation? Who gets to decide? In *READ THE BIBLE FOR A CHANGE*, Ray Lubeck helps readers correctly understand and relate the Bible to their lives. If you are serious about your relationship with God and committed to responding faithfully to His Word, this book is for you. Ray has devoted his life to helping people discover for themselves God's truth and see how it relates to their everyday,

practical living. He will show you how to:

- Read each passage in its larger biblical context
- Understand the effects of its literary style
- Recognize the meaning of a text
- Hear God speak through the Bible's human authors
- Identify the life-changing truths that apply to life today
- Bring pleasure to God by obeying His Word

As a college-level teacher, Ray realizes what it takes to hold the interest of students of the Bible. He uses illustrations, charts, stories, and everyday examples to make learning both fun and significant. *Read the Bible for a Change* will help you avoid the pitfalls and discover the truths that transform your life.

Surprised by Hope Zondervan Academic

For years Christians have been asking, "If you died tonight, do you know where

you would go?" It turns out that many believers have been giving the wrong answer. It is not heaven. Award-winning author N. T. Wright outlines the present confusion about a Christian's future hope and shows how it is deeply intertwined with how we live today. Wright, who is one of today's premier Bible scholars, asserts that Christianity's most distinctive idea is bodily resurrection. He provides a magisterial defense for a literal resurrection of Jesus and shows how this became the cornerstone for the Christian community's hope in the bodily resurrection of all people at the end of the age. Wright then explores our expectation of "new heavens and a new earth," revealing what happens to the dead until then and what will happen with the "second coming" of Jesus. For

many, including many Christians, all this will come as a great surprise. Wright convincingly argues that what we believe about life after death directly affects what we believe about life before death. For if God intends to renew the whole creation—and if this has already begun in Jesus's resurrection—the church cannot stop at "saving souls" but must anticipate the eventual renewal by working for God's kingdom in the wider world, bringing healing and hope in the present life. Lively and accessible, this book will surprise and excite all who are interested in the meaning of life, not only after death but before it.

**The Meal Jesus Gave Us, Revised Edition** Harper Collins

The New Testament for the Twenty-First Century Many readers of the New

Testament have grown overly familiar with the biblical text, losing sight of the wonder and breadth of its innovative ideas and world-changing teachings about the life and role of Jesus of Nazareth. In *The Kingdom New Testament*, N. T. Wright, author and one of the world's leading New Testament scholars, offers an all-new English translation that invigorates these sacred texts and allows contemporary readers to encounter these historic works afresh. The original Greek text is vibrant, alive, and active, and Wright's translation retains that spirit by providing a new English text for the twenty-first-century reader. At the same time, based on his work as a pioneering interpreter of the Bible, Wright also corrects other translations so as to provide more

accurate representations of the original writers' intent. *The Kingdom New Testament* features consistent use of gender-neutral language and a more "popular-level" language matching character of the original Greek, while maintaining the vibrancy and urgency of the original work. It will help the next generation of Christians acquire a firsthand understanding of what the New Testament had to say in its own world, and what it urgently has to say in ours. Features: Complete text of the Kingdom New Testament—a fresh, new translation by N. T. Wright  
Preface by N. T. Wright  
Dozens of maps throughout the text  
Paragraph headings

### **Simply Jesus** HarperCollins

The Gospel means good news, but what makes it news? If the message has been

around for 2,000 years, what could possibly be newsworthy about it? And what makes it good? Surely not the stories we hear of damnation, violence, and an angry God. Tom Wright believes many Christians have lost sight of what

the 'good news' of the gospel really is. In *Simply Good News*, he shows how a first-century audience would have received the gospel message, what the 'good news' means for us today and how it can transform our lives.
