Chicorel Index to Short Stories in Anthologies and Collections Penguin UK

PULITZER PRIZE FINALIST • The highly anticipated biography of Sylvia Plath that focuses on her remarkable literary and intellectual achievements, while restoring the woman behind the long-held myths about her life and art. "One of the most beautiful biographies I've ever read." —Glennon Doyle, author of #1 New York Times Bestseller, *Untamed* With a wealth of never-before-accessed materials, Heather Clark brings to life the brilliant Sylvia Plath, who had precocious poetic ambition and was an accomplished published writer even before she became a star at Smith College. Refusing to read Plath's work as if her every act was a harbinger of her tragic fate, Clark considers the sociopolitical context as she thoroughly explores Plath's world: her early relationships and determination not to become a conventional woman and wife; her troubles with an unenlightened mental health industry; her Cambridge years and thunderclap meeting with Ted Hughes; and much more. Clark's clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath's suicide promote a deeper

understanding of her final days. Along with illuminating readings of the poems themselves, Clark's meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.

The Otherlife Manchester University Press

Danny Boyle is one of contemporary filmmaking's most exciting talents. Since the early 1990s he has steadily created a body of work that crosses genres and defies easy categorisation, from black humour (*Shallow Grave*), gritty realism (*Trainspotting*), screwball comedy (*A Life Less Ordinary*), cult adaptations (*The Beach*), and horror (*28 Days Later*), to science fiction (*Sunshine*), children's drama (*Millions*), love stories (*Slumdog Millionaire*) and tales of personal redemption (*127 Hours*). Unlike many of his peers, Boyle seems most comfortable when working with modest budgets, relying on acting ability rather than special effects, and surrounding himself with a trusted team of writers, cinematographers and production designers. His restless energy, vitality and drive find their expression in the celebratory tone of his films – their lust for life. In this book, Mark Browning provides a rigorous but highly accessible analysis of Boyle's work, discussing the processes by which he absorbs generic and literary influences, the way he gains powerful performances both from inexperienced casts and A-list stars, his portrayal of regional identity, his use of moral dilemmas as a narrative trigger, and the religious undercurrents that permeate his films.

Ted Hughes' Art of Healing Vintage

Ted Hughes's South Yorkshire tells the untold story of Hughes's Mexborough period (1938-1951) and demonstrates conclusively that Hughes's experiences in South Yorkshire in town and country, educationally, in literature and love were decisive in forming him as the poet of his subsequent fame.

MLA International Bibliography of Books and Articles on the Modern Languages and Literatures Oxford University Press

Provides an account of Seamus Heaney's early life, and the experiences, influences and relationships - personal, literary and political - that shaped his poetic development. The book includes photographs, interviews and commentary on unpublished poems and drafts.

Red Comet Cambridge University Press

Through a professional story-teller's sometimes humorous commentary on culture and literature from *The Odyssey* on , the book suggests that literature is not an artifact to be studied but a living process. Often irreverent, crossing literary and scholarly lines, Penn aims to discover what literature does for an imaginatively engaged reader.

Ted Hughes Random House

"This erudite critical study...breathes new life into Plath scholarship."—Publishers Weekly, starred review When Ted Hughes's *Birthday Letters* was published in 1998, it was greeted with astonishment and acclaim, immediately landing on the bestseller list. Few suspected that Hughes had been at work for a quarter of a century on this cycle of poems addressed to his first wife, Sylvia Plath. In *Ariel's Gift*, Erica Wagner explores the destructive relationship between these two poets through their lives and their writings. She provides a commentary to the poems in *Birthday Letters*, showing the events that shaped them and,

crucially, showing how they draw upon Plath's own work. "Both narratively engaging and scholastically comprehensive."—Thomas Lynch, Los Angeles Times "Wagner has set the poems of Hughes's Birthday Letters in the context of his marriage to Plath with great delicacy."—Times Literary Supplement

Ted Hughes and the Classics Academica PressLlc

I always get away with it when I try stuff like this. Partly it comes down to sort of assuming that I'm going to. I've got loads of confidence. And Loki got away with everything. Well, almost everything. When troubled, quiet Ben begins at the ruthlessly competitive Cottesmore House, school to the richest, most privileged boys, he is befriended by Hobie: the wealthy class bully, product of monstrous indulgence and intense parental ambition. Hobie is drawn to Ben because he can see the Otherlife: a violent, mythic place where gods and monsters roam. Ben has unnerving visions of Thor and Odin, and of the giant beasts that will destroy them, as well as Loki, god of mischief. Hobie is desperate to be a part of it. Years later, Ben discovers someone very dear to him is dead. And he can't help wondering if Hobie – wild, restless, dangerous Hobie, had something to do with it... Beguiling, shocking and richly imaginative, *The Otherlife* is about the darkest impulses within us all.

cm.) ; *Wuthering Heights* (293 p. ; 23 cm.).

