Diesel's Be Stupid advertising campaign created a stir worldwide. Now the philosophy behind the campaign is presented in full in Renzo Rosso's manual of practical advice and business-tested wisdom for achieving success. Drawing on his experience as a creative entrepreneur, Rosso explains how the braveness to make stupid decisions and the ability to see things for how they could be helped him build a successful company. Be Stupid is a method for learning: a guide for how to listen to your heart and not your head, to be creative instead of critical, and to get back on your feet after a downfall. The book reflects the inspiring story and personality of the author: methodical but fun, creative but rational, passionate and pragmatic.

"In Arbitrary Stupid Goal, Tamara Shopsin takes the reader on a pointillist time-travel trip to the Greenwich Village of her bohemian 1970s childhood, a funky, tight-knit small town in the big city, long before Sex and the City tours and luxury condos. The center of Tamara's universe is Shopsin's, her family's legendary greasy spoon, aka 'The Store,' run by her inimitable dad, Kenny--a loquacious, contrary, huge-hearted man who, aside from dishing up New York's best egg salad on rye, is Village sheriff, philosopher, and fixer all at once. All comers find a place at Shopsin's table and feast on Kenny's tall tales and trenchant advice along with the incomparable chili con carne." --Provided by publishe

Surviving Your Stupid, Stupid Decision to Go to Grad School

"A funny and unique debut." (Publishers Weekly). Sebastian Prendergast lives with his eccentric grandmother in a geodesic dome. His homeschooling has taught him much-but he's learned little about girls,

junk food, or loud, angry music. Then fate casts Sebastian out of the dome, and he finds a different kind of tutor in Jared Whitcomb: a chain-smoking sixteen-year-old heart transplant recipient who teaches him the ways of rebellion. Together they form a punk band and plan to take the local church talent show by storm. But when his grandmother calls him back to the futurist life she has planned for him, he must decide whether to answer the call-or start a future of his own.

The Underdogs Harvard University Press
Seventeen-year-old Zeb Holloway is happy to work in his uncle's auto repair shop and cruise through school without much effort. He's a quarterback on his high school's undefeated football team, but he never plays. Why would he when T.T. Munroe—a walking, talking highlight reel—is around? That is, until T.T.'s injured a week before the state championships. Now Zeb is starting. As he assumes the role of QB and team leader, the entire town is watching him. And when a college recruiter says Zeb could have a future beyond his small New Hampshire town, he realizes there's a bigger life out there for him . . . if he can play his heart out.

From Geoff Herbach, the critically acclaimed author of the Stupid Fast series, comes a compelling new YA novel about

basketball, prejudice, privilege, and family, perfect for fans of Jordan Sonnenblick, Andrew Smith, and Matt de la Peña. For Adam Reed, basketball is a passport. Adam's basketball skills have taken him from an orphanage in Poland to a loving adoptive mother in Minnesota. When he's tapped to play on a select AAU team along with some of the best players in the state, it just confirms that basketball is his ticket to the good life: to new friendships, to the girl of his dreams, to a better future. But life is more complicated off the court. When an incident with the police threatens to break apart the bonds Adam's finally formed after a lifetime of struggle, he must make an impossible choice between his new family and the sport that's given him everything.

The Absolutely True Diary of a Part-Time Indian Andersen Press Limited

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules

of the game.

"So richly detailed, you can almost smell the gunsmoke and the sweat of the saddles." —Hampton Sides, New York Times bestselling author of *Ghost Soldiers*
No outlaw typifies America's mythic Wild West more than Billy the Kid. *To Hell on a Fast Horse* by Mark Lee Gardner is the riveting true tale of Sheriff Pat Garrett's thrilling, break-neck chase in pursuit of the notorious bandit. David Dary calls *To Hell on a Fast Horse*, "A masterpiece," and Robert M. Utley calls it, "Superb narrative history." This is spellbinding historical adventure at its very best, recalling James Swanson's New York Times bestseller *Manhunt*—about the search for Lincoln's assassin, John Wilkes Booth—as it fills in with fascinating detail the story director Sam Peckinpah brought to the screen in his classic film *Pat Garrett and Billy the Kid*.

Praise for *Stupid Fast* "A rare mix of raw honesty and hilarity. *Stupid Fast* is *Stupid Good!*" -Peter Bognanni, author of *The House of Tomorrow* I AM NOT STUPID FUNNY. I AM STUPID FAST. My name is Felton Reinstein, which is not a fast name. But last November, my voice finally dropped and I grew all this hair and then I got stupid fast. Fast like a donkey. Zing! Now they want me, the guy they used to call Squirrel Nut, to try out for the football team. With the jocks. But will that fix my mom? Make my brother stop dressing like a pirate? Most important, will it get me girls-especially Aleah? So I train. And I run. And I sneak off to Aleah's house in the night. But deep down I know I can't run forever. And I wonder what will happen when I finally have to stop.

Crazy Stupid Bromance Simon and Schuster

An "infuriating, fast-paced" (The Washington Post) account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter WINNER OF THE COLORADO BOOK AWARD • "Nearly impossible to put down."—Jon Krakauer, New York Times bestselling author of *Where Men Win Glory* and *Into the Wild* In this "brilliantly written" (The New York Times Book Review) and startling account, Pulitzer Prize-winning New York Times correspondent David Philipps reveals a powerful moral crucible, one that would define the American military during the years of combat that became known as "the forever war." When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq, a group of them reported their chief, Eddie Gallagher, for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. The story of Alpha's war, both in Iraq and in the shocking trial that followed the men's accusations, would complicate the SEALs' post-9/11 hero narrative, turning brothers-in-arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country. One of the great stories written about American special forces, Alpha is by turns a battlefield drama, a courtroom thriller, and a compelling examination of how soldiers define themselves and live with the decisions in the heat of combat.

"Believe the hype. I killed myself." Having destroyed his life, the suicidal T. Remberg strikes out on a journey through history and geography. From Minneapolis to Europe to a fiery accident near Green Bay, he searches for a father who is likely dead, digs for meaning where he's sure there is none, fires off suicide letters to family, celebrities, presidents, and football stars, and lands in a hospital bed across from a priest who believes that Remberg has caused a miracle. This funny, moving novel asks us to consider the nature of second chances and the unexpected form that grace sometimes takes.

Friday Night Lights meets Concussion in this powerful and important novel by Geoff Herbach, author of the Stupid Fast series, exploring the dangerous concussion crisis in football through the eyes of a high school team captain. Isaiah loves football. In fact, football saved Isaiah's life, giving him structure and discipline after his sister's death tore his family apart. But when Isaiah gets knocked out cold on the field, he learns there's a lot more to lose than football. While recovering from a concussion, Isaiah wonders what his life would look like without the game. All his friends are on the team, and Isaiah knows they can't win without him. The scholarship offer from Cornell is only on the table if he keeps playing. And without football, what would keep his family together? What would prevent him from sliding back into the habits that nearly destroyed him? Isaiah must decide how much he's willing to sacrifice for the sport that gave him everything, even if playing

football threatens to take away his future. *Crazy Talk, Stupid Talk* Parents Magazine Press
