Using authentic conversations between native speakers as a basis, this course will help you to improve and build upon the language you already have so that you develop your skills to a level where you can enjoy talking and understand what is said. You will be introduced to more colloquial Norwegian so you will sound more natural when speaking and gain confidence. If you already know some French and want to take it further, this is the course

for you. It is a great refresher course, as well as being an easy way to build upon and improve your existing Norwegian. Taking you from a good intermediate level (B2 of the Common European Framework), this book and audio course helps you to progress up to C1 by offering: Workbook plus MP3 CD-ROM of audio files Carefully leveled and sequenced material - a solid path to build up your knowledge. Quality listening and reading input - day-to-day conversations but also

speeches, interviews and newspaper articles. Fluency building - reach a level where you can discuss sophisticated ideas in Norwegian Full of authentic texts and dialogues about complex subjects, this course covers a wide range of topics of the sort you will want to talk about when in France and teaches you the kind of everyday language and features of speech that will enable you to communicate with confidence and feel comfortable taking part in conversation with native

speakers of Norwegian. The choice of material aims to give you something of the flavour of Norway today and each unit is based around a single theme with lively interviews and conversations on the accompanying recording. There are activities based on the interviews and texts to help you remember what you've learnt and put your knowledge into practice. The units are divided into sessions - to help you organize your learning time and break up the

material into manageable chunks - and there are reminders throughout to refresh your memory of points you have learnt.

Routledge

The World's Major Languages features over 50 of the world's languages and language families. This revised edition includes updated bibliographies for each chapter and up-to-date census figures. The featured languages have been chosen based on the number of speakers, their

role as official languages and their cultural and historical importance. Each language is looked at in depth, and the chapters provide information on both grammatical features and on salient features of the language's history and cultural role. The World's Major Languages is an accessible and essential reference work for linguists.
