Chameleon, Chameleon Penguin

In this bestselling modern classic, a young boy’s lost mitten leads to a charming snowy adventure. Jan Brett’s beautiful retelling makes a perfect holiday gift. When Nicki drops his white mitten in the snow, he goes on without realizing that it is missing. One by one, woodland animals find it and crawl in; first, a curious mole, then a rabbit, a badger and others, each one larger than the last. Finally, a big brown bear is followed in by a tiny brown mouse and what happens next makes for a wonderfully funny climax. As the story of the animals in the mitten unfolds, the reader can see Nicki in the borders of each page, walking through the woods unaware of what is going on. In her distinctive style, Jan Brett brings the animals to life with warmth and humor, and her illustrations are full of visual delights and details faithful to the Ukrainian tradition from which the story comes. Jan Brett is also the creator of such wintry classics as The Hat, The Snowy Nap, Three Snowy Bears, The Animal’s Santa, and The Night Before Christmas. This book is also available in Spanish, as El mitón.

A friendship unlike any other! After retiring from the circus, Tarra became the first resident of the Elephant Sanctuary in Tennessee. When other elephants moved in and developed close friendships, only Tarra remained alone—until the day she met a stray mixed-breed dog named Bella. From then on, the two were inseparable. Color photographs of Tarra and Bella at home in the Elephant Sanctuary deftly illustrate this inspiring story of inter-species companionship.
