Cross-Linguistic Variation in System and Text Walter de Gruyter GmbH & Co KG

Lonely Planet Panama is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Sip coconuts on a Caribbean beach; lay eyes on the awe-inspiring Panama Canal; or hike through sublime cloud forests; all with your trusted travel companion.

The Monocle Travel Guide to Zürich Basel Geneva

Universitätsverlag Göttingen

The intuition that translations are somehow different from texts that are not translations has been around for many years, but most of the common linguistic frameworks are not comprehensive enough to account for the wealth and complexity of linguistic phenomena that make a translation a special kind of text. The present book provides a novel methodology for investigating the specific linguistic properties of translations. As this methodology is both corpus-based and driven by a functional theory of language, it is powerful enough to account for the multi-dimensional nature of cross-linguistic variation in translations and cross-lingually comparable texts.

We pride ourselves on our accurate, honest and informed travel guides.

40 Years World Heritage Convention New York Review of Books

The eve of midsummer or midsummer's night is a special time in Sweden, when trolls come out of hiding and fairies dance in the night - or so the legend goes. Lilly is staying with her cousin Astrid in Sweden for midsummer night. Reluctantly, she participates in the traditional ritual of collecting flowers and jumping fences in the middle of the night to dream of her future husband. Wandering by herself, Lilly begins to feel the night's magical energy and soon wonders if she is really all by herself in the woods... a much needed release of her sexual tension ensues that culminates in a steamy encounter! What you will find in this story Female POVA compelling narrative about midsummer night traditions Lots of sexual tension, leading up to a big release Steamy sex scenes of passionate love A romantic twist A HEA ending This is a stand-alone short story by adult romance author Dominée LePen published by *Flirts Du Mal Livres*.

The National Union Catalogs, 1963- Black Dog & Leventhal

Since the adoption of the World Heritage Convention in 1972, the notion that cultural and natural heritage need to be protected and

properly utilized has gained popularity. Over time, however, such utilization concepts were less focused on ideas of sustainability and became increasingly influenced by commercial interests. For the first time, this publication attempts to elaborate the development of the World Heritage Convention, the Convention itself in its different facets and how it evolved into one of the most important UNESCO instruments for the protection of cultural and natural heritage. It will be shown that the protection and utilization of heritage is a highly complex political, participatory and interdisciplinary process. This publication discusses these developments and suggests potential solutions in order to deal with such unintended trends.

Mit Praxiseinheiten am Ende jedes Kapitels und Video-Tutorials, die die Umsetzung erleichtern.

Bright Lights Paris Earth Aware Editions

A glorious collection that delves deep into the inception, influences, and literary and historical underpinnings of nearly 100 of our most beloved fictional realms. *Literary Wonderlands* is a thoroughly researched, wonderfully written, and beautifully produced book that spans four thousand years of creative endeavor. From Spenser's *The Fairie Queene* to Wells's *The Time Machine* to Murakami's *1Q84* it explores the timeless and captivating features of fiction's imagined worlds including the relevance of the writer's own life to the creation of the story, influential contemporary events and philosophies, and the meaning that can be extracted from the details of the work. Each piece includes a detailed overview of the plot and a "Dramatis Personae." *Literary Wonderlands* is a fascinating read for lovers of literature, fantasy, and science fiction. Laura Miller is the book's general editor. Co-founder of *Salon.com*, where she worked as an editor and writer for 20 years, she is currently a books and culture columnist at *Slate*. A journalist and a critic, her work has appeared in the *New Yorker*, *Harper's*, the *Guardian*, and the *New York Times Book Review*, where she wrote the "Last Word" column for two years. She is the author of *The Magician's Book: A Skeptic's Adventures in Narnia* and editor of the *Salon.com Reader's Guide to Contemporary Authors*.