A Study Guide for Ted Hughes's "The Rain Horse" Bloomsbury Publishing

I'm going to define the essence of this sprawling place as best I can. I'm going to start here, in this village, and radiate out like a ripple in a pond. I don't want to go to the obvious places, either; I want to be like a bus driver on my first morning on the job, getting gloriously lost, turning up where I shouldn't. I'm going to confirm or deny the clichés, holding them up to see where the light gets in. Yorkshire people are tight. Yorkshire people are arrogant. Yorkshire people eat a Yorkshire pudding before every meal. Yorkshire people solder a t' before every word they use... If there were such a thing as a professional Yorkshireman, Ian McMillan would be it. He's regularly consulted as a home-grown expert, and southerners comment archly on his 'fruity Yorkshire brogue'. But he has been keeping a secret. His dad was from Lanarkshire, Scotland, making him, as he puts it, only 'half tyke'. So Ian is worried; is he Yorkshire enough? To try to understand what this means Ian embarks on a journey around the county, starting in the village has lived in his entire life. With contributions from the Cudworth Probus Club, a kazoo playing train guard, Mad Geoff the barber and four Saddleworth council workers looking for a mattress, Ian tries to discover what lies at the heart of Britain's most distinct county and its people, as well as finding out whether the Yorkshire Pudding is worthy of becoming a UNESCO Intangible Heritage Site, if Harrogate is really, really, in Yorkshire and, of course, who knocks up the knocker up?

Ariel's Gift: Ted Hughes, Sylvia Plath, and the Story of Birthday Letters Springer

This book is the first book devoted entirely to Hughes as an environmental activist and writer. Drawing on the rapidly-growing interest in poetry and the environment, the book deploys insights from ecopoetics, ecocriticism and Anthropocene studies to analyse how Hughes's poetry reflects his environmental awareness. Hughes's understanding of environmental issues is placed within the context of twentieth-century developments in 'green' ideology and politics, challenging earlier scholars who have seen his work as apolitical. The unique strengths of this book lie in its combination of cutting-edge insights on ecocriticism with extensive work on the British Library's new Ted Hughes archive. It will appeal to readers who enjoy Hughes's work, as well

as students and academics.

Children's Writers' & Artists' Yearbook 2023 Nelson Thornes

Foreword by M. G. Leonard: 'It's rare to find a book that's as useful as it is inspiring ... essential reading.' The indispensable guide to writing for children and young adults, this Yearbook provides inspirational articles from successful writers and illustrators, as well as details on who to contact across the media. It provides practical advice on all stages of the writing process from getting started, writing for different markets and genres, through to submission to literary agents and publishers as well as on the financial and legal aspects of being a writer. Widely recognised as the essential support for authors and illustrators working across all forms: fiction, non-fiction, poetry, screen and theatre, it is equally relevant to those wishing to self-publish as well as those seeking a traditional publisher-agent deal. New articles for 2022: Christopher Edge Plotting and pace in your middle-grade adventure L. D. Lapinski World-building in your fantasy fiction Anna Wilson Finding your voice and point of view Rachel Bladon The learning curve: writing for the children's educational market Jenny Bowman How to hire a freelance editor Sophie Clarke The life and works of a literary scout Rachel Rooney Writing poetry for children

Ted Hughes Andrews UK Limited

This anthology is in many ways a 'best of the best', containing gems from thirty-four of Britain's outstanding contemporary writers. It is a book to dip into, to read from cover to cover, to lend to friends and read again. It includes stories of love and crime, stories touched with comedy and the supernatural, stories set in London, Los Angeles, Bucharest and Tokyo. Above all, as you will discover, it satisfies Samuel Butler's anarchic pleasure principle: 'I should like to like Schumann's music better than I do; I daresay I could make myself like it better if I tried; but I do not like having to try to make myself like things; I like things that make me like them at once and no trying at all ...'

A Study Guide for Ted Hughes's "The Rain Horse" Burns & Oates
The late Ted Hughes felt that healing was the most fundamental characteristic of all poetry. This study discusses and interprets the healing quality in Hughes' poetic works and evaluates the poet's notion of its significance for human civilization.

The World of the Short Story Da Capo Press

Foreword by award-winning author Smriti Halls. The indispensable guide to writing for children of all ages from pre-school to young adults, this Yearbook provides inspirational articles from dozens of successful writers and illustrators on how to get your work published. It includes a directory of over a thousand up-to-date listings with contacts from across the media and publishing

industry. This bestselling Yearbook is full of practical advice on all stages of the writing and illustration process from getting started, writing for different markets and genres, and preparing an illustration portfolio, through to submission to literary agents and publishers. It also covers the financial, contractual and legal aspects of being a writer and illustrator. Widely recognised as the essential support for authors and illustrators working across all forms: fiction, non-fiction, poetry, screen, audio and theatre, it is equally relevant to those wishing to self-publish as well as those seeking a traditional publisher-agent deal. It includes advice from bestselling writers, such as Sarah Crossan, Kiran Millwood Hargrave, Tom Palmer, David Wood and many more.
