Méthode d'anglais progressive, fondée sur un recours systématique au français, vous invitant à découvrir chaque jour une courte leçon. Elle s'adresse à la fois aux élèves du secondaire (collège, lycée), aux étudiants et aux adultes souhaitant acquérir des bases solides en anglais ou désirant faire une remise à niveau rapide et efficace, en quelques minutes par jour. Contenu : • 365 leçons + 1 (pour les années bissextiles), proposant des commentaires et des explications grammaticales avec des exemples traduits • plus de 100 exercices corrigés • un mémento de grammaire française pour mieux comprendre les différences avec la grammaire anglaise • une liste de verbes irréguliers • un index

Learn German Language Through Dialogue

National Geographic Books
It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks - shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable,

skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

Power Up Level 2 Pupil's Book

Audiolego

Cambridge English

An intermediate-level ELT resource book containing graded games and activities, and guidance on how they can be used in the classroom.

Play Games with English 3

Audiolego
The book consists of Elementary and Pre-intermediate courses with parallel Chinese-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The method utilizes the natural human ability to remember words used in texts repeatedly and systematically. The author composed each

sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only about thirty new words each. Phonetic transcription Pinyin transcribes the sounds of Mandarin using the western (Roman) alphabet. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page. As you read a bilingual reader, your brain begins to remember words and phrases simply because you are exposed to them several times. You don't even realize, until you must recall what you've learned, that you have already learned the new words and phrases. The graded language book with a parallel translation has helped many to uncover their potential for learning multiple languages. Whether you are learning a language as a hobby or for a necessary purpose, you will find such books are supportive. It can usually take you from one to three months to finish a bilingual graded reader at beginner level (A1) and elementary level (A2). The amount of time depends on your previous experience with learning foreign languages and on your personal abilities. At this point you should be able to ask and answer simple questions with the following questioning words: What? Who? Where? When? Which? How many/much? A good idea is to use the free VLC media player to control the playing speed. You can control the playing speed by decreasing or increasing the speed value on the button of the VLC media player's interface. Read and listen at the same time!

The Oboist's Companion Audiolego

James Paul Gee begins his classic book with "I want to talk about video games--yes, even violent video games--and say some positive things about them." With this simple but explosive statement, one of America's most well-respected educators looks seriously at the good that can come from playing video games. In this revised edition of *What Video Games Have to Teach Us About Learning and Literacy*, new games like *World of Warcraft* and *Half Life 2* are evaluated and theories of cognitive development are expanded. Gee looks at major cognitive activities including how individuals develop a sense of identity, how we grasp meaning, how we evaluate and follow a command, pick a role model, and perceive the world.

Second Romanian Reader Audiolego

The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains: ► an explanation of the key aspects of the CEFR for teaching and learning; ► a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural competence; - new scales for sign language competence; ► a short report on the four-year development, validation and consultation processes. The CEFR Companion volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: ► promote and support the learning and teaching of modern languages; ► enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; ► protect linguistic and cultural diversity in Europe; and ► promote the right to quality education for all.