Made in Creativity Walter de Gruyter

"[A] powerful examination of a nation trying to make sense of the complex changes and challenges of the post-Civil War era." —Carol Berkin, author of *A Brilliant Solution: Inventing the American Constitution In 1877*—a decade after the Civil War—not only was the United States gripped by a deep depression, but the country was also in the throes of nearly unimaginable violence and upheaval, marking the end of the brief period known as Reconstruction and reestablishing white rule across the South. In the wake of the contested presidential election of 1876, white supremacist mobs swept across the South, killing and driving out the last of the Reconstruction state governments. A strike involving millions of railroad workers turned violent as it spread from coast to coast, and for a moment seemed close to toppling the nation's economic structure. Celebrated historian Michael A. Bellesiles reveals that the fires of that fated year also fueled a hothouse of cultural and intellectual innovation. He relates the story of 1877 not just through dramatic events, but also through the lives of famous and little-known Americans alike. "A superb and troubling book about the soul of Modern America." —William Deverell, director of the Huntington-USC Institute on California and the West "A bold, insightful book, richly researched, and fast paced . . . Bellesiles vividly portrays on a single canvas the violent confrontations in 1877." —Alfred F. Young, coeditor of *Revolutionary Founders: Rebels, Radicals, and Reformers in the Making of the Nation* "[A] wonderful read that is sure to appeal to those interested in the challenges of creating a post-Civil War society." —Choice

Cross-Linguistic Corpora for the Study of Translations Intellect Books

"Angkor, the temple and palace complex of the ancient Khmer capital in Cambodia is one of the world's most famous

monuments. Hundreds of thousands of tourists from all over the globe visit Angkor Park, one of the finest UNESCO World Heritage Sites, every year. Since its UNESCO listing in 1992, the Angkor region has experienced an overwhelming mushrooming of hotels and restaurants; the infrastructure has been hardly able to cope with the rapid growth of mass tourism and its needs. This applies to the access and use of monument sites as well. The authors of this book critically describe and analyse the heritage nomination processes in Cambodia, especially in the case of Angkor and the temple of Preah Vihear on the Cambodian/Thai border. They examine the implications the UNESCO listings have had with regard to the management of Angkor Park and its inhabitants on the one hand, and to the Cambodian/Thai relationships on the other. Furthermore, they address issues of development through tourism that UNESCO has recognised as a welcome side-effect of heritage listings. They raise the question whether development through tourism deepens already existing inequalities rather than contributing to the promotion of the poor" --Publisher's description.

Bibliography of Asian Studies New Press, The

Epics of ancient India rank with the timeless myths of classical Greece and Rome in the power of their language and the underlying moral lessons. The *Ramayana* and *Mahabharata*, both written in Sanskrit, contain vibrant stories of kings and princes, sages and tricksters, demons and gods, damsels in distress and mighty heroes. Ganesha Goes to Lunch collects some of the most vivid stories from these and other early Indian folklore and spiritual texts including the Vedas, the Puranas, and Sikh writings. These stories feature the gods of India in their celestial and earthly abodes, hapless humans struggling with life's many problems, and gods and humans interacting. Assembled by Kamla Kapur, these stories illustrate the great spiritual and practical themes of the human condition. Kamla Kupur brings her poet's eye and ear to the retelling of these stories, recreating and dramatizing them to illuminate their relevance to modern times.

Walk With Me: New York Reise Know-How Verlag Peter Rump

Take a life-changing journey with a fashion insider through the neighborhoods of Paris—and become the most glamorous girl in town (without even trying). After spending much of her life mining the secrets of La Parisienne, Angie has discovered there are as many ways to be Parisian as there are arrondissements. Find out what Saint Germain women wear, where Canal Saint Martin girls shop and hang out with their friends, the décor tricks of the artistic ladies in Montmartre, and how to cook and entertain—as if you just rolled out of bed and onto the cobblestone streets of Le Marais... Featuring hundreds of stunning photographs and original fashion illustrations, as well as fabulous tips from celebrities, fashion designers, bloggers, chefs, and more!

Freuen Sie sich auf außergewöhnliche Adressen zum Essen, Trinken, Shoppen, Schlafen und Entdecken verteilt auf ganz Teneriffa.

