Research Issues Stats Incorporated Wood Hall, former home of the late Hepzibah Hamilton-Tracy and scene of a distressing drowning, has become a Hotel. Surprisingly, saucy Amelia has been released from prison to earn her living for the first time, as receptionist. Newcomers to the village set tongues wagging, and it is not long before events take a sinister turn.... In the second tale, St. Mildred's church is in dire need of repair and the vague but lovable vicar finds himself in his wife's bad books but maybe fortunes can be turned around through a starchy lady archeologist who longs to research St. Mildred's musty crypt? Discoveries in the bluebell woods may hold a clue. As usual in the Suffolk village of Meadowford Magna, the unexpected just keeps on happening.... What the critics say about the Meadowford Mystery series - 'Author Sheila Wright has cooked up a perfect pair of 'cosy' mysteries set in rural Suffolk, England, in the 1920's. Each has its own murder, but the characters and setting overlap. Mystery fans will love these traditional tales, which read like Agatha Christie or P. D. James. Wright knows her craft, and it shows.' Blueink Reviews 'Wright, born in Leicester, England, just after the era she writes about, creates entertaining characters who embody the mindset of society's elite.....the quirky personalities and antics of the characters are amusing and keep the tone light-hearted.' Foreword Clarion Review Service 'In the style of Agatha Christie, Wright fashions a story around a mysterious murder in an English country village. Wright follows in the footsteps of the old masters, and the prose lives up to its stellar antecedents. The hired help speak in their cockney dialect, whilst the upper classes converse with the delicate articulation one would expect of someone in their echelon. The characters have depth and presence..... however recognizable, the characters won't be denied their charisma....the colorful

images of life in post-Great War England elicit the charm of a bygone era. Once again, a formulaic element comes into play, but when done this well, it adds to, rather than subtracts from, the storyline. For anyone in the mood to solve a murder mystery while taking a pleasurable romp through merry olde England, it would be a crime to miss this one.' Kirkus Indie - A review service from Kirkus Reviews Sheila Wright M.A. (nee Jones) was born in Leicester, England, in 1939. Married to Ron, music teacher and Bandmaster, home a Tudor farmhouse. Seven children and numerous grandchildren. Sheila is an Anglican Reader, taught in village schools for twenty years, and in retirement gardens, paints, sings, plays violin and writes books. Look out for more stories of these eccentric villagers in Book One of the Meadowford Mystery series. In time, hopefully, you will discover further stories in Book Three! After many disappointing seasons during the 1930s, the 1938 Pittsburgh Pirates looked like they were finally poised to claim their first National League pennant since 1927. A hot streak during June and July propelled manager Pie Traynor's squad into first place. Yet after commanding the top spot for more than two months, Pittsburgh could not hold off the charging Chicago Cubs and

experienced one of the most monumental collapses in baseball history. This detailed historical account examines the entire 1938 season, while also looking at the players and events that were a major part of this star-crossed season.

THE AGE OF THE AVIATOR is the story of a unique period in history. It was a time when no one was yet certain of the potential of flight and when the task of testing its limits fell to a handful of eccentric and ingenious daredevils. This sweeping novel describes the century-long life of one such adventurer: someone who loved danger more than safety; a man of common origins who rose to uncommon heights and lifted up a generation of people with him.

Marrowbone By: Mike Kelly *Marrowbone* delves into family, politics, the law, corruption, and West Virginia. It weaves through a primary election season (December through early May), following the races for Governor and a Supreme Court justice, while exploring the histories of the Murphy and Quinn families and touching on the Matewan Massacre, the fight for civil rights, and the murder of Jock Yablonski. It also develops two major cases that are helping to shape the election, one a murder of the protagonist's

best friend by an out-of-control work release inmate and the other an appeal by a convicted serial rapist seeking a new form of DNA testing. Though not set in a specific time, *Marrowbone* laments the failure of politics to move West Virginia forward and honors the basic goodness of the people.

The Team that Forever Changed Baseball and America McFarland

He pitched a baseball game that was more than perfect, and yet he lost. Southpaw Harvey Haddix had logged a solid but unspectacular career by the time he took the mound on May 26, 1959. Facing the Milwaukee Braves, he set down the first 36 batters in a row, or 12 innings' worth—a perfect game three innings longer than the norm. But his Pittsburgh Pirates couldn't score, either, and Haddix lost in the 13th inning on a controversial play. This book recounts Haddix's one-of-a-kind performance and describes the official decisions that changed the historical record.
