PIPER ISAIAS

David and Goliath Harper Collins

A collection of surprising, disarming and 'extremely funny' essays from the internationally bestselling author of *Me Talk Pretty One Day* (Sunday Times) Santaland Diaries collects six of David Sedaris's most profound Christmas stories into one slender volume perfect for use as a last-minute coaster or ice-scraper. This drinking man's companion can be enjoyed by the warmth of a raging fire, the glow of a brilliantly decorated tree, or even in the back seat of a police car. It should be read with your eyes, felt with your heart, and heard only when spoken to. It should, in short, behave much like a book. And oh, what a book it is! 'Sedaris writes with a gentle but unflinching acuity and a keen eye for the ridiculous ... extremely funny' -Sunday Times

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

Imogene Comes Back! HarperCollins

In 1997, Charlie Lewis is the kind of boy you don't remember in the school photograph. His exams have not gone well. At home he is looking after his father, when surely it should be the other way round, and if he thinks about the future at all, it is with a kind of dread. Then Fran Fisher bursts into his life and despite himself, Charlie begins to hope. But if Charlie wants to be with Fran, he must take on a challenge that could lose him the respect of his friends and require him to become a different person. He must join the Company. And if the Company sounds like a cult, the truth is even more appalling. The price of hope, it seems, is Shakespeare.

Sweet Sorrow Vintage

◆EVERY art and every inquiry, and similarly every action and pursuit, is thought to aim at some good; and for this reason the good has rightly been declared to be that at which all things aim. But a certain difference is found among ends; some are activities, others are products apart from the activities that produce them. Where there are ends apart from the actions, it is the nature of the products to be better than the activities. Now, as there are many actions, arts, and sciences, their ends also are many; the end of the medical art is health, that of shipbuilding a vessel, that of strategy victory, that of economics wealth. But where such arts fall under a single capacity- as bridle-making and the other arts concerned with the equipment of horses fall under the art of riding, and this and every military action under strategy, in the same way other arts fall under yet others- in all of these the ends of the master arts are to be preferred to all the subordinate ends; for it is for the sake of the former that the latter are pursued. It

makes no difference whether the activities themselves are the ends of the actions, or something else apart from the activities, as in the case of the sciences just mentioned.◆

We Are All the Same Age Now Vintage

One of The Millions' "Most Anticipated Books of 2022" One of PureWow's "10 Books We Can't Wait to Read in January" One of BookShop.org's "Notable New Releases" One of The New York Times Book Review's "16 New Books Coming in January" One of Poets & Writers' "New and Noteworthy Books" "David Sanchez's first novel—brilliant, lyrical, hilarious, heartbreaking—is the definitive handbook to hell and back . . . A stunning debut."—Cristina García, author of *Dreaming in Cuban* For fans of Denis Johnson and Ocean Vuong: A captivating, searing, and ultimately redemptive debut novel about coming of age on Florida's drug-riddled Gulf Coast and the enigmatic connection between memory and self. David has a mind that never stops running. He reads Dante and Moby Dick, he sinks into Hemingway and battles with Milton. But on Florida's Gulf Coast, one can slip into deep water unconsciously; at the age of fourteen, David runs away from home to pursue a girl and, on his journey, tries crack cocaine for the first time. He's hooked instantly. Over the course of the next decade, he fights his way out of jail and rehab, trying to make sense of the world around him—a sunken world where faith in anything is a privilege. He makes his way to a tenuous sobriety, but it isn't until he takes a literature class at a community college that something within him ignites. *All Day is a Long Time* is a spectacular, raw account of growing up and managing, against every expectation, to carve out a place for hope. We see what it means, and what it takes, to

come back from a place of little control—to map ourselves on the world around, and beyond, us. David Sanchez's debut resounds with real force and demonstrates the redemptive power of the written word.

David Nicholls brings to bear all the wit and intelligence that graced ONE DAY in this brilliant, bittersweet novel about love and family, husbands and wives, parents and children. Longlisted for the Man Booker Prize for Fiction 2014. 'I was looking forward to us growing old together. Me and you, growing old and dying together.' 'Douglas, who in their right mind would look forward to that?' Douglas Petersen understands his wife's need to 'rediscover herself' now that their son is leaving home. He just thought they'd be doing their rediscovering together. So when Connie announces that she will be leaving, too, he resolves to make their last family holiday into the trip of a lifetime: one that will draw the three of them closer, and win the respect of his son. One that will make Connie fall in love with him all over again. The hotels are booked, the tickets bought, the itinerary planned and printed. What could possibly go wrong?

Me Talk Pretty One Day Knopf Books for Young Readers

David's teacher has her hands full. From running in the halls to chewing gum in class, David's high-energy antics fill each schoolday with trouble-and are sure to bring a smile to even the best-behaved reader.

No, David! Penguin

The competitive selection process for a prized college scholarship turns deadly in the latest thriller from USA Today bestselling

author David Bell. On a beautiful spring day, six college students with nothing in common besides a desperate inability to pay for school gather to compete for the prestigious Hyde Fellowship. Milo—The front-runner Natalia—The brain James—The rule follower Sydney—The athlete Duffy—The cowboy Emily—The social justice warrior The six of them must surrender their devices when they enter Hyde House, an aging Victorian structure that sits in a secluded part of campus. Once inside, the doors lock behind them. The students are not allowed to leave until they spend eight hours with a college administrator who will do almost anything to keep the school afloat, and Nicholas Hyde, the privileged and notoriously irresponsible heir to the Hyde family fortune. If the students leave before time is up, they'll be immediately disqualified. But when one of the six finalists drops dead, the other students fear they're being picked off one by one. With a violent protest raging outside, and no way to escape, the survivors viciously turn on each other. The Finalists is a chilling and profound look at the lengths both students and colleges will go to survive in a resource-starved academic world.

