KASSANDRA URIEL

That Hideous Strength
Atlantic Monthly Press
At last back in print,

one of Patricia
Highsmith's most
disturbing works. Rife
with overtones of
Dostoyevsky, The
Glass Cell, first
published forty years
ago, combines a

quintessential Highsmith mystery with a penetrating critique of the psychological devastation wrought by the prison system. Falsely convicted of fraud, the easygoing but naive Philip Carter is sentenced to six lonely, drug-ravaged years in prison. Upon his release, Carter is a more suspicious and violent man. For those around him, earning back his trust can mean the difference between life and death. The *Glass Cell's* bleak and compelling portrait of daily prison life—and the consequences for those who live it—is, sadly, as relevant today as it was when the book was first published in 1964.
Little Tales of Misogyny

 An expatriate is beset by dark temptations in this tale by the author of *The Talented Mr. Ripley*: “Her best novel” (*The New Yorker*). Set in Tunisia in the mid-1960s, this is the story of Howard Ingham, an American writer who has gone abroad to gather material for a movie too sordid to be set in America. Ingham is cool toward the girlfriend he left behind in New York—but his feelings start to change when she doesn’t answer his increasingly aggravated letters, and the filmmaker who hired Ingham fails to show in Tunisia. Amid the tea shops and alleys of the souk, the sun-blasted architecture, and the beaches and hotels

frequented by international tourists, Ingham tries to pass the time by working on a writing project. But a series of peculiar events—a hushed-up murder, a vanished corpse, secret broadcasts to the Soviet Union—will pull him in, and may finally put his increasingly fragile sense of morality to the test. “Highsmith’s finest novel.” —Graham Greene, author of *The Quiet American* “Her books have stylistic texture, psychological depth, mesmeric readability.” —The Sunday Times

 "Highsmith's writing is wicked . . . it puts a

spell on you, after which you feel altered, even tainted.”—Entertainment Weekly
 Slowly, Slowly in the Wind brilliantly assembles many of Patricia Highsmith's most nuanced and psychologically suspenseful works. Rarely has an author articulated so well the hypocrisies of the Catholic Church while conveying the delusions of a writer's life and undermining the fantasy of suburban bliss. Each of these twelve pieces, like all great short fiction, is a crystal-clear snapshot of lives both static and full of chaos. In "The Pond" Highsmith explores the unforeseen calamities that can unalterably shatter a single woman's life, while

"The Network" finds sinister loneliness and joy in the mundane yet engrossing friendships of a small community of urban dwellers. In this enduring and disturbing collection, Highsmith evokes the gravity and horror of her characters' surroundings with evenhanded prose and a detailed imagination. *The Golden Age of Murder* Springer Winner of the 2016 EDGAR, AGATHA, MACAVITY and H.R.F.KEATING crime writing awards, this real-life detective story investigates how Agatha Christie and colleagues in a mysterious literary club transformed crime fiction.

From Noel Streatfeild,

the beloved author of *Ballet Shoes*, comes a moving story of unexpected friendships and new beginnings. When their father is injured in an accident, life changes for the Johnstone family. Unable to afford their home, they have to move to a small London flat. Carol can no longer go to ballet school and Tim is heartbroken as he must leave his beloved dog, Jelly, behind. Then, it seems, their wishes are granted: in an extraordinary twist of fate, Tim inherits a dilapidated country house, Caldicott Place, where the family - including Jelly - can live together. But the house is badly in need of repair and they have no money, so a solution is found - the family start to look

after wealthy children in the school holidays. Although they dread the prospect of sharing their newly found home with rich spoiled children, perhaps friendships can be found in the unlikeliest places.

Literary

Cosmopolitanism in the English Fin de Siècle

Virago

This book critically engages with the visual appearance of prose fiction where it is manipulated by authors, from alterations in typography to the deconstruction of the physical form of the book. It reappraises the range of effects it is possible to create through the use of graphic devices and explores why literary criticism has dismissed such features as either

unreadable experimental gimmicks or, more recently, as examples of the worst kind of postmodern decadence. Through the examination of problematical texts which utilise the graphic surface in innovative and unusual ways, including Samuel Beckett's *Watt*, B. S. Johnson's *Albert Angelo*, Christine Brooke-Rose's *Thru* and Alasdair Gray's *Lanark*, this book demonstrates that an awareness of the graphic surface can make significant contributions to interpretation.

The Blunderer was written by Highsmith in between Strangers on a Train and The Talented Mr Ripley. The novel follows the young, successful and handsome, Walter Stackhouse who seems to have it all, that is, until the day his wife's body is found at the bottom of a cliff. Under the intense scrutiny of the investigation he commits one mistake, then another, until - in true Highsmithian fashion - Walter finds his perfect life derailed. Now Walter is running from the obsessions of the murderer, and the suspicions of the lead cop, not to mention his own increasingly life-

threatening blunders.