Letters to Gwen John Hachette UK

A brilliantly written, page-turning, post-dystopian debut from Eyal Kless, about a society hoping to salvage the technology of a lost generation, a mysterious missing boy who can open doors no one else can, and a scribe who must piece together the past to determine humanity's future. More than a hundred years have passed since the Catastrophe brought humanity to the brink of extinction. Those who survived are changed. The Wildeners have reverted to the old ways—but with new Gods—while others place their faith in the technology that once powered their lost civilization. In the mysterious City of Towers, the center of the destroyed Tarakan empire, a lowly scribe of the Guild of Historians is charged with a dangerous assignment. He must venture into the wilds beyond the glass and steel towers to discover the fate of a child who mysteriously disappeared more

than a decade before. Born of a rare breed of marked people, the child, Rafik—known as "The Key"—was one of a special few with the power to restore this lost civilization to glory once again. In a world riven by fear and violence, where tattooed mutants, manic truckers, warring guilds and greedy mercenaries battle for survival, this one boy may have singlehandedly destroyed humanity's only chance for salvation—unless the scribe can figure out what happened to him.

The Lost Puzzler Abrams

From photographer Susan Kaufman, an intimate celebration of the beauty and charm of New York City For some people, New York City exists only in their imaginations, a big-screen beacon of wonder and twenty-four seven delight. For others, it's a dream destination: the diverse urban center where they will finally feel they belong. And still for many, it's the place they already call home. No matter how you view New York, longtime fashion editor and photographer Susan Kaufman will help you see the city with fresh, appreciative eyes. As she travels with her camera through New York, Susan Kaufman invites readers to see the city as she does: from the sidewalk. She explores the beauty of the city found in its charming townhouses, decorated shops, lovely parks, shop facades, and serene streetscapes. New York may be known as the city that never sleeps, but beneath the bustle, there's a soulful side, with its own quiet power and universal allure. Walk with Me New York invites readers to appreciate the streets and buildings that have made the world's most iconic city survive centuries of change yet retain its vitality and aspirational magnetism.

Lonely Planet Panama Flirts Du Mal Livres

Seminar paper from the year 2003 in the subject English Language and Literature Studies - Literature, grade: 2,7, University of Frankfurt (Main), course: Englische Prosa des 17. Jahrhunderts: Robert Burton und Sir Thomas Browne, language: English, abstract: The word 'imagination' has and had various meanings as this extract from The Oxford English Dictionary illustrates: 1. The action of imagining, or forming a mental concept of what is not actually present to the senses [...]; the result of this process, a mental image or idea (often with implication that the conception does not correspond to the reality of things, hence freq. vain (false, etc.) imagination [...]) 2. The mental consideration of actions or events not yet in existence a. Scheming or devising; a device, contrivance, plan, scheme, plot, a fancyful project [...] b. Impression as to what is likely; expectation, anticipation. [...] These are the definitions that existed in the Renaissance period. But as I am going to show in my essay with the example of Robert Burton's The Anatomy of Melancholy (1621), imagination played a more influential role during that period and was believed to have and had a big impact on different spheres of life. Of course, there was no homogeneous opinion about its influence. As Katherine Park notes, the debate over the force of imagination 'was complicated by the fact that the most ardent defenders of the power of imagination included both the most credulous - writers like Paracelsus who would believe any story - as well as the least superstitious - writers like Pomponazzi and Montaigne for whom the imagination provided a credible and natural explanation for some of the more far-fetched claims of popular magic and religion.' (Huet 14) So I will point out to what extent Burton's ideas about it correspond to the views of his contemporaries and also how far they are more influenced by tradition. I am going to start with a passage about the contemporary development of the sci

