And to have it happen in the building of her brand spanking new job kind of made the entire situation worse. Of course she had to then have a melt-down in front of him to make her humiliation complete. Asking him to come home with her for Christmas and pretend to be her boyfriend was madness and her only excuse was the trauma of her near-death experience by way of plummeting elevator. She didn't think he'd accept. Blake Austin—AKA the Christmas Elf—spent the previous twelve months back-packing around the world in an attempt to 'find himself.'