'The No.1 Greatest Crime Writer' The Times

The Tremor of Forgery House of Stratus

Tired of an arrangement that allows his wife, Melinda, to take as many lovers as she wants in exchange for not deserting the family, Vic tries to win her back by asserting himself with a tall tale of murder, a lie that eventually comes true, in a chilling novel about the dark reality behind the idyllic facade of American suburban life. Reprint.

A Suspension of Mercy Routledge

In This Sweet Sickness, Patricia Highsmith, in her own inimitable fashion, has created a complex psychological tale as suspenseful as The Talented Mr.

Ripley. David Kelsey, a young scientist, has an unyielding conviction that life will turn out all right for him; he just has to fix the Situation: he is in love with a married woman. Obsessed with Annabelle and the life he has imagined for them—including the fully furnished cabin he maintains for her—David prepares to win her over, whatever it takes. In this riveting tale of a deluded loner, Highsmith reveals her uncanny ability to draw out the secret obsessions that overwhelm the human heart.

Eliza's Daughter Open Road + Grove/Atlantic "[A] classic psychological thriller."—USA Today Originally published in 1964, and the winner of the CWA Best Foreign Novel Award, Patricia Highsmith's *The Two Faces of January* is a chilling

tale of suspense, suffused with her trademark slow, creeping unease. In a grubby Athens hotel, Rydal Keener is bored and killing time with petty scams. But when he runs into another American, Chester MacFarland, dragging a man's body down the hotel hall, Rydan impulsively agrees to help, perhaps because Chester looks like his father. Then Rydal meets Collete, Chester's younger wife, and captivated, becomes entangled in their sordid lives, as the drama marches to a shocking climax at the ruins of the labyrinth at Knossos. A film version of *The Two Faces of January*, starring Viggo Mortensen, Kirsten Dunst, and Oscar Isaac (*Drive*, *Inside Llewyn*

Davis) is in production. Adapted by Academy Award nominee Hossein Amini (*Drive*), and produced by Working Title and Timnick Films (*The Talented Mr. Ripley*), it will be released later this fall. "An offbeat, provocative and absorbing suspense novel."—*The New York Times* "Patricia Highsmith is one of the few suspense writers whose work transcends genre."—*The Austin American-Statesman* *Mighty Lewd Books* Hachette UK The fin de siècle witnessed an extensive and heated debate about cosmopolitanism, which transformed readers' attitudes towards national identity, foreign literatures, translation, and the idea of world

literature. Focussing on literature written in English, Literary Cosmopolitanism in the English Fin de Siècle offers a critical examination of cosmopolitanism as a distinctive feature of the literary modernity of this important period of transition. No longer conceived purely as an abstract philosophical ideal, cosmopolitanism--or world citizenship--informed the actual, living practices of authors and readers who sought new ways of relating local and global identities in an increasingly interconnected world. The book presents literary cosmopolitanism as a field of debate and controversy. While some writers and readers embraced the

creative, imaginative, emotional, and political potentials of world citizenship, hostile critics denounced it as a politically and morally suspect ideal, and stressed instead the responsibilities of literature towards the nation. In this age of empire and rising nationalism, world citizenship came to enshrine a paradox: it simultaneously connoted positions of privilege and marginality, connectivity and non-belonging. Chapters on Oscar Wilde, Lafcadio Hearn, George Egerton, the periodical press, and artificial languages bring to light the variety of literary responses to the idea of world citizenship that proliferated at the turn of the twentieth

century. The book interrogates cosmopolitanism as a liberal ideology that celebrates human diversity and as a social identity linked to worldliness; it investigates its effect on gender, ethics, and the emotions. It presents the literature of the fin de siècle as a dynamic space of exchange and mediation, and argues that our own approach to literary studies should become less national in focus.

An “elegant and psychologically sophisticated” novel about two men with a murdered woman between them (Cleveland Plain Dealer). Ramón, a devout Catholic, fixes

furniture in Mexico City, not far from where he was born into poverty. Theodore, a rich German expatriate and painter, believes in nothing at all. You’d think the two had nothing in common. Except, of course, that both had slept with Lelia. The two form an unlikely friendship, until Lelia is found brutally murdered. Both are suspects—and each suspects the other. Twisting in a limbo of tension and doubt, Ramón and Theodore seize on a third man, a thief seen at Lelia’s apartment, and their hunt takes them from Mexico City to sun-drenched Acapulco, and to a small colonial mountain town. An atmospheric, psychologically complex novel, A

Game for the Living is Highsmith at her best. *A Game for the Living* W. W. Norton & Company Frederick Douglass recounts early years of abuse, his dramatic escape to the North and eventual freedom, abolitionist campaigns, and his crusade for full civil rights for former slaves. It is also the only of Douglass's autobiographies to discuss his life during and after the Civil War, including his encounters with American presidents such as Lincoln, Grant, and Garfield.
