YAZMIN ORR

The Old Man and His Door Harper Collins

Over 70,000 dark and disturbing words fill this large collection of stories inspired from events and writings from around the world. Straight rape, lesbian rape, date rape, day stalkers, night invaders, abuse of power, blackmail, humiliation, mind control, and taking advantage of drunk and/or stoned females. There is plenty of XXX and NC-17 sex to go around, but very little romance. WARNING: GRAPHIC CONTENT.

The Barista Book Princeton University Press

A groundbreaking exposé and diagnosis of the silent epidemic of fear afflicting new mothers, and a candid, feminist deep dive into the culture, science, history, and psychology of contemporary motherhood Anxiety among mothers is a growing but largely unrecognized crisis. In the transition to motherhood and the years that follow, countless women suffer from overwhelming feelings of fear, grief, and obsession that do not fit neatly within the outmoded category of "postpartum depression." These women soon discover that there is precious little support or time for their care, even as expectations about what mothers should do and be continue to rise. Many struggle to distinguish normal worry from crippling madness in a culture in which their anxiety is often ignored, normalized, or, most dangerously, seen as taboo. Drawing on extensive research, numerous interviews, and the raw particulars of her own experience with anxiety, writer and mother Sarah Menkedick gives us a comprehensive examination of the biology, psychology, history, and societal conditions surrounding the crushing and life-limiting fear that has become the norm for so many. Woven into the stories of women's lives is an examination of the factors—such as the changing structure of the maternal brain, the ethically problematic ways risk is construed during pregnancy, and the marginalization of motherhood as an identity—that explore how motherhood came to be an experience so dominated by anxiety, and how mothers might reclaim it. Writing with profound empathy, visceral honesty, and deep understanding, Menkedick makes clear how critically we need to expand our awareness of, compassion for, and care for women's lives.

Hutterite Tordotcom

A feminist film critic's thoughtful, outspoken memoir about transgender and family On a visit to New York, the brother of well-known film critic Molly Haskell dropped a bombshell: Nearing age sixty, and married, he had decided to become a woman. In the vein of Jan Morris's classic *Conundrum* and Jennifer Finney Boylan's *She's Not There*, a transgender memoir, Haskell's *My Brother My Sister* gracefully explores a delicate subject, this time from the perspective of a family member. Haskell chronicles her brother Chevey's transformation through a series of psychological evaluations, grueling surgeries, drug regimens, and comportment and fashion lessons as he becomes Ellen. Despite Haskell's liberal views on gender roles, she was dumbfounded by her brother's decision. With candor and compassion, she charts not only her brother's journey to becoming her sister, but also her own path from shock, confusion, embarrassment, and devastation to acceptance, empathy, and love. Haskell widens the lens on her brother's story to include scientific and psychoanalytic views. In an honest, informed voice, she has revealed the controversial world of gender reassignment and transsexuals from both a personal and a social perspective in this frank and moving memoir.

Gender, Sex, and the City CreateSpace

Tricey, Vic, and Lyric are three friends from the Southside of Chicago fighting in the tumultuous war between finding the one amongst the chaotic sea of Mr. Wrongs. After breaking up with her baby's father, Memphis, Vic is in the arms of one new beau after the next; turning her heartbreak into a life filled with bald-headed h*e shenanigans. Vic's new approach to love terribly clashes with Asa's uncontrollable need for being more than her next sneaky link. However, Vic's refusal to commit doesn't keep Asa's alpha male, street swag from trying desperately to blow up the wall that she has built around her terribly damaged heart. As Vic runs from Asa's attempts to woo her, Tricey has done the unthinkable: fallen in love with her friend-with-benefits. After the heart-rendering endings of her past relationships, Akbar was the ideal replacement. Everything was perfect about him... except for his pregnant wife. After fighting against it, she falls in love and realizes that she needs to walk away from the man that she can't imagine living without. Then enters "Blood" the dope boy ready to sweep her off of her feet. But can she find the courage to walk away from the explosive chemistry between she and Akbar in order to enjoy the life that Blood wants to give her? While Tricey is stuck between a dope boy and her married love, Lyric and Salem are approaching their wedding date. As they prepare to spend the rest of their lives together, Salem is under the impression that he has chosen the perfect wife-to-be. Lyric struggles with this cloak of perfection as she figures out a way to quietly end the affair she's had on the side since the day she met her soon-to-be-husband. This is only the beginning of this Urban Romance, which is filled with love that hurts, betrayals, and feels tragically unsustainable. Packed with a sea of characters that add their own two cents of drama and contribute to the shocking and heartrending end, this love story is of three homegirls, not only falling in love with the one, but also falling in love with themselves. * This is a re-release of the previously published book, *Love, Sex, Lies*. Since this book was written when I was very young, I wanted to give it the quality and attention that these characters deserve. This story has been revamped. Changes have been made, and many scenes have been added.