Lonely Planet's Best in Travel 2020 GRIN Verlag

The book specifies a corpus architecture, including annotation and querying techniques, and its implementation. The corpus architecture is developed for empirical studies of translations, and beyond those for the study of texts which are inter-lingually comparable, particularly texts of similar registers. The compiled

corpus, CroCo, is a resource for research and is, with some copyright restrictions, accessible to other research projects. Most of the research was undertaken as part of a DFG-Project into linguistic properties of translations. Fundamentally, this research project was a corpus-based investigation into the language pair English-German. The long-term goal is a contribution to the study of translation as a contact variety, and beyond this to language comparison and language contact more generally with the language pair English - German as our object languages. This goal implies a thorough interest in possible specific properties of translations, and beyond this in an empirical translation theory. The methodology developed is not restricted to the traditional exclusively system-based comparison of earlier days, where real-text excerpts or constructed examples are used as mere illustrations of assumptions and claims, but instead implements an empirical research strategy involving structured data (the sub-corpora and their relationships to each other, annotated and aligned on various theoretically motivated levels of representation), the formation of hypotheses and their operationalizations, statistics on the data, critical examinations of their significance, and interpretation against the background of system-based comparisons and other independent sources of explanation for the phenomena observed. Further applications of the resource developed in computational linguistics are outlined and evaluated.

The Rough Guide to Jamaica (Travel Guide eBook) Bruckmann Verlag

Zum Werk Die Unternehmen der Zukunft werden einen anderen, kreativen Führungsstil pflegen, sind flexibler, gleichzeitig stabiler organisiert und haben die Kraft des Co-Creating mit Kunden und Partnern für sich entdeckt. Auf der Basis von 1400 Jahren Unternehmensgeschichte wagen Dr. Reinhold Rapp und Andreas Gaertner einen Blick bis ins Jahr 2050 aus der Perspektive des Zukunftsforschers, Beraters, Unternehmers und Künstlers. Permanente Disruption fordert Manager und Unternehmer zu einem Weg der kreativen Neugestaltung. Kunden erwarten Lösungen, die zehnmals besser sind als die bisherigen Angebote. Und Mitarbeiter suchen sich sinnstiftende Organisationen, in denen sie sich mit Ihrer Kreativität einbringen wollen. Das wunderbar illustrierte Werk, das einen Blauen Ozean zwischen Management- und Sketchbook geschaffen hat, zeigt: wie die Kreativität von Teams die Künstliche Intelligenz von Maschinen auf allen Gestaltungsfeldern übertrumpfen kann, wie ein Zusammenklang zwischen nachhaltigen Unternehmensformen und neuen, noch in der Entwicklung befindlichen neuen Typen Dynamik und Substanz erzeugt und wie durch Integration von Kunden und Partnern ein permanentes Co-Creating zu Wettbewerbsvorteilen wird. Zielgruppe Ein Buch für alle, die kreativ etwas Neues in ihren Organisationen schaffen wollen. *The Monocle Travel Guide to Beirut (Updated Version)* Dom Publishers

E-Book zur 1. Auflage 2019 Mit einem detailfreudigen Mix aus "on the road" und "keep walking" führt Volker Fesers Reiseführer die Leser durch die gesamte Bandbreite des Südwestens der USA: vom Colorado Plateau in die Wüsten und Badlands, in die Rockies und durch Kalifornien, von San Francisco über die Brandung des Big Sur und hinauf in die Sierra Nevada, ins Great Basin, nach Las Vegas, Los Angeles, Tucson oder Albuquerque. Es geht durch kultige Kieze und historische Neighborhoods, durch Canyons und Mammutwälder, zu blau gestaffelten Bergsilhouetten, feuerroten Mesas, Klippenpalästen, Ghost Towns und spleenigen Künstlerkommunen. Die Straßen, Pisten und Pfade steuern entweder in Serpentinaugen den Himmel oder schnurstracks in den Sonnenuntergang - durch grandiose, von kreatürlicher Stille geprägte Landschaften. Im Buch stecken nicht nur 28.000 Meilen, es ist auch gespickt mit Tipps zum Schlafen, Essen, Feiern, Fahren, Wandern, Bummeln und die Seele-baumeln-Lassen. Dazu gibt's eine chilischotenscharfe Prise Humor.