35 years after Imogene woke up with antlers, she's back! The follow up to the classic, Imogene's Antlers by Caldecott Award winning David Small. One day, Imogene woke up to discover that she had sprouted antlers overnight. Her family was confused, her mother was distraught and there was no explanation. Then she woke up the next day and they were gone, but were replaced by something just as curious. Now Imogene has found she has a new curious feature every day. Some are helpful, some are sweet, some are downright strange. But all of them upset her poor

mother who just can't handle how improper it all is. Yet even as Imogene discovers something new every day, she always remains Imogene at heart. David Small returns to one of his most beloved characters in this charming tale.

The Caldecott Honor-winning classic by bestselling picture-book creator David Shannon! When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children—even when they misbehave.

Hooper's text is organized into five, seven-day plans, with each plan concentrating on a specific life concern and tips for incorporating the teachings into daily life.

One Day Scholastic Inc.

Now a PBS Masterpiece television miniseries starring Tom Hollander and Saskia Reeves “I loved this book. Funny, sad, tender: for anyone who wants to know what happens after the Happy Ever After.” — Jojo Moyes, author of *Me Before You* David Nicholls brings the wit and intelligence that graced his *New York Times* bestseller, *One Day*, to a compellingly human, deftly funny novel about what holds marriages and families together—and what happens, and what we learn about ourselves, when everything threatens to fall apart. Douglas Petersen may be mild-mannered, but behind his reserve lies a sense of humor that, against all odds, seduces beautiful Connie into a second date . . . and eventually into marriage. Now, almost three decades after

their relationship first blossomed in London, they live more or less happily in the suburbs with their moody seventeen year-old son, Albie. Then Connie tells him she thinks she wants a divorce. The timing couldn't be worse. Hoping to encourage her son's artistic interests, Connie has planned a month-long tour of European capitals, a chance to experience the world's greatest works of art as a family, and she can't bring herself to cancel. And maybe going ahead with the original plan is for the best anyway? Douglas is privately convinced that this landmark trip will rekindle the romance in the marriage, and might even help him to bond with Albie. Narrated from Douglas's endearingly honest, slyly witty, and at times achingly optimistic point of view, *Us* is the story of a man trying to rescue his relationship with the woman he loves, and learning how to get closer to a son who's always felt like a stranger. It is a moving meditation on the demands of marriage and parenthood, the regrets of abandoning youth for middle age, and the intricate relationship between the heart and the head.

One Summer Little, Brown

Never before has mankind changed so much so fast-but we still rely on outdated demographic stereotypes to understand groups of people and target audiences. Now there's a better way to discover what matters to the people you are trying to motivate: a brand-new big-data tool that will change audience profiling for everything-forever. In *We Are All the Same Age Now*, David Allison, creator of Valuegraphics, explains how you can increase efficiency, create strategies that are eight times more effective, decrease internal politics around decisions, and be better equipped for disruption. He explains what Valuegraphics can do

and offers the data samples and tools you need to get started using Valuegraphics immediately. He also shares how to make powerful values-based decisions throughout your organization and how to take your insights further. It's time to change the way you see the world-and motivate more people more often-by embracing the power of Valuegraphics.

The Thing About Life Is That One Day You'll Be Dead Harper Collins

At once funny, wistful and unsettling, *Sum* is a dazzling exploration of unexpected afterlives—each presented as a vignette that offers a stunning lens through which to see ourselves in the here and now. In one afterlife, you may find that God is the size of a microbe and unaware of your existence. In another version, you work as a background character in other people's dreams. Or you may find that God is a married couple, or that the universe is running backward, or that you are forced to live out your afterlife with annoying versions of who you could have been. With a probing imagination and deep understanding of the human condition, acclaimed neuroscientist David Eagleman offers wonderfully imagined tales that shine a brilliant light on the here and now.

The British Study Edition of the Urantia Papers Book [eReader PDF] Hachette UK

"When David gets in trouble, he always says . . . 'NO! It's not my fault! I didn't mean to! It was an accident!'" Whatever the situation, David's got a good excuse. And no matter what he's done "wrong," it's never really his fault. Soon, though, David

realizes that making excuses makes him feel bad, and saying he's sorry makes him feel better. Once again, David Shannon entertains us with young David's mischievous antics and a lighthearted story that's sure to leave kids (and parents) laughing.

The Finalists Scholastic Inc.

NATIONAL BESTSELLER • Weaving together personal anecdote, biological fact, philosophical doubt, cultural criticism, and the wisdom of an eclectic range of writers and thinkers, a book that expertly renders both a hilarious family portrait and a truly resonant meditation on mortality. "Shields is a sharp-eyed, self-deprecating, at times hilarious writer." —The Wall Street Journal Mesmerized and somewhat unnerved by his 97-year-old father's vitality and optimism, David Shields undertakes an original investigation of our flesh-and-blood existence, our mortal being. *The Thing About Life* provokes us to contemplate the brevity and radiance of our own sojourn on earth and challenges us to rearrange our thinking in crucial and unexpected ways.