Comedy and chaos await in the first of three 40-page issues by the glamorous artist of Horde, LEILA LEIZ! *M.O.M.: Mother of Madness #1 (of 3)* Springer

The act of "coming out" has the power to transform every aspect of a woman's life: family, friendships, career, sexuality, spirituality. An essential element of self-realization, it is the unabashed acceptance of one's "outlaw" standing in a predominantly heterosexual world. These accounts -- sometimes heart-wrenching, often exhilarating -- encompass a wide breadth of backgrounds and experiences. From a teenager institutionalized for her passion for women to the mother who must come out to her young sons at the risk of losing them -- from the cautious academic to the raucous

liberated femme -- each woman represented here tells of forging a unique path toward the difficult but emancipating recognition of herself. Extending from the 1940s to the present day, these intensely personal stories in turn reflect a unique history of the changing social mores that affected each woman's ability to determine the shape of her own life. Together they form an ornate tapestry of lesbian and bisexual experience in the United States over the past half-century.

Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

My Brother My Sister Rupa

Now the Netflix Limited Series *Unbelievable*, starring Toni Collette, Merritt Wever, and Kaitlyn Dever

• Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped—and the detectives who followed a winding path to arrive at the truth. "Gripping . . . [with a] John Grisham-worthy twist."—Emily Bazelon, *New York Times Book Review* (Editors' Choice) On August 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly pivoted and began investigating Marie. Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault. Describing the crime to her husband that night, Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who photographed his victims, threatening to release the images online, and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive interviews with the principals, *Unbelievable* is a serpentine tale of doubt, lies, and a hunt for justice, unveiling the disturbing truth of how sexual assault is investigated today—and the long history of skepticism toward rape victims. Previously published as *A False Report*

What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how.

The Ballad of Black Tom W W Norton & Company Incorporated

Sex workers are free in four respects: we don't have to cook for a husband; we don't have to wash his dirty clothes; we don't have to ask for his permission to raise our kids as we deem fit; we don't have to run after a husband claiming rights to his property.? Fiery, outspoken and often wickedly funny, this candid account of one woman's life as a sex worker in Kerala became a bestseller when it was first published in Malayalam. Nalini Jameela, who takes her name from both Hindu and Muslim traditions, worked as a child in the clay mines. She has been a wife, mother, successful business woman and social activist ? as well as a sex worker ? at different stages of her life. This is Nalini Jameela's story, told in her inimitably honest and down- to-earth style, of her search for dignity, empowerment and freedom on her own terms.

"Naked Soul: The Erotic Love Poems" is an extraordinary storytelling in the form of erotic love poetry, speaking directly to the reader's heart through sensations that course throughout the body. This powerful collection of erotic and sensual love poems celebrates the erotic spirit in all its forms -- from intense passionate sexual desire to seductive victory. There are love poems for every mood and sentimental feeling, for every phase of love you are experiencing whether you are with a partner or not. Read it slowly. Read a poem at a time, or two-or all at once-but give it time to sink into your heart. Read them again. Visualize. Let the poem show you what may be lying dormant in your own heart. Any poetry lover who loves deep symbolism, storytelling and musing over deep verses will find this book very touching. No matter which phase of love you are growing in currently, this book will serve to sail you further towards the endless ocean of love.

Non Consensual Erotica Simon and Schuster

The second novel by Donna Tartt, bestselling author of *The Goldfinch* (winner of the 2014 Pulitzer Prize), *The Little Friend* is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother's Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents' yard. Twelve years later Robin's murder is

still unsolved and his family remains devastated. So it is that Robin's sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson—sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town's rigid lines of race and caste and burrows deep into her family's history of loss. Filled with hairpin turns of plot and "a bustling, ridiculous humanity worthy of Dickens" (The New York Times Book Review), *The Little Friend* is a work of myriad enchantments by a writer of prodigious talent.

Unbelievable Harper Collins

There's nothing like a good cup of coffee in the morning, right? Most people simply buy their espresso, latte, or macchiato from their local coffee shop and be done with it. To others, however, their morning cup of coffee is more than just a swipe of a credit card and a quick energy boost—it's an art form. With this book, world-renowned latte artist and barista Hiroshi Sawada offers step-by-step instructions on how to make more than fifty delicious coffee drinks. Including recipes for some of the popular drinks in this world—lattes, americanos, cappuccinos, espressos, mochas—and world-class tips from Sawada himself, this coffee compendium is the premier guide for aspiring baristas and amateur home brewers alike. These invaluable skills can be applied either at home or in a professional setting—helping even the most seasoned barista hone their craft. In addition to the recipes, learn the intricacies of the pour, about the different varieties of beans and how to store them, and all the crucial elements necessary to make the perfect cup.

I Too Had a Love Story Image Comics

How many times are kids supposed to study Gandhi? Come September and out comes the bald head wig, round glasses, white dhoti, tall stick ... that's about the extent of how today's kids engage with the Mahatma. Chandrashekar is one such teen. Bored by the annual Gandhi projects, he wonders if his teacher is being too unreasonable in asking them to "BE" Gandhi. And then, his world is shaken by events that rock him to the core, forcing him to dig deep and not just find his 'inner Gandhi', but become Gandhi. Not for a day or two. But, maybe even, for life. This is a novel that explores, not Gandhi the man or his life as a leader, but really the Gandhian way that must remain relevant to us. Especially today when the world is becoming increasingly steeped in violence and hate.
